The Art Gallery on Stage Mariacristina Cavecchi, 2024-03-21 Winner of the AIA Associazione Italiana di Anglistica Book Prize 2024 The Art Gallery on Stage is the first book to consider the representation of the art gallery on the contemporary British stage and to discuss how playwrights have begun to regard it as inspiration location focus or theme in an ever more intense game of cross fertilization The study analyzes the impact on dramatic form and theatrical presentation of what has been a paradigmatic shift in the way art galleries and museums display their collections and how these are perceived establishing a hitherto unexplored connection between modes of exhibiting and

modes of representation It traces a trajectory from plays that were initially performed in traditional theatres in accordance with a naturalistic play structure to plays that favour of a radical reconfiguration of visual representation Indeed since the beginning of the new millennium playwrights and theatre makers have increasingly experimented with new dramatic forms and site specific venues while forging collaborations with art makers and curators The book focuses on plays from the 1980s onwards such as Howard Barker s Scenes from an Execution Nick Dear s The Art of Success Alan Bennett s A Question of Attribution Timberlake Wertenbaker s Three Birds Alighting on a Field and The Line David Edgar s Pentecost Martin Crimp s Attempt on Her Life Rebecca Lenkiewicz s Shoreditch Madonna and The Painter David Leddy s Long Live the Little Knife and Tim Crouch s My Arm An Oak Tree and England and considers the vital contribution to the field made by set designers Ultimately through this study we come to understand how modern drama can offer a set of interpretative tools to enhance our understanding of the mechanisms underlying the social construction of art and furthermore the potential of theatre and the gallery space to question our fundamental cultural assumptions and values

A Gust of Photo-Philia Alexandra Moschovi,2020-12-15 The first transnational history of photography s accommodation in the art museum Photography was long regarded as a middle brow art by the art institution Yet at the turn of the millennium it became the hot global art of our time In this book part institutional history part account of shifting photographic theories and practices Alexandra Moschovi tells the story of photography s accommodation in and as contemporary art in the art museum Archival research of key exhibitions and the contrasting collecting policies of MoMA Tate the Guggenheim the V A and the Centre Pompidou offer new insights into how art as photography and photography as art have been collected and exhibited since the 1930s Moschovi argues that this accommodation not only changed photography s status in art culture and society but also played a significant role in the rebranding of the art museum as a cultural and social site

London Calling Elena Crippa,Catherine Lampert,2016-07-26 Between the postwar years and the 1980s in Britain and in particular in London a number of figurative painters simultaneously reinvented the way in which life is represented in art Focusing on the depiction of the human figure these artists rendered the frailty and vitality of the human condition Offering a fresh account of developments that have since characterized postwar British painting this catalogue focuses on Michael Andrews Frank Auerbach Francis Bacon Lucian Freud R B Kitaj and Leon Kossoff artists who worked in close proximity as they were developing new forms of realism If for many years their efforts seemed to clash with dominant tendencies reassessment in recent decades has afforded their work a central position in a richer and more complex understanding of postwar British art and culture Rigorous and gorgeously illustrated the essays reflect on the parallel yet diverse trajectories of these artists their friendships and mutual admiration

and the divergence of their practice from the discourse of high modernism The authors seek to dispel the notion of their work as a uniquely British endeavor by highlighting the artists international outlook and ongoing dialogue with contemporary European and American painters as well as masters from previous generations This book is published to coincide with an exhibition at the J Paul Getty Museum from July 26 through November 13 2016 *I Am You* Karl F. Morrison, 2014-07-14 Important trends in contemporary intellectual life celebrate difference divisiveness and distinction Speculative writing increasingly highlights hermeneutic gaps between human beings their histories and their hopes In this book Karl Morrison identifies an alternative to this disruption He explores for the first time the entire legacy of thought revolving around the challenging claim I am you perhaps the most concise possible statement of bonding through empathy Professor Morrison shows that the hope for thoroughgoing understanding and inclusion in another's world view is central to the West's moral intellectual tradition He maintains that the West may yet escape the fatal flaw of casting that hope in paradigms of sexual and aesthetic dominance examples of empathetic participation inspired by hunger for power as well as by love The author uses diverse sources in theology ranging from Augustine to Schleiermacher in art from the religious art of the Christian Empire to post Abstractionism and in literature from Donne to Joyce Pirandello and Mann In this work he builds on the thought of two earlier books *Tradition and Authority in the Western Church* 300-1140 Princeton 1969 and *The Mimetic Tradition of Reform in the West* Princeton 1982 *I Am You* goes beyond their themes to the inward act that according to tradition consummated the change achieved by mimesis namely empathetic participation Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Cultural Devolution* Neil Mulholland, 2017-10-23 Title first published in 2003 What happened to art in Britain when the balance began to shift from public to private subsidy following the IMF crisis in 1976 In this polemical book Neil Mulholland charts the political and cultural shifts in art in Britain from the mid 1970s to the end of the twentieth century His account covers the key trends and artists of this extraordinarily diverse period including critical postmodernism feminism neoconservatism object sculpture the new image Brit Art and Scottish neoconceptualism and traces the development of critical thinking from the opinions of critics such as Richard Cork John Roberts and Matthew Collings to tabloid press art scandals *The Cultural Devolution* offers a broad critical and historical framework within which to understand public debate on the merits of young British artists such as Damien Hirst while looking beyond such celebrities to re discover the wealth and range of work produced Essential reading for anyone interested in contemporary art in Britain

