## Texans Guns And History:

**Texans, Guns & History** Charles Askins,1970 The early Texans were a breed unto themselves their like may never be seen on this continent They made the most of a booming land of freedom and opportunity *Texans, Guns & History* Charles Askins,1970 The early Texans were a breed unto themselves their like may never be seen on this continent They made the most of a booming land of freedom and opportunity **A History of Texas and Texans** Frank White Johnson,1914 Vols 1 and 3 are books vols 2 4 5 are microfiche *Guns in America* Jan E. Dizard,Robert Muth,Stephen P. Andrews,1999-04 Should you own a gun Americans losing trust in each other and institutions Arms and the woman a feminist reappraisal Guns are the tools by which we forge our liberty Gun control in American a history of discrimination against the poor and minorities Talk at Temple Beth Shalom Friday April 30 1993 Apocalypse now They've had enough Author's call to arms gets answer The anti enviro connection America's only realistic option promoting responsible gun ownership What are the alternative Lawsuit aims at gun industry Crime fighting's about face Second thoughts on the Second Amendment Ten essential observations on guns in America *The Men Who Wear the Star* Charles M. Robinson, III,2000-07-25 Here is the first full telling of the most colorful and famous law enforcers of our time For years the Texas Rangers have been historical figures shrouded in myth Charles M Robinson III has sifted through the tall tales to reach the heart of this storied organization The Men Who Wear the Star details the history of the Rangers from their beginnings spurred by Stephen Austin and their formal organization in 1835 to the gangster era with Bonnie and Clyde and on through to modern times Filled with memorable characters it is energetic and fast paced making this the definitive record of the exploits and accomplishments of the Texas Rangers *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1974 [The Encyclopedia of Lawmen, Outlaws, and Gunfighters](#) Leon Claire Metz,2002 Standoffs saloons and sunsets spring to mind when one envisions the rough and tumble early days of the American frontier **The Midnight Assassin** Skip Hollandsworth,2016-04-05 A sweeping narrative history of a terrifying serial killer America's first who stalked Austin Texas in 1885 In the late 1800s the city of Austin Texas was on the cusp of emerging from an isolated western outpost into a truly cosmopolitan metropolis But beginning in December 1884 Austin was terrorized by someone equally as vicious and in some ways far more diabolical than London's infamous Jack the Ripper For almost exactly one year the Midnight Assassin crisscrossed the entire city striking on moonlit nights using axes knives and long steel rods to rip apart women from every race and class At the time the concept of a serial killer was unthinkable but the murders continued the killer became more brazen and the citizens panic reached a fever pitch Before it was all over at least a dozen men would be arrested in connection with the murders and the crimes would expose what a newspaper described as the most extensive and profound scandal ever known in Austin And yes when Jack the Ripper began his attacks in 1888 London police investigators did wonder if the killer from Austin had crossed the ocean to terrorize their own city With vivid historical detail and novelistic

