Copyright Office,1960 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June      Beware the Poetry Javier Castro-Ibaseta,2025-03-18 In the early seventeenth century Spanish rulers were confronted by an avalanche of political satires Beware the Poetry shows how these poetic libels helped articulate an early form of the public sphere profoundly transforming political culture Exploring a rich trove of mostly anonymous satirical works together with newsletters sermons and plays Javier Castro Ibaseta reconstructs the experiences of Madrilenians during the reigns of Philip III and Philip IV Castro Ibaseta proposes an original theory of political publics that corrects approaches that assume early modern Spain's public sphere mirrored the politics of England or France Instead he shows that in Spain publicness was distinct because the satires about the king's favorite and even about the king himself were consumed for pleasure and entertainment They did not create political communities or stir rebellious movements Read diachronically the long continuous evolving collection of satires reveals not just the opinions of the poets but something far more difficult to reconstruct the shifting demands interests uncertainties and worldviews of the audience that is the structure and dynamics of Madrid's emerging public sphere Applying an interdisciplinary approach of literary criticism and historical method Beware the Poetry presents an exciting new take on politics and poetry during the period often referred to as the Spanish Decadence It will be of special interest to scholars of early modern politics and Spanish literature and culture

Barca,1989      *Quevedo en la redoma.* Antonio Carreira,2021-11-17 Quevedo en la redoma es una recopilación de trabajos poco ortodoxos escritos por un filólogo Su trabajo tomado del primer capítulo pretende englobar el caso peregrino de un escritor tan dotado para la prosa como para el verso que sin embargo mantuvo su obra poética en un segundo plano y le dedicó una atención muy desigual Varios capítulos analizan ese afán por acrecer el caudal poético antes que por mantener su nivel elevado algo visible sobre todo en los temas amoroso y religioso es decir aquellos que cuentan con amplios precedentes en otros como las jarras el autor deja más libre su imaginación y alcanza cotas muy altas La circulación de la poesía quevedesca con frecuencia anímica tardía e incontrolada dio lugar a colaboraciones espontáneas que a veces son simples remedios no exentos de ingenio y esperan más todos más seguros para establecer o descartar su autenticidad El libro donde no faltan juicios de valor que siempre se procuran justificar ofrece un punto de vista algo diferente del acostumbrado por los quevedistas de

oficio y en eso puede radicar su inter s     **La tradición manuscrita de los Sueños de Quevedo y la primera edición**  
James O. Crosby,2005 Annotation Between 1605 and 1621 Quevedo wrote a sequence of five Dreams or Visions Suenos y discursos in each of which he hilariously envisions Spanish society as populated by people rightfully condemned to Hell These astonishingly witty and irreverent satires of contemporary Spanish culture morality prejudice and religious fanaticism were composed in a style as allusive elliptical and equivocal as to successfully entertain both those who barely understood their full range and import and others who celebrated the poet s rebellious insinuations Censorship prohibited the publication of such satire in its original form but hundreds of copies were made by hand and circulated widely In 1993 a critical edition of all of the surviving manuscripts was published Crosby s work compares this version with all of the 43 extant manuscripts and for the first time identifies those groups of manuscripts from which the publishers of the first edition derived their text This text can now be seen as a version not only censored but corrupted successively by copyists and editors who did not understand Quevedo s satire The result is hardly what Spain s most famous satirist originally wrote     Guia bibliográfica para el estudio crítico de Quevedo James O.
