Sixty Days To Peace Implementing The Paris Peace Accords Vietnam 1973

James H. Willbanks

Sixty Days To Peace Implementing The Paris Peace Accords Vietnam 1973:

Sixty Days to Peace Walter Scott Dillard, 1982 **SIXTY DAYS TO PEACE.** , 1982 **Sixty Days to Peace** Walter Scott Dillard, 1982 **Sixty Days to Peace** Walter Scott Dillard, 2002-12-01 Historical events are never identical but the study of them does provide a context within which to formulate meaningful questions to order and guide decision making And that is the purpose of our Military History Series not to provide blueprints for future action but rather historical benchmarks to assist in forming creative responses to the ever changing global challenges to US interests and security An especially informative historical period took place during the last days of the US military withdrawal from Vietnam On 23 January 1973 the President announced to the Nation that the United States and North Vietnam had reached agreement in Paris on ending the war and restoring peace in Vietnam The accord provided for a Four Party Joint Military Commission composed of military representatives from North Vietnam South Vietnam the Viet Cong and the United States to implement certain provisions of the accord This National Defense University military history records the experiences of the US soldiers on the US Delegation during the 60 day life of the Commission The author Lieutenant Colonel Walter S Dillard USA was the official historian of the US Delegation and is thus uniquely qualified to write of the events marking the last days of our military presence in Vietnam The author s analyses of these events should be instructive for those who would better understand the enigmas of US relations with the developing world for our military who would better understand the functions of and constraints on such delegations and for students of statecraft who would better understand the interplay between treaty making and desired outcomes John S Pustay Lieutenant General United States Army President National Defense University [Vietnam War](#) James H. Willbanks, 2017-11-16 This detailed two volume set considers the Vietnam War one of America s longest and bloodiest wars from a topical perspective addressing the main characters and key events of the war and supplying many relevant primary source documents The Vietnam War not only claimed the lives of nearly 60 000 Americans and more than a million Vietnamese but the prolonged conflict also resulted in a firestorm of protest at home that shook the foundations of the country and made U S citizens question the moral principles and motivations behind our foreign policy and military actions Written in a very accessible style by recognized authorities on the war Vietnam War A Topical Exploration and Primary Source Collection provides students and general readers with a complete overview of the conflict in Vietnam a broad topic that remains an important part of the American history and world history curriculum Using a topical approach to cover all aspects of the war the set enables students to see the complete picture of the conflict through its presentation of reference entries and documents arranged in cohesive compelling chapters Examples of the primary documents in the set include Communist Party Evaluation of the Tet Offensive 1968 and President Richard Nixon s Speech on Vietnamization 1969 These primary sources are augmented by oral histories of soldiers who fought in the Tet Offensive Additionally maps and images in each section enhance the aesthetic appeal of the book and heighten students understanding of the material Readers will

come away with both a strong comprehension of the Vietnam War as well as an appreciation for how significant this proxy conflict was as a lead up event to the global Cold War To Hanoi and Back Wayne Thompson, 2014-07-15 After nearly eighteen months of the largely unsuccessful bombing campaign called Operation Rolling Thunder the US Air Force began to look for ways to overcome technological geographical and political challenges in North Vietnam and use limited air power more effectively In 1972 the two Linebacker campaigns joined with other air operations to make a dramatic although temporary difference While they unleashed powerful B 52 area bombers the campaigns also demonstrated the efficacy of newly developed laser guided precision bombs Drawing upon twenty years of research in classified records Wayne Thompson integrates operational political and personal detail to present a full history of the Air Force role in the war against North Vietnam He provides an unprecedented view of the motivations and actions of the people involved from aircrews to generals to politicians in every phase of the air campaigns He outlines for instance the political reasons for President Johnson's reluctance to use B 52 bombers against major North Vietnamese targets He also examines how the media influenced US policy and how US prisoners became the war's most celebrated heroes The war in Southeast Asia ultimately pushed the Air Force toward adopting more flexible tactics and incorporating increasingly sophisticated weapons that would shape later conflicts **Almanac of American Military History** Spencer C. Tucker, 2012-11-21 This almanac provides a comprehensive chronological overview of all American military history serving as the standard reference work of its type Almanac of American Military History is yet another reference work from acclaimed historian Dr Spencer C Tucker and ABC CLIO offering an unprecedented resource for a wide range of students and researchers A comprehensive four volume title this almanac traces all of American military history from the European voyages of discovery through 2011 chronicling the pivotal moments that have shaped the United States into the country it is today In addition to documenting key events this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems A detailed glossary is included as are discussions of ranks and military awards and decorations Divided into conflict periods each chapter includes a detailed chronology reference entry sidebars statistical information primary source documents and a bibliography *A Select Bibliography of Department of Defense Publications of the Southeast Asian Conflict*, 1990 **Without Honor** Arnold R. Isaacs, 1999-01-27 He also provides a historical record about the strategic decisions made during the war's end game and the intelligence failure that led Americans and their Southeast Asian allies to underestimate the strength and perseverance of the enemy **Report of the U.S. Senate Select Committee on POW/MIA Affairs** United States. Congress. Senate. Select Committee on POW/MIA Affairs, 1993
