*Traditional Erotica* Frank A. Hoffmann, 1968 **Sexual Offenders and the Criminal System** Barry Maletzky, 2025-05-19 This book demonstrates that the criminal justice system in the United States has allowed the natural emotions surrounding sexuality to allow the minority of sexual offenders who are truly dangerous to be merged with the majority of offenders who pose little if any risk to be at large Such aggregations force the system to exhaust resources while ignoring the burgeoning research into the assessment and treatment of such offenders Relying on research in the literature combined with his many years of experience Maletzky details how the system operates at present and offers suggestions for change to re align what we know about sexual offending with how such offenders might be better managed within the criminal justice system The work provides an overview of the process from the original apprehension of sexual offenders through the determination of their guilt their detention in prisons or jails and their supervision following incarceration Allowing scientific advances to inform decisions in these matters will not only enhance public safety but will spare unnecessary expense save taxpayers money and actually serve to prevent future recidivism among such offenders This work is thought provoking for attorneys prosecutors legal assistants and law clerks members of the judiciary those who teach or are students of the administration of justice those who assess or treat sexual offenders and offenders and their families affected by the system *Racism and Sexual Oppression in Anglo-America* Ladelle McWhorter, 2009-03-26 Does the black struggle for civil rights make common cause with the movement to foster queer community protest anti queer violence or discrimination and demand respect for the rights and sensibilities of queer people Confronting this emotionally charged question Ladelle McWhorter reveals how a carefully structured campaign against abnormality in the late 19th and early 20th centuries encouraged white Americans to purge society of so called biological contaminants people who were poor disabled black or queer Building on a legacy of savage hate crimes such as the killings of Matthew Shepard and James Byrd McWhorter shows that racism sexual oppression and discrimination against the disabled the feeble and the poor are all aspects of the same societal distemper and that when
