Testament und Siegel Ivans IV. Günther Stökl,1972 **Succession to the Throne in Early Modern Russia** Paul Bushkovitch,2021-03-18 This revisionist history explores how the tsar s power was transferred in Russia over three centuries as cultural practices and customs evolved Ivan the Terrible Charles J. Halperin,2019-09-13 Ivan the Terrible is infamous as a sadistic despot responsible for the deaths of thousands of innocent people particularly during the years of the oprichnina his state within a state Ivan was the first ruler in Russian history to use mass terror as a political instrument However Ivan s actions cannot be dismissed by attributing the behavior to insanity Ivan interacted with Muscovite society as both he and Muscovy changed This interaction needs to be understood in order properly to analyze his motives achievements and failures Ivan the Terrible Free to Reward and Free to Punish provides an up to date comprehensive analysis of all aspects of Ivan s reign It presents a new interpretation not only of Ivan s behavior and ideology but also of Muscovite social and economic history Charles Halperin shatters the myths surrounding Ivan and reveals a complex ruler who had much in common with his European contemporaries including Henry the Eighth **The Impact of Nuclear Power on the Public: The American Experience** Victor Potter Bond,2013-04-17 The American experience with respect to electrical power production has undergone and is undergoing considerable evolution Early frequently strident debates tended to focus on the risks and benefits of only one pos sible power source nuclear and on one possible hazard radiation from routine releases Discussions and analyses now have tended to become more moderate and deal with not only one but all feasible power sources as well as the costs and benefits associated with fuel production the operation of such sources fuel transportation and waste disposal Radiation from routine releases is no longer a major issue A number of attempts have been made to assess the total benefits and risks of nuclear versus fossil fuel plants in order to allow a rational basis for deciding on what type of source is best for a given situation More data and more refined analyses are needed how ever most of those completed to date have concluded that the overall cost in terms of possible damage to health and the environment is least for nuclear power next for oil and the greatest for coal fired plants *The Political Cult of the Dead in Ukraine* Guido Hausmann,Iryna Sklokina,2021-12-06 The Ukrainian Euromaidan in 2013 14 and the ongoing Russian Ukrainian war in the Eastern part of the country have posed new questions to historians The volume investigates the relevance of the cults of the fallen soldiers to Ukraine s national history and state It places the dead of the Euromaidan and the forms and functions of the emerging new cult of the dead in the context of older cults from pre Soviet Soviet and post Soviet times from various Ukrainian regions until the end of the presidency of Petro Poroshenko in 2019 The contributions emphasize the importance of the grassroot level of local and regional actors or memory entrepreneurs myths of state origin and national defense demanding unity and the dynamics of commemorative practices in the last thirty years in relation to pluralist and fragmented processes of nationand state building They contribute to new conceptualizations of the political cult of the dead On asking the right kind of question in