The New British Painting Edward Lucie-Smith, Carolyn Cohen, Judith Higgins, 1988 An illustrated book on new

developments in British painting in the 1980s which is based on an exhibition of the work of 20 young British painters which will be on tour in the United States in 1989 **Benezit Dictionary of British Graphic Artists and Illustrators** Stephen Bury, 2012-06-21 This dictionary consists of over 3000 entries on a range of British artists from medieval manuscript illuminators to contemporary cartoonists Its core is comprised of the entries focusing on British graphic artists and illustrators from the 2006 Benezit Dictionary of Artists with an additional 90 revised and 60 new articles **The Lives of Lucian Freud: Fame** William Feaver, 2021-01-19 LONGLISTED FOR THE 2020 BAILLIE GIFFORD PRIZE In this brilliant second and final volume of the definitive biography of Lucian Freud one of the most influential enigmatic and secretive artists of the twentieth century William Feaver the noted art critic draws on years of daily conversations with Freud on his private papers and letters and on interviews with his friends and family to explore the intimate life of Freud from age forty five to his death in 2011 at the age of eighty nine The final forty years of Freud's life were a period of increasing recognition and fame and of prodigious output He was obsessed with his art and with the idea of producing paintings that astonish disturb seduce convince He was equally energetic and ambitious in his private life This book opens with his dramatic affair with Jacquetta Eliot which led to some of his most intimate portraits and to the start of two important lifelong friendships with Jane Willoughby and Susanna Chancellor Freud talks about his art at all stages how it changed in the seventies and his first retrospective in London in 1974 His move to a new studio in Holland Park in the late seventies marked an important increase in the scale of his work such as *Large Interior W11 After Watteau* which was his breakthrough painting In this space people would come and go his children his lover the painter Celia Paul and all the sitters from his nightlife His close friendship with Francis Bacon would end and be replaced with that of Frank Auerbach His obsession with gambling would give way to work and from the nineties through the 2000s a wide range of subjects would sit for him including the performance artist Leigh Bowery Kate Moss Jerry Hall supervisor Sue Tilley his longtime assistant David Dawson his own children and in 2001 Queen Elizabeth Two phenomenally successful exhibitions would transform his international reputation the Hirshhorn Museum in Washington DC in 1988 and a retrospective at the Tate in 2002 Here is Freud's voice still as fierce complicated witty and charismatic as in his youth talking about his art his friends and lovers and the gossip about them all making this volume like the first a nod to autobiography Vivid and engrossing *The Lives of Lucian Freud* is a dazzling and authoritative tour de force that reveals important new details about the thoughts the life and the work of this elusive artist

Art Historians and Specialists in the U.K. Peter Marcan, 1991 Francis Bacon Hugh Marlais Davies, 1995-01-03 With their searing colors and compelling images the paintings of Francis Bacon are among the most powerful and the most poignant to be made in the twentieth century During his sixty odd years as a painter Francis Bacon fearlessly tackled the unruly imagery of life remaining defiantly committed to giving this purposeless existence a meaning His insistence on depicting the mysteries of human experience had been rare in an age dominated by abstraction Now with the international

resurgence of figurative imagery the pivotal importance of his work has become more obvious than ever before The power and magnitude of his life s work are vividly conveyed by this thorough evaluation written by Hugh Davies and Sally Yard Born in Dublin as a teenager Bacon moved to London where he worked as an interior designer and taught himself to paint Responding to influences as diverse as Michelangelo and the photographer Muybridge he has created a motion filled style uniquely his own Fascinated by the challenge of capturing what he calls the mysteries of appearance Bacon confronts us with emotional images that demand an emotional response About Abbeville s Modern Masters series With informative enjoyable texts and over 100 illustrations approximately 48 in full color this innovative series offers a fresh look at the most creative and influential artists of the postwar era The authors are highly respected art historians and critics chosen for their ability to think clearly and write well Each handsomely designed volume presents a thorough survey of the artists life and work as well as statements by the artist an illustrated chapter on technique a chronology lists of exhibitions and public collections an annotated bibliography and an index Every art lover from the casual museum goer to the serious student teacher critic or curator will be eager to collect these Modern Masters And with such a low price they can afford to collect them all
