Tevyes Grandchildren Rediscovering A Jewish Identity:

Tevye's Grandchildren Eleanor Mallet, 2010-04-01 In *Tevye's Grandchildren Rediscovering a Jewish Identity* Eleanor Mallet describes the unusual journey she took to understand her Jewish past Like many American Jews she was secular assimilated and part of the successful mainstream When her sons came of age they reached for a richer more open way of being Jewish Their interest sent her on an exploration in which she plunged into the dynamic and relatively recent field of Jewish history studied Hebrew and traveled to Israel and Germany Mallet's book provides a tour from a personal vantage of the historical forces that are in play for Jews today In it she connects the spare outline of her Jewish past with its fleshy fractured history Her Judaism had a passionate center which found expression in part in Israel Yet it was also filled with the dissonance that flowed from American assimilation and the Holocaust's aftermath These are the forces that have preoccupied the Jewish community for quite some time Understanding them has taken on a new urgency with the recent and not always welcome prominence Jewishness and Israel have on today's world stage
