*The Heel of the Conqueror* Time-Life Books,1991 Discusses the Nazi occupation collaborators the Resistance and daily life in occupied areas      *Lectures on the ... Sufferings and Resurrection of the Lord Jesus Christ* Hugh Macneile (Dean of Ripon.),1843      *The Conqueror's Stone* Berry Fleming,1927      **The Conqueror's Son** Katharine Lack,2011-11-30 Duke Robert of Normandy eldest son of William the Conqueror was one of the greatest kings England never had Instead his reputation was distorted by the English chroniclers to give legitimacy to the claims to the throne of Robert s two brothers William Rufus and Henry I This man known to history as a rebel a lazy ruler and an incompetent idler is shown by Katherine Lack to have been the victim of a carefully constructed web of medieval spin He has had 900 years of bad publicity as an undutiful son harassing his father with acts of insubordination and spending money so recklessly that he had to sell his lands in Normandy to his brothers The portrait that emerges in Conqueror s Son is that of a worthy son of a great father whose peace making exploits on the Scottish borders faithfulness and courage as a leading crusader and return in triumph with a foreign beauty as his bride give a whole new dimension to our view of England under the Normans Katherine Lack sets out to redress the balance of opinion on Robert Curthose short boots or stubby legs the Normans were fond of giving pejorative nicknames What emerges is a fascinating revision of our understanding of William the Conqueror and his complex relations with his sons In particular this book paints a vivid picture of the royal and aristocratic families of northern Europe and their carefully maintained though always fragile alliances      **The Peacemakers** Hiram Wallace Hayes,1909      The Shellman Story Henry A. Buchanan,2007-02-16 THE SHELLMAN STORY is the story of a Pastor and his Church locked in battle over the racial issue in the early fifties of the twentieth century because the Supreme Court had said black children could go to school with white children in Shellman Georgia and the Pastor of the Shellman Baptist Church said it was the right thing to do But the people of that little Church in that little town said they would not allow their Pastor to say such a thing because it was contradictory to their hallowed traditions The Pastor insisted on preaching this new teaching so they fired him after the hanging in effigy did not convince him that he was wrong about what he believed was right But there was a Remnant of the Church who stood by their Pastor and the Remnant is the true Glory of the Church Here in THE SHELLMAN STORY Henry Buchanan has told how it all happened fifty years ago But because it seemed so strange to the people who heard him and saw it all happen in Shellman Georgia Buchanan has included some tales from his boyhood which show how the boy who grew up in a racially stratified home and community became the man would challenge the Southern Tradition of his own people and be hanged in effigy for it and in the end be fired by the Church he served as God s spokesman in a time of great crisis and turmoil because he believed he was Right      *The World's Work* Walter Hines Page,Arthur Wilson Page,1915      Lectures on the sympathies, sufferings, and resurrection of the Lord Jesus Christ ... Second edition Hugh MACNEILE (Dean of Ripon.),1843      **The Air-Conditioned Nightmare** Henry Miller,2013-08-10 His stories and essays celebrate those rare

individuals famous and obscure whose creative resilience and mere existence oppose the mechanization of minds and souls In 1939 after ten years as an expatriate Henry Miller returned to the United States with a keen desire to see what his native land was really like to get to the roots of the American nature and experience He set out on a journey that was to last three years visiting many sections of the country and making friends of all descriptions The Air Conditioned Nightmare is the result of that odyssey Fierceheart the Soldier John Collis Snaith,1906 The History of the World War I Various

