The Hand of the Past in Contemporary Southern Politics James M. Glaser, 2008-10-01 div A central story of contemporary southern politics is the emergence of Republican majorities in the region s congressional delegation Acknowledging the significance and scope of the political change James M Glaser argues that nevertheless strands of continuity affect the practice of campaign politics in important ways Strong southern tradition underlies the strategies pursued by the candidates their presentational styles and the psychology of their campaigns The author offers eyewitness accounts of recent congressional campaigns in Texas Mississippi Virginia North Carolina and South Carolina In the tradition of his award winning book Race Campaign Politics and the Realignment in the South Glaser

captures the stuff of politics the characters the images the rhetoric and the scenery Painting a full and fascinating picture of what it is like on the campaign trail Glaser provides wide ranging insights into the ways that the hand of the past reaches into the southern present DIV **The Texas Experiment** William V. Flores,Christina Hughes,Anita Chadha,Gene Preuss,2024-12-11 The Texas Experiment Politics Power and Social Transformation provides an all encompassing view of Texas government Authors William V Flores Christina Hughes Anita Chadha and Gene Preuss bring together the historical and the contemporary the political and the personal to walk students through the state s past present and future Through the book s rich historical narrative that tells the unvarnished story of how Texas came to be depictions of the processes and structure of Texas government and finally insights on shifting demographics we learn that the soul of Texas is multicultural diverse and thriving The Second Edition has been updated through the state s 2023 legislative cycle and what it means for those living in Texas *The Political Dynamics of School Choice* L. Fusarelli,2003-05-15 Lance D Fusarelli examines the relationship between the charter school and voucher issues To what degree does political support for charter schools from a coalition of teacher associations school board groups superintendents and voucher advocates slow or even stop the forces for vouchers Or do these coalitions which successfully pushed charter school legislation through the legislature actually fuel the fires of privatization Charter schools legislation has enjoyed bipartisan support precisely because the threat of vouchers is so great And contrary to the strategy of voucher opponents the spread of charter school increases rather than alleviates the push for vouchers **Campaigns and Political Marketing** Wayne Steger,Sean Kelly,Mark Wrighton,2013-02-01 Understand the theoreticaland practicalaspects of political marketing Over the past few years political marketing strategies have been refined with the help of new findings in political science research Campaigns and Political Marketing clearly discusses the most recent political science research studies and theories that political activists and professionals can apply to effectively campaign for an issue or candidate This text is an invaluable compilation of research theory and practical application from political science experts across the country that guides readers through the complexities of everyday political marketing and campaigning Readers get the critical knowledge needed on how to best affect public viewpoints and gain the strongest advantage over the opposition Campaigns and Political Marketing is packed with information and insights every political activist will find useful It coherently explains the real world of campaign politics and elections presenting the everyday issues that political consultants face in the field all made easily understandable even to the novice This scholarly examination provides lessons that can be effectively applied to just about any situation Political crises and scandals are discussed in detail with research and historical studies that illuminate practical ways to deal with any problem The book is extensively referenced and uses graphs and charts to clearly explain research findings Campaigns and Political Marketing answers these tough questions What is the role of professional campaign consultantsand their value How have the past four presidential elections revised the state presidential vote forecasting equation How does interest groups resource distribution

differ from resource allocation decisions made by candidates organizations and the national political parties How does congressional campaign candidate scheduling differ from legislative candidate scheduling How effective are attack messages in generating media coverage early in a campaign How do political professionals define campaign crises What are the differences in public reaction when a candidate from one or the other of the two major parties is in a scandal How is public opinion affected when tragedy strikes a political candidate Campaigns and Political Marketing is stimulating idea generating reading that is perfect for educators and students in marketing communications and political science practitioners in campaigns and marketing and political activists of all types The Texas Experiment William V. Flores,Christina Hughes,Anita Chadha,Gene Preuss,2023-04-10 The Texas Experiment Politics Power and Social Transformation provides an all encompassing view of Texas government The book brings together the historical and the contemporary the political and the personal to walk students through the state s past present and future **AP U.S. Government and Politics Premium, 2024: 6 Practice Tests + Comprehensive Review + Online Practice** Curt Lader,2023-07-04 Always study with the most up to date prep Look for AP U S Government and Politics Premium 2025 Prep Book with 6 Practice Tests Comprehensive Review Online Practice ISBN 9781506291963 on sale July 2 2024 Publisher s Note Products purchased from third party sellers are not guaranteed by the publisher for quality authenticity or access to any online entities included with the product Political Science Abstracts IFI/Plenum Data Company staff,2013-11-11 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available *The International Relations of California and Texas with Mexico and the World* Jorge A. Schiavon,Rafael Fernández de Castro,2023-05-31 This book analyzes the international relations of Mexico and the two most important sub state governments of the United States California and Texas It explains why and how these two states conduct their international relations IR with Mexico and the world and how national authorities and local governments coordinate in the definition and implementation of their international policies Expert contributors from across the Americas offer a historical and current analysis exploring which areas of cooperation trade investment border cooperation energy migration matter most They also consider the institutional and legal bases of Mexican and U S states international relations the changing nature of the U S federal system the impact on international partners the role of Latinos and the future of paradiplomacy in the region The book will be of interest to scholars and students of International Relations comparative politics diplomacy foreign policy governance and federalism as well as business people social leaders and practitioners of diplomacy and paradiplomacy around the world Judicial Politics in Texas Kyle Cheek,Anthony Champagne,2005 In recent years judicial elections have changed dramatically The elections themselves have become increasingly partisan interest group involvement in judicial races has escalated recent court decisions have freed judicial candidates to speak more openly than ever before about their judicial ideologies and the tenor of judicial campaigns has

