Suicide Prevention In Schools:

Suicide Prevention in Schools Antoon A. Leenaars, Susanne Wenckstern, 1991 Argues that schools have a much larger role to play in the prevention of suicide among children and adolescents than they have generally undertaken hitherto Sets out various ways in which teachers can detect suicidal tendencies and make appropriate interventions *Suicide in Schools* Terri A. Erbacher, Jonathan B. Singer, Scott Poland, 2014-11-20 Suicide in Schools provides school based professionals with practical easy to use guidance on developing and implementing effective suicide prevention assessment intervention and postvention strategies Utilizing a multi level systems approach this book includes step by step guidelines for developing crisis teams and prevention programs assessing and intervening with suicidal youth and working with families and community organizations during and after a suicidal crisis The authors include detailed case examples innovative approaches for professional practice usable handouts and internet resources on the best practice approaches to effectively work with youth who are experiencing a suicidal crisis as well as those students families school staff and community members who have suffered the loss of a loved one to suicide Readers will come away from this book with clear step by step guidelines on how to work proactively with school personnel and community professionals think about suicide prevention from a three tiered systems approach how to identify those who might be at risk and how to support survivors after a traumatic event all in a practical user friendly format geared especially for the needs of school based professionals *A Culture of Caring* Theodora Schiro, 2020-02-20 As awareness grows about the alarming increase in youth suicide rates school leaders need information on suicide prevention and postvention Tragically the search often begins only after the school community has suffered the loss of a student Schools must start to be proactive and educate themselves about risk factors and prevention strategies Designed as a handbook for busy educators A Culture of Caring A Suicide Prevention Guide for Schools K 12 includes information about prevention intervention and postvention along with commentary from experts in the field Each chapter stands alone and does not have to be read in sequence Resources and descriptions of programs relevant to each chapter are organized by topic School leaders counselors and teachers can use the information to create their own plans or just glance through it to get ideas With this book any school community that takes suicide prevention seriously will have access the knowledge tools and resources to save lives Suicide Prevention in the Schools Dave Capuzzi, 1994 Suicide is the second leading cause of death among adolescents Between 1981 and 1989 7% of all those who suicide were children and adolescents aged five to 19 and during that time 16 585 adolescents between the ages of 15 and 19 committed suicide Written for counselors and middle and high school personnel this book examines the dynamics of suicide and includes guidelines for early detection of suicidal preoccupation prevention and crisis management Guidelines in this book were developed using the assumptions that personnel working with young people 1 need information that helps them identify the individuals most at risk for suicide 2 need to understand the myths and causal factors connected with adolescent suicide 3 need to be able to recognize the profile

that identifies individuals most at risk for suicide and 4 need to be able to use effective techniques to assess and refer suicidal adolescents Chapters are 1 Suicide Prevention in the Schools An Introduction 2 Suicide Prevention Getting Started in Your Building or School District 3 Suicide Prevention What Faculty and Staff Need to Know 4 Preparation of Crisis Teams 5 Individual and Group Counseling Options 6 Parent Education 7 Classroom Presentations and 8 Legal Aspects of Adolescent Suicide Prevention Most chapters include overhead masters Contains 118 references JBJ **Suicide Prevention in Schools. A Center Policy Issues Analysis Brief** California Univ., Los Angeles. Center for Mental Health in Schools,2007 Policy makers remain in conflict over whether schools should play a institutionalized role in preventing student suicide This brief highlights two other major related questions that are at issue 1 Does suicide education stigmatize some students and increase that risk of suicide ideation and 2 Should schools be involved in monitoring students identified as suicidal risks
