West Texas Showdown J.R. Roberts, Clint Adams is just passing through Lubbock and he just wants to wash the trail dust out of his throat at the local saloon But before he gets the chance he s caught smack dab in the middle of a vicious bushwhacking One of the biggest ranchers in West Texas is stringing barbed wire around his spread and that makes for some serious enemies And now that Clint s looking out for him half the guns in the county are drawing a bead on the Gunsmith

Ambush Moon J. R. Roberts,1994 After a stretch of hard riding Clint Adams reckons he better settle down for a while And there s no better place than Butte City Colorado where he can get an eyeful of the pretty mountains and prettier women But when his new lady friend is killed Clint goes after a cold blooded murderer Encyclopedia of Weird Westerns Paul

Cramer,2018-02-21 This provocative book debunks the myth that American gun culture was intentionally created by gun makers and demonstrates that gun ownership and use have been a core part of American society since our colonial origins Revisionist historians argue that American gun culture and manufacturing are relatively recent developments They further claim that widespread gun violence was largely absent from early American history because guns of all types and especially handguns were rare before 1848 According to these revisionists American gun culture was the creation of the first mass production gun manufacturers who used clever marketing to sell guns to people who neither wanted nor needed them However as proven in this first scholarly history of gun culture in early America gun ownership and use have in fact been central to American society from its very beginnings Lock Stock and Barrel The Origins of American Gun Culture shows that gunsmithing and gun manufacturing were important parts of the economies of the colonies and the early republic and explains how the American gun industry helped to create our modern world of precision mass production and high wages for workers *Small Arms Makers* Robert Edward Gardner,1963 Covers American and foreign makers with illus showing European marks **Corpus Juris** William Mack,William Benjamin Hale,1934 Outdoor Sports and American Angler ,1894 *American Rifleman* ,1926 **San Jose City Directory Including Santa Clara, San Mateo, Santa Cruz, San Benito and Monterey Counties** ,1892 Popular Science ,1985-04 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better *Field & Stream* ,1974-11 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations *Merchant Vessels of the United States...* United States.
