The Eucharist Today Studies On Series 3:

Anamnesis and the Eucharist Revd Dr Julie Gittoes, 2013-05-28 Engaging with contemporary Anglican theology of the Eucharist through the concept of anamnesis this book seeks to enrich the Church's understanding of transformation and mission Eucharistic theology finds its place in the midst of much contemporary Anglican theology but little attention has been given to the interrelationship between mission and the Eucharist Julie Gittoes engages with the work of David Ford Rowan Williams and Catherine Pickstock who share a common concern to engage with the way in which the Eucharist shapes the life of the worshipping community as the body of Christ Focusing on the concept of anamnesis remembrance or memorial Gittoes highlights a language of connection in the way in which anamnesis describes the integration of historical sacramental and ecclesial embodiments of Christ The Eucharist looks back to the saving events of Christ's life death and resurrection through it the Church is nourished with the body of Christ participating in it anticipates the eschatological fulfilment of the Kingdom This book explores the connection between the source event of the Church's life and the transformative encounter with Christ in the Eucharist the effects of which are seen in social ethical political action and the Church's mission

Taking the Long View Colin Buchanan, 2006 This is a fairly personal book It records 40 years of cut and thrust in the Church of England's General Synod and kindred bodies as I have seen it experienced it and on occasion handed it out myself Much is told from my personal standpoint and the selection of themes derives my own involvement It is not autobiography but an attempt as in my other writings at accurate journalism Oh yes and remember I am not telling it the way it was No one on earth can do that I am telling it the way I have found it Colin Buchanan from the introduction to *Taking the Long View* Born in 1934 Bishop Colin received his MA from Lincoln College Oxford and trained for the ministry at Tyndale Hall Bristol He served as curate at Cheadle Chester Diocese from 1961 to 1964 He then went as tutor to the London College of Divinity which moved to Nottingham in 1970 and became St John's College He became Principal of St John's in 1979 and was an Honorary Canon of Southwell Minster from 1981-85 He received a DD from Lambeth in 1993 He became an Assistant Bishop in Rochester in 1989 and then Vicar of Gillingham St Mark from 1991-96 He was elected by the Nottinghamshire clergy to become a founder member of General Synod and was later elected by the suffragans of the Province of Canterbury to be one of their six representatives in the House of Bishops Bishop Colin is well known for his work on liturgy and has published extensively on the subject and others He founded the Grove Booklet Series He still writes booklets for this series and edits the semi-official Anglican monthly *News of Liturgy* He was a member of the General Synod's Liturgical Commission 1964-86 and was one of the architects of the ASB He drafted the Church of England report on the Charismatic Movement 1981 and served on The Doctrine Commission 1986-91 He was one of those responsible for the report *We believe in the Holy Spirit* 1991 *Did the Anglicans and Roman Catholics Agree on the Eucharist?* Colin Buchanan, 2018-10-17 Fifty two years ago in 1966 Archbishop Michael Ramsey of Canterbury visited Rome and agreed with the Pope to inaugurate an Anglican Roman

Catholic theological dialogue Three phases of the Anglican Roman Catholic International Commission ARCIC resulted and continue to this day ARCIC I agreed on a statement on Eucharistic Doctrine in 1971 and an Elucidation of it in 1979 The Vatican declined full endorsement of these and in 1994 ARCIC II produced Clarifications of them which the Vatican accepted as sufficient Colin Buchanan who himself published the 1971 Statement in England has followed the international dialogue closely since 1971 He here prints all the relevant texts and examines in detail the attempted reconciling of traditional Roman Catholic eucharistic belief and Anglican reformed doctrine His study includes Apostolicae curae and Malines and in the modern era follows public and synodical debate and the question of reception Three unprecedented unique features are first a diachronic study of the one doctrine second a fair regard for reformed Anglican beliefs and third a relating of dogmatic theology to eucharistic liturgy The history prompts the question that forms the book's title and close following of that history also provides the answer *Doxology: A Systematic Theology* Geoffrey Wainwright, 1984 Described by the author as A systematic theology from a liturgical perspective or a theology of worship

The Scandal of Sacramentality Brannon Hancock, 2014-03-17 The sacrament par excellence the Eucharist has been upheld as the foundational sacrament of Christ's Body called Church yet it has confounded Christian thinking and practice throughout history Its symbolism points to the paradox of the incarnation death and resurrection of God in Jesus of Nazareth which St Paul describes as a stumbling block skandalon Yet the scandal of sacramentality not only illustrated by but enacted in the Eucharist has not been sufficiently accounted for in the ecclesiologies and sacramental theologies of the Christian tradition Despite what appears to be an increasingly post ecclesial world sacrament remains a persistent theme in contemporary culture often in places least expected Drawing upon the biblical image of the Word made flesh this interdisciplinary study examines the scandal of sacramentality along the twofold thematic of the scandal of language word and the scandal of the body flesh While sacred theology can think through this scandal only at significant risk to its own stability the fictional discourses of literature and the arts are free to explore this scandal in a manner that simultaneously augments and challenges traditional notions of sacrament and sacramentality and by extension what it means to describe the Church as a eucharistic community

The Eucharist Today Ronald Claud Dudley Jasper, 1974-01-01 Of Thine Own Have We Given Thee Shawn O. Strout, 2024-01-01 Every Sunday around the world Christians offer money and in kind gifts to the church traditionally known as alms This act produces questions about what it means to offer God a gift when God has offered humanity the greatest gift in Jesus Christ or the balance of favour or gratitude in the giving of these gifts These very questions and more have had a significant influence on the liturgy particularly in the offertory within Anglicanism In *Of Thine Own Have We Given Thee* Shawn O Strout provides a comprehensive analysis of the offertory rites including in his analysis other churches within the Anglican Communion beyond the Church of England Ordered historically the book encompasses the sixteenth century through to current times scrutinising the offertory and oblationary changes throughout their religious and historical contexts Strout argues that the

development of oblation in the offertory was neither arbitrary nor episodic but rather the result of sustained theological tension Using liturgical theology's tools of historical textual and contextual analyses the book examines why these developments occurred and their importance for the church today Evangelical Eucharistic Thought in the Church of England Christopher J. Cocksworth, 1993-01-14 This book studies the way the central act of Christian worship variously known as the Eucharist the Lord's Supper the Holy Communion and the Mass has been treated in the thought and practice of the Evangelical tradition in the Church of England Evangelicals are not associated with an emphasis on the Eucharist and Dr Cocksworth's study is important and potentially very influential because it demonstrates that at its times of strength the Evangelical tradition has held the Eucharist in the highest regard **Readings in the Canon of Scripture** D.

Jasper, 1995-06-02 Beginning with the insights of the canonical criticism of Brevard Childs and James Sanders this book explores the canon of the Bible through readings in literature art and cinema It places the Bible within the concerns of contemporary feminist thought postmodern anxiety and modern apocalyptic It returns us to a sense of the centrality of the Biblical canon in the present of critical thought and popular culture expanding the notion of reading to picture and film

The Language of Liturgy David Jasper, 2025-01-28 How language works in the worship of the church has been vigorously debated during the period of liturgical revision in the twentieth century coming at the end of what is known as the Liturgical Movement Focussing upon the Church of England and the Anglican tradition this book traces the history of liturgical language as it begins in the early Church but with particular emphasis upon the English Reformation liturgies their background in the medieval Church and literature and their long and varied life in the Church of England after 1662 Interdisciplinary in scope yet rooted in a literary approach the volume provides a rigorous study of the effect of liturgy upon the theological and devotional life of the Church
