Sanborn,S. Otter,2011-09-26 In an original and provocative series of readings that range across Melville s career the contributors consider not only the sources and implications of Melville s aesthetics but the relationship between aesthetic criticism historical analysis and contemporary theory      The Divine Election of Israel Seock-Tae Sohn,2001-09-11 The Divine Election of Israel offers a comprehensive examination of Yahweh s election of Old Testament Israel By means of a detailed incisive and fruitful philological semantic analysis of the Bible s Hebrew text Seock Tae Sohn explores the connection between election and other major themes such as covenant rejection remnant and restoration Sohn traces the historical development of the idea of election and delineates the New Testament reflections of Old Testament election imagery His discerning study not only expands our understanding of election in the Scriptures but also powerfully demonstrates the linguistic richness and organic unity of the biblical text      **(Re)Visions of History in Language and Fiction** Dorota Guttfield,Monika Linke,Agnieszka Sowińska,2013-02-21 In imagining history one must inevitably rely on its textual representations whether fictitious or supposedly objective yet always subject to the constraints and conventions of textuality Still it is precisely by exploiting and consciously relying on the textual in the presentation of the past that contemporary authors including politicians and makers of history strive to provide it with current significance emotional impact and universal meaning The study of such attempts benefits from a variety of perspectives encompassing not only classical but also popular texts and media An interdisciplinary collection of papers devoted to the issues of retelling rewriting and representation of the past in fiction and various text types this volume juxtaposes modern and post modern understanding of collective versus personal history The contributors are scholars specializing in literary studies e g postcolonialism and popular fiction linguistics e g critical discourse analysis and cultural studies e g media studies bringing a

History, Abolition, and the Ever-Present Now in Antebellum American Writing Jeffrey Insko, 2018-12-06 The Ever Present Now examines the meaning and possibilities of the present and its relationship to history and historicity in a number of literary texts specifically the writings of several figures in antebellum US literary history some but not all of whom associated with the period s romantic movement Focusing on nineteenth century writers who were impatient for social change like those advocating for the immediate emancipation of slaves as opposed to those planning for a gradual end to slavery the book recovers some of the political force of romanticism Through close readings of texts by Washington Irving John Neal Catharine Sedgwick Frederick Douglass Ralph Waldo Emerson and Herman Melville Insko argues that these writers practiced forms of literary historiography that treat the past as neither a reflection of present interests nor as an irretrievably distant other but as a complex and open ended interaction between the two In place of a fixed and linear past these writers imagine history as an experience rooted in a fluid dynamic and ever changing present The political philosophical and aesthetic disposition Insko calls romantic presentism insists upon the present as the fundamental sphere of human action and experience and hence of ethics and democratic possibility

Neither Believer Nor Infidel Jonathan A. Cook, 2023-08-15 Shedding new light on both classic and lesser known works in the Melville canon with particular attention

to the author's literary use of the Bible Neither Believer Nor Infidel examines the debate between religious skepticism and Christian faith that infused Herman Melville's writings following Moby Dick Jonathan A Cook's study is the first to focus on the decisive role of faith and doubt in Melville's writings following his mid career turn to shorter fiction and still later to poetry as a result of the commercial failures of Moby Dick and Pierre Nathaniel Hawthorne claimed that Melville can neither believe nor be comfortable in his unbelief a remark that encapsulates an essential truth about Melville's attitude to Christianity Like many of his Victorian contemporaries Melville spent his literary career poised between an intellectual rejection of Christian dogma and an emotional attachment to the consolations of non dogmatic Christian faith Accompanying this ambivalence was a lifelong devotion to the text of the King James Bible as both moral sourcebook and literary template Following a biographical overview of skeptical influences and manifestations in Melville's early life and career Cook examines the evidence of religious doubt and belief in Bartleby the Scrivener Cock a Doodle Doo The Encantadas Israel Potter Battle Pieces Timoleon and Billy Budd Accessible for both the general reader and the scholar Neither Believer Nor Infidel clarifies the ambiguities of Melville's pervasive use of religion in his fiction and poetry In analyzing Melville's persistent oscillation between metaphysical rebellion and attenuated belief Cook elucidates both well known and under appreciated works
