modernization of Mexico and the American Southwest during the late nineteenth and early twentieth centuries transformed the lives of ethnic Mexicans across the political divide While industrialization urbanization technology privatization and wealth concentration benefitted some many more experienced dislocation exploitative work relations and discrimination based on race gender and class The Mexican Revolution brought these issues to the fore within Mexican society igniting a diaspora to el norte Within the United States similar economic and social power dynamics plagued Tejanos and awaited the war refugees Political activism spearheaded by individuals and organizations such as the Idars Leonor Villegas de Magnán White Cross the Magonista movement the Munguias Emma Tenayuca and LULAC emerged in the borderlands to address the needs of ethnic Mexicans whose lives were shaped by racism patriarchy and poverty As Gabriela Gonzalez shows in this book

economic modernization relied on social hierarchies that were used to justify economic inequities Redeeming la raza was about saving ethnic Mexicans in Texas from a social hierarchy premised on false notions of white supremacy and Mexican inferiority Activists used privileges of class education networks and organizational skills to confront the many injustices that racism bred but they used different strategies Thus the anarcho syndicalist approach of Mag nistas stands in contrast to the social and cultural redemption politics of the Idars who used the press to challenge a Jaime Crow world Also the family promoted the intellectual material and cultural uplift of la raza working to combat negative stereotypes of ethnic Mexicans Similar contrasts can be drawn between the labor activism of Emma Tenayuca and the Munguias whose struggle for rights employed a politics of respectability that encouraged ethnic pride and unity Finally maternal feminist approaches and the politics of citizenship serve as reminders that gendered and nationalist rhetoric and practices foment hierarchies within civil and human rights organizations Redeeming La Raza examines efforts of activists to create a dignified place for ethnic Mexicans in American society by challenging white supremacy and the segregated world it spawned
