The Falling Dawadawa Tree Female Circumcision In Developing Ghana:

The Falling Dawadawa Tree Christiana Oware Knudsen,1994 Chapter 9 The Guan **Changing Natural Resource Regimes in Northern Ghana** Wolfram Laube,2007 Colonial and national interventions have considerably changed the natural resource regimes regarding water and land in Northern Ghana However this change has not led to the establishment of new institutions but different actors farmers bureaucrats earthpriests chiefs and politicians are continuously engaged in negotiation process over natural resources While the institutional and distributional outcomes of these negotiation processes remain inconclusive they have led to a precarious local power balance in which different actors rely on different institutions and changing political alliances to pursue their interests *Ancient West African Women - Toppled Cornerstones* Christiana Oware Knudsen,2016-07-07 The period between the 9th and the 19th centuries was a dark period in the history of West African Women The effect of this dark period continues today in part in the form of persistent gender inequalities Prior to this period ancient West African women were empowered to the point that they effectively organised their own societies in ways that helped complement their interaction with men In those instances matriarchal inheritance systems ruled The phenomenon of females ruling societies was based on the basic acknowledgement that all men and women great or humble emerged into this world from the womb of a woman However these matrilineal cultures were gradually destroyed by the arrival of first Islam then the North Atlantic chattel slave trade colonisation and finally Christianity Slave trading was taking place across the world but chattel slavery was first introduced in West Africa by a number of Western European countries *Ancient West African Women* is a short crisp book which systematically explains how women in ancient West African tribes migrated from the Nile Valley in Egypt westwards to an area south of the Sahara which we now know as West Africa The book also polemically explores the lasting impact of chattel slave trading colonization Christianization and Islamization on the standing of West African women Book reviews online PublishedBestsellers website **Transcultural Bodies** Ylva Hernlund,Bettina Shell-Duncan,2007-06-07 Female circumcision or more precisely female genital cutting FGC remains an important cultural practice in many African countries often serving as a coming of age ritual It is also a practice that has generated international dispute and continues to be at the center of debates over women s rights the limits of cultural pluralism the balance of power between local cultures international human rights and feminist activism In our increasingly globalized world these practices have also begun immigrating to other nations where transnational complexities vex debates about how to resolve the issue Bringing together thirteen essays *Transcultural Bodies* provides an ethnographically rich exploration of FGC among African diasporas in the United Kingdom Europe and Australia Contributors analyze changes in ideologies of gender and sexuality in immigrant communities the frequent marginalization of African women s voices in debates over FGC and controversies over legislation restricting the practice in immigrant populations Historical Dictionary of Ghana Edmund Abaka,David Owusu-Ansah,2024-02-27 Ghana the former British West African colony of the

Gold Coast is known for its rich agricultural mineral and petroleum resources Ghana has made tremendous strides in all areas of life and has become the gateway to West Africa if not all of Africa Observers now cite the country's achievement of economic recovery political stability and democratized governance as an example worthy of emulation by other African countries Historical Dictionary of Ghana Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 900 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Ghana

Stolen Women Gail Wyatt, 2008-05-02 STOLEN WOMEN gives us what Mama couldn't a way to be in charge of our own bodies This probing fact based book dissects the myths discards the stereotypes and unshackles our minds BEBE MOORE CAMPBELL Author of Brothers and Sisters The culmination of twenty two years of clinical practice and in depth interviews with hundreds of African American women Ebony Groundbreaking research breaks down why we came to be at increased risk and how we can protect ourselves for the future Essence Finally we have the first book that breaks the silence Dr Wyatt presents a well researched and balanced perspective of the sexual experiences of African American women It explodes the myths examines our past and sets the path for our healing and our future survival This is a book that should be read by anyone who knows or cares about African American women Gloria Johnson Powell M D Professor of Psychiatry Harvard University A long awaited look at the stereotypes and sexual myths that surround African American women The Chicago Tribune

Historical Dictionary of Women in Sub-Saharan Africa Kathleen Sheldon, 2005-03-16 This vast dictionary launches the new series Historical Dictionaries of Women in the World and fills a huge gap in the literature as there previously has not been any comprehensive reference work on African women This dictionary includes over 660 entries on notable women in history politics religion the arts and other sectors on events particularly associated with women on women's organizations and publications and on a range of topics that are important to women in general or that have a special importance for African women including marriage fertility market women goddesses and much more Entries include cross referencing information that facilitates readers ability to find related information The book also includes an introductory essay and a chronology on African women's history as well as an extensive bibliography divided into sub sections on different historical eras and subjects Access to finding specific information is further aided by a country index A wide range of users will find this reference extremely valuable including researchers in African or women's history high school and university students and people involved with African policy and development issues such as diplomats or aid workers

Making the Mark Miroslava Prazak, 2016-09-15 Why do female genital cutting practices persist How does circumcision affect the rights of girls

in a culture where initiation forms the lynchpin of the ritual cycle at the core of defining gender identity and social and political status In *Making the Mark* Miroslava Prazak follows the practice of female circumcision through the lives and activities of community members in a rural Kenyan farming society as they decide whether or not to participate in the tradition In an ethnography twenty years in the making Prazak weaves multiple Kuria perspectives those of girls boys family members circumcisers political and religious leaders into a riveting account Though many books have been published on the topic of genital cutting this is one of the few ethnographies to give voice to evolving perspectives of practitioners especially through a period of intense anticutting campaigning on the part of international NGOs local activists and donor organizations Prazak also examines the cultural challenges that complicate the human rights anti FGM stance Set in the rolling hills of southwestern Kenya *Making the Mark* examines the influences that shape and change female genital cutting over time presenting a rich mosaic of the voices contributing to the debate over this life altering ritual

Thicker Than Water

Melissa Meyer, 2014-02-04 Blood is more than a fluid solution of cells platelets and plasma It is a symbol for the most basic of human concerns life death and family find expression in rituals surrounding everything from menstruation to human sacrifice Comprehensive in its scope and provocative in its argument this book examines beliefs and rituals concerning blood in a range of regional and religious contexts throughout human history Meyer reveals the origins of a wide range of blood rituals from the earliest surviving human symbolism of fertility and the hunt to the Jewish bris and the clitoridectomies given to young girls in parts of Africa The book also explores how cultural practices influence gene selection and makes a connection with the natural sciences by exploring how color perception influences the human proclivity to create blood symbols and rituals