departed significantly from what were once low key sleepy affairs This book examines the evolution of the new rough and tumble politics of judicial elections by focusing on Texas a bellwether for the new judicial selection politics in America The Texas experience illustrates what can and usually will go wrong when judges are elected and lays the path for meaningful reforms to stem the tide of the new politics of judicial elections *Lone Star Politics* Ken Collier, Steven Galatas, Julie Harrelson-Stephens, Matthew Newton, 2024-12-26 In Texas myth often clashes with the reality of everyday government Explore the state's rich political tradition and modern transformation with *Lone Star Politics* Often considered the gold standard *Lone Star Politics* provides students with a comprehensive overview of the material while breathing life back into the study of Texas politics Utilizing a comparative approach the authors set Texas in context with other states constitutions policymaking electoral practices and institutions as they delve into the evolution of its politics This gives students a strong sense of why Texas Government is the way it is how it works and just how unique Texas is among its fellow states The highly anticipated Ninth Edition includes a brand new chapter on Texas Media along with the tried and true updates in every chapter that highlight the push pull relationship between the state federal and local governments **A Future for the News** Jim A. Kuypers, 2023-11-15 A Future for the News What's Wrong with Mainstream News Media in America and How to Fix It investigates and offers solutions to significant problems with the productive functioning of the mainstream news media Criticism of the mainstream news media is almost a national pastime in America and widespread polling shows credibility ratings of journalists among the lowest of any institution in America almost as low as that of Congress The institution of news media faces a plummeting morale of journalists loss of readership loss of viewers to competing non traditional venues for news and so on Moving from these problems to realistic solutions this book serves as an instruction manual of sorts with each chapter offering a pathway of improvement This collection brings together academics and news industry professionals with individual chapters taking a specific area of concern and making a case for particular solutions to the problems presented Solutions range from ones designed for individual reporters to consider to those that target newsrooms the institution of journalism and news consuming audiences Together they aim to help a beleaguered institution restore itself as a fully functioning asset of the American Republic Contributors Abe Aamidor Brent Baker Alex Christy Jennifer Cox Michelle Ferrier John Gable Katherine Haenschen Michael Horning Michael Max Knorpp Jim A Kuypers Serena Miller Cayce Myers Stephen D Perry Soo Young Shin Benjamin Voth Adriel Warren Elite Statecraft and Election Administration T. James, 2012-07-31 The way in which elections are run is changing as radical reforms or experiments have been introduced across the world This book establishes why election administration might be used by political elites to win and maintain power It identifies the role of elite interests in shaping election administration in USA UK and Ireland *The Politics of Space Security* James Moltz, 2011-06-29 The past five decades have witnessed often fierce international rivalry in space but also surprising military restraint Now with an increasing number of countries capable of harming U S space assets experts and officials have

renewed a long standing debate over the best route to space security Some argue that space defenses will be needed to protect critical military and civilian satellites Others argue that space should be a sanctuary from deployed weapons and military conflict particularly given the worsening threat posed by orbital space debris Moltz puts this debate into historical context by explaining the main trends in military space developments since Sputnik their underlying causes and the factors that are likely to influence their future course This new edition provides analysis of the Obama administration s space policy and the rise of new actors including China India and Iran His conclusion offers a unique perspective on the mutual risks militaries face in space and the need for all countries to commit to interdependent environmentally focused space security
