The Fall And Rise Of Jimmy Hoffa:

The Fall and Rise of Jimmy Hoffa Walter Sheridan,1972 An investigative reporter reveals the results of the 15 year federal investigation that brought about Hoffa s conviction and details the maneuvers which led to President Nixon s grant of Executive Clemency

The Fall and Rise of Jimmy Hoffa by Walter Sheridan Walter Sheridan,1972 *Hoffa in Tennessee* Maury Nicely,2024-01-12 By the early 1960s Jimmy Hoffa had a stranglehold on the presidency of the Teamsters Union However his nemesis Attorney General Robert F Kennedy was convinced that Hoffa was a corrupt force whose heavy handed influence over the union threatened the nation As Attorney General Kennedy established a Get Hoffa Squad that set out to unearth criminal wrongdoing by the labor leader in order to remove him from power A number of criminal trials in the 1950s and early 1960s resulted in not guilty verdicts for Hoffa Matters would finally come to head in Chattanooga Tennessee in a climatic but often overlooked historical moment chronicled by Maury Nicely in this engrossing book After a Christmastime 1962 acquittal in Nashville of charges that Hoffa had illegally received funds from a trucking company in exchange for settling a costly strike it was discovered that several attempts had been made to bribe jurors Fresh charges of jury tampering in that case were quickly filed against Hoffa and five others Moved to Chattanooga the new trial was held before a young relatively untested federal judge named Frank Wilson The six week courtroom conflict would devolve into a virtual slugfest in which the defense team felt was necessary to turn its ire against Wilson hoping to provoke an error and cause a mistrial As Nicely shows in vivid detail Hoffa s Chattanooga trial became the story of a lone embattled judge struggling mightily to control a legal proceeding that teetered on the edge of bedlam threatening to spin out of control In the end Hoffa was convicted an extraordinary change of fortune that presaged his downfall and mysterious disappearance a decade later In examining how justice prevailed in the face of a battering assault on the judicial system Hoffa in Tennessee demonstrates how a Chattanooga courtroom became a crucial tipping point in Jimmy Hoffa s career the beginning of the end for a man long perceived as indomitable

Secret Societies and Clubs in American History David Luhrssen,2015-09-09 Grounded in extensive historical research this eye opening survey reveals the long undervalued role secret societies have played in American history Americans are fascinated by secret societies and have devoured exaggerated claims for their influence At the same time scholarly assessments of covert groups that have shaped American social cultural and political history have often undervalued their role or even questioned their existence This survey challenges both the exaggerators and the deniers Freemasons They may not be the hidden rulers of the world but a significant number of America s founders were Masons The Know Nothings Two American presidents joined the movement The Bohemian Grove Republican politicians and corporate leaders really did engage in strange behavior under the redwood trees through the 20th century Revealing fascinating facts about some of the most talked about covert societies including the Mafia the Skull and Bones and the Ku Klux Klan *Secret Societies and Clubs in American History* exposes the truth about the subcultures that made their mark on

some of the most important events in the nation's history and contributed to the shaping of the country itself

Walter Reuther Nelson Lichtenstein, 1997 Walter Reuther the most imaginative and powerful trade union leader of the past half century confronted the same problems facing millions of working Americans today how to use the spectacular productivity of our economy to sustain and improve the standard of living and security of ordinary Americans As Nelson Lichtenstein observes Reuther the president of the United Automobile Workers from 1946 to 1970 may not have had all the answers but at least he was asking the right

questions *The Most Dangerous Man in Detroit* vividly recounts Reuther's remarkable ascent his days as a skilled worker at Henry Ford's great River Rouge complex his two year odyssey in the Soviet Union's infant auto industry in the early 1930s and his immersion in the violent labor upheavals of the late 1930s that gave rise to the CIO Under Reuther the autoworkers standard of living doubled Publisher's description

Vendetta James Neff, 2025-05-01 One of America's greatest investigative reporters brings to life the gripping no holds barred clash of two American titans Robert Kennedy and his nemesis Jimmy Hoffa From 1957 to 1964 Robert Kennedy and Jimmy Hoffa channeled nearly all of their considerable powers into destroying each other Kennedy's battle with Hoffa burst into the public consciousness with the 1957 Senate Rackets Committee hearings and intensified when his brother named him attorney general in 1961 RFK put together a Get Hoffa squad within the Justice Department devoted to destroying one man But Hoffa with nearly unlimited Teamster funds was not about to roll over Drawing upon a treasure trove of previously secret and undisclosed documents James Neff has crafted a brilliant heart pounding epic of crime and punishment a saga of venom and relentlessness and two men willing to do anything to demolish each other

Mobbed Up James Neff, 2015-04-07 The spellbinding saga of Teamster boss Jackie Presser's rise and fall In his rise from car thief to president of America's largest labor union Jackie Presser used every ounce of his street smarts and rough edged charisma to get ahead He also had a lot of help along the way not just from his father Bill Presser a Teamster power broker and thrice convicted labor racketeer but also from the Mob and the FBI At the same time that he was taking orders from the Cleveland Mafia and New York crime boss Fat Tony Salerno Presser was serving as the FBI's top informant on organized crime Meticulously researched and dramatically told *Mobbed Up* is the story of Presser's precarious balancing act with the Teamsters the Mafia and the Justice Department Drawing on thousands of pages of classified files James Neff follows the trail of greed corruption and hubris all the way to the Nixon and Reagan White Houses where Bill and Jackie Presser were treated as valued friends Winner of an Investigative Reporters Editors Award for best reporting on organized crime it is a tale too astonishing to be made up and too troubling to be ignored
