The Territory of Men Joelle Fraser, 2009-03-04 Born into the turmoil of mid sixties San Francisco the daughter of a flower child and a surfer Joelle Fraser grew up with no bedtime no boundaries and no father But dads she had in abundance as her mother worked her way through boyfriends and husbands caught between the traditional rules of her upbringing and the new freedoms of the me generation and women s lib Moving every few months from houseboats and beach shacks to run down apartments Joelle came to learn that a woman s life free or not is played out on men s territory Set in northern California Hawaii and the small coastal towns of Oregon Fraser s engrossing memoir captures this centerless childhood in wonderfully vivid frank writing then goes on to show how a legacy like this affects a girl as she grows up Pretty blond precociously aware of her own sexuality Joelle was drawn to men early eager to unlock their mysteries Working in bars prisons and firing ranges she liked to hang out where they congregated To her the only worlds that counted were men s worlds Men held the power they made life matter Fraser s sharp vignettes of her intense relationships brief turbulent marriage and itinerant life are haunting echoes of her early memories In *The Territory of Men* she brilliantly portrays the way a rootless childhood leads to a restless adulthood and how a mother s aimless life serves as a blueprint for her daughter

The Mango Chronicle Ricardo José González-Rothi, 2024-05-07 In an entangled exodus to freedom during a nuclear missile crisis a young boy s Cuban Huck Finn childhood is upended After a decades long struggle with identity he transitions from refugee to good American returning to his roots for redemption He left his birthplace during a nuclear missile crisis As a refugee in a foreign land he struggles to adjust to a new set of life circumstances The author recollects his childhood in his Cuban barrio from the eyes of a child and then decades later from the vantage of a grown adult From stealing a rowboat and being nearly capsized by a Russian tanker to befriending an old fisherman who tells him a haunting tale to being bullied by a neighborhood thug to cockfights gone wrong to witnessing the plight of political prisoners during an invasion to dealing with the injustices of growing up in a machismo and homophobic culture he led a Cuban Huck Finn childhood Arriving in a foreign land which is at times unwelcoming he struggles to assimilate while preserving his native soul Eventually he finds

Sutton,2009-09-14 Globalizing Ideal Beauty is the forgotten history of a group of women copywriters whose successful ad campaigns went international in the 1920s and spread an American notion of feminine appeal from Bangor to Bangkok Sutton s approach is grounded in a huge body of original archival research that has so far remained largely untapped

The Rise of the Memoir Alex Zwerdling,2017 The Rise of the Memoir traces the growth and extraordinarily wide appeal of the memoir Its territory is private rather than public life shame guilt and embarrassment not the achievements celebrated in the public record What accounts for the sharp need writers like Rousseau Woolf Orwell Nabokov Primo Levi and Maxine Hong Kingston felt to write and to publish such works when they might more easily have chosen to remain silent

Alex Zwerdling explores why each of these writers felt compelled to write them as that story can be reconstructed from personal materials available in archival collections what internal conflicts they encountered while trying and how each of them resisted the private and public pressures to stop themselves rather than pursuing this confessional route against their own doubts without a reasonable expectation that such works would be welcome in print and eventually find an empathetic audience Reconstructing this process in which a dubious project eventually becomes a compelling product a memoir that will last illuminates both what was at stake and why this serially invented open form has reshaped the expectations of readers who welcomed a vital alternative to the official story *Gamblers and Dreamers* Charlene Porsild, 2011-11-01 The popular image of the Klondike is of a rush of white male adventurers who overcame great physical and geographical obstacles in their quest for gold Young white single American men carried forward the ideals and structures of the western frontier It was a man's world made respectable only after the turn of the century with the arrival of white middle class women who miraculously swept out the corners of dirt and vice and civilized the society These impressions endure despite recent attempts to correct them *Gamblers and Dreamers* tackles some of the myths about the history of the North in the era of the gold rush Though many inhabitants came and went Charlene Porsild focuses on the concept of community commitment to show that many put down roots This in depth study of Dawson City at the turn of the century reveals that the city had a cosmopolitan character a stratified society and a definite permanence It examines the lives of First Nations peoples miners and other labourers professionals merchants dance hall performers and sex trade workers providing fascinating detail about those who left homes and jobs to strike it rich in the last great gold rush of the nineteenth century In the process *Gamblers and Dreamers* puts a human face on this compelling period of history **Memoir of John Dalton** Robert Angus Smith, 1856
