**How to Test the Spirits to See If They Are of God** Marc Montgomery, 2017-05-06 The purpose of this publication is to help all Christians who are heading to the time when they will hear the above words from Christ to escape by jumping out of their Christian ship or ark and jump right into the ark prepared by Christ Himself so that the above words may be replaced by the words of Christ where He says welcome all of you who have been blessed by My Father into the Kingdom which was prepared for you long before the creation of the world You will also know why and where most of today's prophets and apostle in the churches of Christ are actually deceived and operating through false holy spirits while they use the Name of the Lord Jesus just as the true believers do The false doctrines which result from the twisting of scriptures are a gate which opens Christians lives to lying spirits and false holy spirits as it is the case with many churches of Christ today You are given a long list of Biblical check points to determine if the Holy Spirit you are involved with is the One who worked through the Apostles of Christ or if it is just a counterfeit which acts like the true Holy Spirit of Christ the best it can Try the Spirits, Or, Fair Play for the Other Side W. Reading Scripture in the Fellowship of the Spirit Trevor Reynolds, 2019-02-19. How does the Holy Spirit guide the Christian community in its custodianship and interpretation of Scripture? How does the fact that the Spirit is characterized by *koinonia* impact upon this task? In light of this, do we read Scripture with too much of an individualistic mindset? In this new book, Dr. Trevor Reynolds addresses these questions, seeking answers primarily from within Scripture itself. He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit. How did they interpret Scripture with the help of the Spirit? He highlights their corporate Spirit-led hermeneutic with its challenge to our individualistic approaches. The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation. These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus' own Spirit-given example and legacy. In this book, New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit's help or speak of the Spirit's work of interpretation in a more general way. Trevor Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine, use, and custodianship of Scripture in the life and witness of the church today. The book concludes by pointing to the wide-ranging implications that reading Scripture in the fellowship of the Spirit poses for today's church.

In his book *Testing the Supernatural: How To Biblically Test Dreams, Visions, Revelations, and Spiritual Manifestations*, Rick Renner carefully and scripturally lays