flair Texas Monthly journalist Skip Hollandsworth brings this terrifying saga to life ***A Lawless Breed*** Chuck Parsons, Norman Wayne Brown, 2013 John Wesley Hardin spread terror in much of Texas in the years following the Civil War as the most wanted fugitive Hardin left an autobiography in which he detailed many of the troubles of his life In *A Lawless Breed* Parsons and Brown have meticulously examined his claims against available records to determine how much of his life story is true and how much was only a half truth or a complete lie ***Encyclopedia of Western Gunfighters*** Bill O'Neal, 1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who's who of the violent West ***Yours to Command*** Harold J. Weiss (Jr.), 2009 Captain Bill McDonald's 1852-1918 admirers rank him as one of the great captains of Texas Ranger history His detractors see him as an irresponsible lawman who precipitated violence hungered for publicity and related tall tales that cast himself in the hero's role This title seeks to find the true Bill McDonald and sort fact from myth ***The Texas Pistoleers*** Ron Williamson, 2009 Known as two of the best pistol fighters of their day Ben Thompson and King Fisher have remained an enigma in the chronicles of the American West While other gunfighters have achieved infamy through the stories told in pulp magazines and newspapers of the day these two men were largely ignored Both were credited with killing a string of men during their lifetime and the mere mention of their names was usually enough to sober up a drunken opponent or cause a sober man to contemplate his own epitaph *The Texas Pistoleers* tells their story in vivid detail and relates the historically accurate account of their deaths in a mystery shrouded ambush in a San Antonio saloon on a chilly March night in 1884 ***The Leading Facts of New Mexican History*** Ralph Emerson Twitchell, 1917 Later appointed judge advocate of the Territorial Militia he attained the rank of colonel a title he was proud to use for the rest of his life By 1893 he was elected the mayor of Santa Fe and thereafter district attorney of Santa Fe County Twitchell probably promoted New Mexico as much as any single New Mexican of his generation An avid supporter of New Mexico statehood he argued the territory's case for elevated political status celebrated its final victory in 1912 and even designed New Mexico's first state flag in 1915 Just as Twitchell's first edition in 1911 helped celebrate New Mexico's entry into statehood in 1912 the newest edition of the text and illustrations including the Subscriber's Edition page of Number 1 156 of 1 500 serves as a tribute to the state's centennial celebration of 2012 ***Tracking the Texas Rangers*** Bruce A. Glasrud, 2012 *Tracking the Texas Rangers* The Twentieth Century is an anthology of fifteen previously published articles and chapter excerpts covering key topics of the Texas Rangers during the twentieth century The task of determining the role of the Rangers as the state evolved and what they actually accomplished for the benefit of the state is a difficult challenge The actions of the Rangers fit no easy description There is a dark side to the story of the Rangers during the Mexican Revolution for example some murdered with impunity Others sought to restore order in the border communities as well as in the remainder of Texas It is not lack of interest that complicates the unveiling of the mythical force With the possible exception of the Alamo probably more has been written about the Texas Rangers than

any other aspect of Texas history Tracking the Texas Rangers covers leaders such as Captains Bill McDonald Lone Wolf Gonzauillas and Barry Caver accomplished Rangers like Joaquin Jackson and Arthur Hill and the use of Rangers in the Mexican Revolution Chapters discuss their role in the oil fields in riots and in capturing outlaws Most important the Rangers of the twentieth century experienced changes in investigative techniques strategy and intelligence gathering Tracking looks at the use of Rangers in labor disputes in race issues and in the Tejano civil rights movement The selections cover critical aspects of those experiences organization leadership cultural implications rural and urban life and violence In their introduction editors Bruce A Glasrud and Harold J Weiss Jr discuss various themes and controversies surrounding the twentieth century Rangers and their treatment by historians over the years They also have added annotations to the essays to explain where new research has shed additional light on an event to update or correct the original article text

