The Epistles to the Colossians, to Philemon, and to the Ephesians F. F. Bruce, Frederick Fyvie Bruce, 1984-10-23 F F Bruce's study of the Epistles to the Colossians to Philemon and to the Ephesians constitute a single volume in The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and scholarly while faithful to the infallible Word of God The Epistle to the Colossians Hamilton Smith, 2009-06 Hamilton Smith 1862-1943 born in Barnes Surrey started work in the office of his uncle's building firm By 1901 married and with a young family he had retired from the building trade and entered full time upon the task of building up the church of God His personal ministry was delivered in the United Kingdom but his written ministry is still read worldwide Along with H P Barker A J Pollock J T Mawson and F B Hole he frequently contributed articles to Scripture Truth magazine many of which were later published in books by the Central Bible Truth Depot His written expositions of Scripture are brief in keeping with a desire to be nothing and to give Christ all the glory Yet they are clear and very much to the point We are to speak as those who by grace know the certainty of the truth they proclaim He is probably best known for his Old Testament character studies and New Testament outlines The present volume consists of a verse by verse study of the Epistle to the Colossians with its practical instruction for the body of Christ on earth linked to its Head in heaven **The Epistle to the Colossians** Roy Yates, 1993 This series of biblical commentaries is the first to be based on the Revised English Bible and incorporates the most recent research into both Old and New Testament books Written by experienced scholars for the use of ministers preachers teachers students and church leaders they relate the texts in their ancient settings to the needs of Christians in a multi racial multi faith society The Epistles to the Colossians and Philemon Handley C.G. Moule, 2015-01-07 H C G Moule 1841-1920 evangelical Anglican bishop and academic was one of the foremost New Testament scholars in the Church of England in the late nineteenth and early twentieth centuries The author of more than sixty books and pamphlets Moule followed in the English scholar bishop tradition of Lightfoot and Westcott

The Epistles to the Colossians and to Philemon Handley Carr Glyn Moule, 1893 **The Epistles to the Colossians and to Philemon** James D. G. Dunn, 2014-10-16 In this volume in the celebrated New International Greek Testament Commentary series James D G Dunn author of numerous well received works on the historical origin and theological interpretation of the New Testament provides detailed expositions of the text of Paul's letters to the Colossians and to Philemon Dunn examines each of these letters within the context of the Jewish and Hellenistic cultures in the first century and he discusses the place of Colossians and Philemon in the relationship between the Pauline mission and the early churches that received these letters He places particular stress on the role of faith in Jesus Christ within and over against Judaism and on the counsel of these two important letters with regard to the shaping of human relationships in the community of faith **The Epistles to the Colossians and to Philemon** Handley Carr Glyn Moule, 1893 **Paul and the**

Intellectuals A. T. Robertson, 1928 Paul did not follow the Judaizers into ceremonialism or the Gnostics into philosophic stupidities When Gnosticism lifted its head in the Lycus Valley Paul smote it though a prisoner in Rome He could not endure to see the glory of Jesus Christ obscured by the mist and fog of Gnosticism The Epistle to the Colossians is the body blow against the early stages of this heresy that has never wholly disappeared The Epistle to the Colossians is a short one but tremendous in its depth and height its scope and grasp Preface

St. Paul's Epistles to the Colossians and Philemon J. B. Lightfoot, 2022-09-04 In St Paul's Epistles to the Colossians and Philemon J B Lightfoot presents an exhaustive scholarly analysis of two pivotal letters from the New Testament combining meticulous textual examination with rich historical context Through his celebrated Pauline analysis Lightfoot delves deeply into the theological intricacies of Colossians highlighting themes such as Christ's supremacy and the nature of the Church while also addressing the personal and social dynamics evident in Philemon His literary style is characterized by clarity and precision with an encyclopedic approach that incorporates linguistic historical and theological insights making the work not only a commentary but also a synthesis of early Christian thought and its implications for contemporary faith narratives J B Lightfoot was a renowned biblical scholar and theologian whose extensive studies in early Christianity positioned him as a leading figure in Victorian religious discourse His academic background particularly in classical literature and early Church history profoundly influenced his interpretation of scripture Lightfoot's commitment to illuminating the context of the Pauline letters stems from his interest in the intersection of theological precision and pastoral care which drives the relevance of his scholarship This book is essential for theology students clergy and lay readers alike who seek a deeper understanding of the Apostle Paul's correspondence with early Christians Lightfoot's work invites readers to engage not only with the text but also with the socio-historical realities of the early Christian community making it a vital resource for anyone interested in the foundations of Christian thought and the enduring challenges of faith