Dilkes, 2025-08-05 worth reading for the civilian point of view on military events including observations on the U S Army's return to France in 1944 It is also excellent background reading for those who want to know about wartime life in France The Journal of America's Military Past September 1939 slipped into October quite silently as if it did not want to attract any notice The atmosphere is tense with expectancy ready for the critical times that lie ahead Everyone is geared for eventualities with courage and the lan of high purpose Members of the Embassy staff have received their orders to leave for different posts Bordeaux for some Nantes for others and for others the Chateau de Cand Some of us volunteered to remain in Paris I was one of them Paris will be safe or as dangerous as any other place perhaps safer as every effort will be made to protect the city with its priceless works of art and its beauty Marie Louise Dilkes astute observations of life in Paris during World War II are written from the unique perspective of the receptionist for the American Embassy The Embassy was the first or last resort for many caught up in the chaos of war and hers was the first face they would see as they walked through the grand doors She takes us from the conquest and occupation of Paris by German forces but includes the war time journey of the American consulate in Paris from Paris to Lisbon to Lyon to Bern and back to Paris She ends with the triumphant return of members of the American Embassy staff after the Allies forced the German Army out of Paris and the reestablishment of the American Embassy in Paris **THE HISTORY OF THE MORAVIANS** J. E. Hutton, 2016-08-25 You hold in your hands a chronicle of history The Moravian heritage dates back to the Bohemian Reformation in the fifteenth century Theirs is a history of awakening and persecutions as they took up the flame of passion for Christ even before Luther Since their beginnings five centuries ago the Moravians have always been marked by prayer intense devotion and a great heart to bring the gospel to the world The Moravians hosted a prayer meeting than ran uninterrupted 24 hours a day for one hundred years As a foundational movement that helped spark Protestantism and as the early spearhead of the modern missions movement Christians today owe so much to their heart zeal and faithfulness to God over so many centuries Discover for yourself the power of the gospel to change a people mold nations and take hold of destiny The DNA of these early missionaries is an important piece of the puzzle for us to grasp today as we step into the end of the ages and the salvation of the whole world **And the Rest of Alfie's Story** Henry A. Buchanan, 2001-02-09 After the Easterday Adventure with The Moonshiners Alfie was a big boy growing toward manhood He had eaten the fruit of the Tree of Knowledge of Good and Evil and he had become responsible for his own actions But with Ace as his Demon and Junior as his ever present Gadfly Alfie found himself in frequent trouble Mama was his Guiding Angel though and Papa was the Instrument of Punishment Uncle Seeb was the Shining Ebony Light to illuminate his path And LOVE for he discovered girls and he yearned to be a Hero His

world was changing too because Jody was now the Baby and Willie and Cliff and Junior all went away to the War in Europe He became the Man of the House when Papa was killed and he held in his hand Papas Watch the Arbiter of Time and the Measuring Rod of Life     **Lines on the Death of Sallie, and Other Pieces** Joseph R. Keiningham,1870     **The Brood of Time** Terence Barnett Magness,2009 What would two literary geniuses have in common especially when they come from entirely different social backgrounds and societies and a different point in time Many as this unique analysis of Shakespeare and Tolstoy shows The book has two parts the first is on Leo Tolstoy and the second on William Shakespeare and runs to a total of 470 pages The author analyses these literary figures through their personalities and their respective works through their internal turmoil and torment as moral beings wrestling with the vicissitudes and inequities of life These literary giants consciences and actions are examined in minute detail from the perspective of the Law of Karma as it is understood in Buddhism Theravada Buddhism to be precise The stories that these writers told bespeak of their own trials and tribulations foibles and insecurities of life as well as their struggle with social issues of the day Whereas Tolstoy being an aristocrat was prepared to speak his mind loud and clear about the injustices of his society and be ridiculed for his views and his own actions in contrast Shakespeare wasn't prepared to do so largely because of his relatively low social status which obliged him to suck up to the aristocratic and royal classes It was a matter of earning a living for Shakespeare at the pleasure of the powers that were otherwise he won't have survived and prospered financially There are interesting instances where the author highlights similarities between the two historical literary figures and explained why Tolstoy disdained Shakespeare for example for his inability to speak his mind and the hypocrisy of his works characters Also surprisingly to many Tolstoy even disdained his early works War and Peace and Anna Karenina in the twilight of his life Why The analyses present such an interesting insight into the lives of these two great literary giants as to keep one not only entertained but intrigued as to how karma had wrought their lives and how karma molded them so how karma has made Tolstoy so different from his antecedent self Shakespeare if one accepts that Tolstoy was a chip of the old English block but that the genius of his pen remained as finely tuned and accomplished as he was in his previous life as the celebrated English Bard     **A History of the Moravian Church** J. E. Hutton,1909     *The Cambridge Ancient History* Alan K. Bowman,Edward Champlin,Andrew Lintott,1996-02-08 The period described in Volume X of the second edition of The Cambridge Ancient History begins in the year after the death of Julius Caesar and ends in the year after the fall of Nero the last of the Julio Claudian emperors Its main theme is the transformation of the political configuration of the state and the establishment of the Roman Empire Chapters 16 supply a political narrative history of the period In chapters 7-12 the institutions of government are described and analysed Chapters 13-14 offer a survey of the Roman world in this period region by region and chapters 15-21 deal with the most important social and cultural developments of the era the city of Rome the structure of society art literature and law Central to the period is the achievement of the first emperor Augustus     Atonement F.
