Tertium Organum The Third Canon Of Thought:

Tertium organum Petr Dem'ianovich Uspensky, 1937 **Tertium Organum** P.D. Ouspensky, 2023-04-24 In revising Tertium Organum for the second edition in English my chief concern has been to coordinate its terminology with the more developed terminology of those of my books written after the publication of the second Russian edition of Tertium organum from which the English translation was made Such a unity of terminology is the more necessary because I am obliged to lead the reader into regions of thought and knowledge where boundaries have not been clearly established and where different authors and often one and the same author in different works and during different periods of his activity have called the same thing by different names or different things by the same name Tertium Organum Petr Dem'ianovich Uspenskiĭ, 1920 Tertium Organum P. Ouspensky moved to London and for the next twenty years worked with a number of his students on the English translations of *A New Model of the Universe* *Fragments of an Unknown Teaching* the working title of *In Search of the Miraculous* *Strange Life of Ivan Osokin* and *Tertium Organum* The translation of *Tertium Organum* was undertaken by Madame E Kadloubovsky from the second Russian edition and a substantial part was approved by the author In 1947 at the time of his death the translation was incomplete but Mme Kadloubovsky decided to finish it having already received careful directions from the author The new translation was first lithographed in Cape Town South Africa in an edition of only twenty one copies by Fairfax Hall at his private press the Stourton Press Later in 1961 an abridged version was hand set with the help of students interested in Ouspensky's ideas in the ten point type designed for the press by Eric Gill Neither this edition of one hundred copies nor the earlier edition were offered for sale
