

Esoteric Easter

To understand the esoteric significance of Easter we need to place Easter within a broader context. Easter falls at the full moon of Aries and esoterically considered is the first of a series of twelve Solar Fire or Full Moon Festivals that constitute the energetic year. There are three major spiritual Festivals which make up the high point in the annual cycle. These are the Festival of Easter at the full moon of Aries, the Festival of Wesak at the Taurus full moon, and the festival of Goodwill at the Gemini full moon. Through the steady meditative efforts of individuals and groups around the world these subjective energies are being anchored in the consciousness of humanity. They offer an approach to the Divine, to the Greater Life, to God — call it what you will.