The Epistle to the Colossians Commentary Series Dr Terrance Jenkins, 2021-03-10 This is a verse by verse commentary and at times phrase by phrase commentary on an Epistle that the Apostle Paul wrote to the Colossian Church to encourage the believers and teach them how to combat the false teaching of Gnosticism In correcting this false teaching the Apostle puts special emphasis on the fact that Christ is the Head of His Church It is not man's church it is the Church of Christ for He said Upon this Rock speaking of Himself I will build my Church ekklesia and the forces of darkness shall not prevail against it Matthew 16:18 For those who want to be picky and say that the word church is not in the Bible I would say you are correct because the Bible was not written in English and church is an English word The Greek word is ekklesia translated as church which also is an incorrect translation Jesus didn't build something material nor even something institutional Ekklesia does NOT

refer to facility building temple house or anything of the sort Neither does it mean organization institution community center or anything of that manner The correct translation of the Greek word ekklesia is called out ones This one was crafted in the Spirit as a body of His living temple the Saints 2 Corinthians 6 16 In other words Matthew 16 18 refers to the saints assembled It is an organism not an organization and its facility and Christ is the Head of that organism *The First Epistle to the Colossians* Hamilton Smith,2011 **The Epistles to the Colossians and to Philemon**,1906 **St. Paul's Epistles to the Colossians and Philemon** J. B. LIGHTFOOT,2024-05-08 We did not include the introduction Only the notes verse by verse are included We now have a table of contents for each verse We have added Greek English Interlinear so English readers with little knowledge of Greek can follow Lightfoot s exposition of the Greek text This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in pdf and epub formats in the same form as it was originally first published in 1876 Hence any marks or annotations seen are left intentionally to preserve their true nature

An Exposition of the Epistle of St. Paul to the Colossians John Davenant,Josiah Allport,1832 **The Epistle to the Colossians** G. W. Garrod,2017-12-18 Excerpt from The Epistle to the Colossians Analysis and Examination Notes Visit of Epaphras From time to time during his imprisonment St Paul would receive visitors from distant churches some perhaps coming on other business to the great metropolis Of the world some sent for by the Apostle himself some coming with messages of inquiry One such visitor was Epaphroditus who brought affectionate gifts from the Philippian Church phil Iv And who took back with him the Epistle to the Philippians Another was Epaphras who came with disturbing tidings respect ing some of the churches of proconsular Asia A serious heresy partly of Jewish partly of Gentile origin and character see p 9 was threatening the Church at Colossae and possibly neighbouring churches also Epa phras came apparently to lay the matter before the Apostle and to ask his advice He was himself a Colossian iv And had been the Apostle s agent in founding the Church at his native city i He had ever striven fervently for its welfare iv 12 13 his work had hitherto met with a certain amount of success for the Christians at Colossae were well organized and had so far been stedfast in faith ii Conversion of Onesimus At the same time another Colossian had found his way to Rome and to St Paul viz Onesimus the runaway slave of Philemon a wealthy Christian at Colossae who was himself a very dear friend Of the Apostle to whom indeed he owed his conversion How Onesimus was drawn to St Paul we do not know Possibly he had seen the Apostle in earlier days when Philemon had visited Ephesus In any case the present encounter led to Onesimus being taught by St Paul and transformed from a good for nothing Slave into a faithful and beloved brother lightfoot He becamea valuable attendant upon the Apostle but his old master had legal rights which St Paul was too honourable to refuse to recognize and the question with him was how to send Onesimus back to his master without fear of his receiving severe punishment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a