**Bookman's Guide to Americana** Joseph Norman Heard, Charles F. Hamsa, 1986 No descriptive material is available for this title Texas Pistoleers G.R. Williamson, 2010-08-31 The Vaudeville Theater Ambush of 1884 went down in history as one of the most famous gunfights in San Antonio but the killing that night of Ben Thompson and John King Fisher two of the most notorious pistoleers of the day became something of a mystery The two men entered the theatre just before midnight on March 11 and less than an hour later both lay dead shot down in what for all accounts was a true massacre The responsible gunmen never were prosecuted for their crimes and Thompson and Fisher a mere mention of either man's name was enough to put the fear of death in any opponent have been widely ignored since Now historian G R Williamson brings to light the mystery and the myths surrounding these men and their infamous deaths in Texas Pistoleers *The Marksmanship Primer* Jim Casada, 2013-02-01 The Marksmanship Primer serves as a roadmap to greater shooting proficiency as well as greater enjoyment of the sport of shooting Jim Casada renowned outdoors author and editor has brought together the best selections from America's great gun writers of yesterday and today Marksmen of all levels of experience beginners pros and hobbyists can benefit from this collection of shooting wisdom Topics include Positions for Rifle and Handgun Shooting Sighting In Ballistics Rifle Marksmanship for the Hunter Accuracy at All Distances Hunting with the Handgun Physical and Mental Fitness for the Marksman Achieving accuracy and a high degree of competence is an immediate joy refining it through regular trips to the range or the field can provide a lifetime of pleasure The Marksmanship Primer is the best book to seek hunting and target shooting knowledge Black Fire Robert Graysmith, 2013-10-29 The first biography of the little known real life Tom Sawyer told through a harrowing account of Sawyer's involvement in the hunt for a serial arsonist who terrorized mid nineteenth century San Francisco When San Francisco Daily Morning Call reporter Mark Twain met Tom Sawyer in 1863 he was seeking a subject for his first novel He learned that Sawyer was a volunteer firefighter local hero and a former Torch Boy racing ahead of hand drawn fire engines at night carrying torches to light the way When a mysterious serial arsonist known as The Lightkeeper was in the process of burning San Francisco to the ground Sawyer played a key

role in stopping him helping to contain what is now considered the most disastrous and costly series of fires ever experienced by an American metropolis By chronicling how Sawyer took it upon himself to investigate expose and stop the arsonist Black Fire details Sawyer s remarkable life and illustrates why Twain would later feel compelled to name his iconic character after him when writing The Adventures of Tom Sawyer A vivid portrayal of the gritty corrupt and violent world of the Gold Rush era West Black Fire is the most vibrant and thorough account of Sawyer s relationship with Mark Twain and of the devastating fires that baptized San Francisco

*Salt Warriors* Paul Cool,2008-01-22 The El Paso Salt War of 1877 has gone down in history as the spontaneous action of a mindless rabble but as author Paul Cool deftly demonstrates the episode was actually an insurgency the product of a deliberate community based decision squarely in the tradition of the American nation s original fight for self government The Paso s local Mexican Americans had held common ownership of the immense salt lakes at the base of the Guadalupe Mountains since the time of Spanish rule They believed their title was confirmed in the treaty of Guadalupe Hidalgo However to the American businessmen who saw in the white expanse a cash crop that could make them rich in the years following the American Civil War ownership appeared up for grabs After years of struggle among Anglo politicians and speculators eager to seize the lakes an Austin banker staked a legal claim in 1877 and his son in law Charles Howard started to enforce it Cool chronicles the ensuing popular uprising that disrupted established governmental authority in El Paso for twelve weeks Unique features of this pioneering book include the author s employment of previously untapped sources and the first thorough and systematic use of familiar ones notably the government report El Paso Troubles in Texas to create this detailed study of the war First person accounts from reports and newspaper items create a landmark day by day account of the San Elizario battle including the location of the Texas Ranger positions This fast paced account not only corrects the record of this historical episode but will also resonate in the context of today s racial and ethnic tensions along the U S Mexico border

*Violent Land* David T. Courtwright,2009-06-01 This book offers an explosive look at violence in America why it is so prevalent and what and who are responsible David Courtwright takes the long view of his subject developing the historical pattern of violence and disorder in this country Where there is violent and disorderly behavior he shows there are plenty of men largely young and single What began in the mining camp and bunkhouse has simply continued in the urban world of today where many young armed intoxicated honor conscious bachelors have reverted to frontier conditions Violent Land combines social science with an engrossing narrative that spans and reinterprets the history of violence and social disorder in America Courtwright focuses on the origins consequences and eventual decline of frontier brutality Though these rough days have passed he points out that the frontier experience still looms large in our national self image and continues to influence the extent and type of violence in America as well as our collective response to it Broadly interdisciplinary looking at the interplay of biological social and historical forces behind the dark side of American life this book offers a disturbing diagnosis of violence in our society
