

THE HARP THAT ONCE—

A Chronicle of the Life of Thomas Moore

HOWARD MUMFORD KINES

Thomas Moore has no real story. A fine picture would hardly be obtained by looking at the life of this extraordinary man, and the picture of his life, and the life of his people, with which, in the end, it is all one, is the only one that can be made.

The Harp That Once A Chronicle Of The Life Of Thomas Moore:

The Harp that Once Howard Mumford Jones,1937 Thomas Moore and Romantic Inspiration Sarah McCleave,Brian G. Caraher,2017-08-18 Written by internationally established scholars of Thomas Moore s music poetry and prose writing Thomas Moore and Romantic Inspiration is a collection of twelve essays and a timely response to significant new biographical historiographical and editorial work on Moore This collection reflects the rich variety of cutting edge work being done on this significant and prolific figure Sarah McCleave and Brian Caraher have contributed an introduction that positions Moore in his own time 1800 1850 addresses subsequent neglect in the twentieth century and contextualises the contemporary re evaluation of Thomas Moore as a figure of considerable interdisciplinary artistic and cultural significance The contributions to this collection establish Moore s importance in the fields of Neoclassical and Romantic lyricism musical performance song writing postcolonial criticism Orientalism and biographical writing as well as defining the significance of his voice as an engaged social and political commentator of a strongly cosmopolitan and pluralistic inclination **The Broadview Anthology of Literature of the Revolutionary Period 1770-1832** ,2010 *The Broadview Anthology of Literature of the Revolutionary Period 1770-1832* D.L. Macdonald,Anne McWhir,2010-03-04 The selections from 132 authors in this anthology represent gender social class and racial and national origin as inclusively as possible providing both greater context for canonical works and a sense of the era s richness and diversity In terms of genre poetry non fiction prose philosophy educational writing and prose fiction are included Geographically America Canada Australia India and Africa are represented along with Britain emphasizing Romantic literature as a world literature Biographical headnotes explanatory footnotes and an extensive bibliography clarify and illuminate the texts for readers **The Cambridge Companion to Irish Poets** Gerald Dawe,2018 A fresh accessible and authoritative study that conveys the richness and diversity of Irish poets their lives and times "The Given Note" Seán Crosson,2021-02-03 The oldest records indicate that the performance of poetry in Gaelic Ireland was normally accompanied by music providing a point of continuity with past tradition while bolstering a sense of community in the present Music would also offer particularly for poets writing in English from the eighteenth century onwards a perceived authenticity a connection with an older tradition perceived as being untarnished by linguistic and cultural division While providing an innovative analysis of theoretical work in music and literary studies this book examines how traditional Irish music including the related song tradition primarily in Irish has influenced and is apparent in the work of Irish poets While looking generally at where this influence is evident historically and in contemporary Irish poetry this work focuses primarily on the work of six poets three who write in English and three who write primarily in the Irish language Thomas Kinsella Seamus Heaney Ciaran Carson Gear id Mac Lochlainn Nuala N Dhomhnaill and Cathal Searcaigh **Irish Orientalism** Joseph Lennon,2008-08-04 Centuries before W B Yeats wove Indian Japanese and Irish forms together in his poetry and plays Irish writers found kinships in Asian and West Asian cultures This book maps the

unacknowledged discourse of Irish Orientalism within Ireland's complex colonial heritage **From Castle Rackrent to Castle Dracula** Paul E. H. Davis, 2011 Paul E H Davis and the Irish Land Question In his challenging new book Paul E H Davis offers an entirely new critique of how novelists in nineteenth century Ireland had to act both as writers and historians in their attempts to find a solution to what became the Irish Land Question Challenging the widely held nationalist view that Irish novelists of this period had little or nothing to offer Davis slots these castaway novelists into a new identifiable category the agrarian novelists The book is divided into three parts Part One considers novelists writing between the Union and the Famine Maria Edgeworth Gerald Griffin John and Michael Banim and William Carleton Part Two looks at how the agrarian novel emigrates with reference to the novels of Charles Kickham and to the Irish novels of Anthony Trollope Part Three considers how some agrarian novelists specifically Thomas Moore and Bram Stoker felt the solution lay not in the real world but in the world of fantasy An exceptional book on why the agrarian novelists deserve to be valued for their unique perception of Ireland in the nineteenth century **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December American Popular Music and Its Business the late Russell Sanjek, 1988-07-28 Volume two of this three volume work concentrates exclusively on music activity in the United States in the 19th century *The Disappointed Bridge* Richard Pine, 2014-06-02 This original study is the first major critical appraisal of Ireland's post colonial experience in relation to that of other emergent nations The parallels between Ireland India Latin America Africa and Europe establish bridges in literary and musical contexts which offer a unique insight into independence and freedom and the ways in which they are articulated by emergent nations They explore the master servant relationship the functions of narrative and the concepts of nationalism map making exile schizophrenia hybridity magical realism and disillusion The author offers many incisive answers to the question What happens to an emerging nation after it has emerged Scottish and Irish Romanticism Murray Pittock, 2011-05-19 Scottish and Irish Romanticism is the first single author book to address the main non English Romanticisms of the British Isles Murray Pittock begins by questioning the terms of his chosen title as he searches for a definition of Romanticism and for the meaning of national literature He proposes certain determining triggers for the recognition of the presence of a national literature and also deals with two major problems which are holding back the development of a new and broader understanding of British Isles Romanticisms the survival of outdated assumptions in ostensibly more modern paradigms and a lack of understanding of the full range of dialogues and relationships across the literatures of these islands The theorists whose works chiefly inform the book are Bakhtin Fanon and Habermas although they do not define its arguments and an alertness to the ways in which other literary theories inform each other is present throughout the book Pittock examines in turn the historiography prejudices and assumptions of Romantic criticism to date and how our unexamined prejudices still stand in the way of our understanding of individual traditions and the dialogues

between them He then considers Allan Ramsay's role in song collecting hybridizing high cultural genres with broadside forms creating in synthetic Scots a language really used by men and promoting a domestic public sphere Chapters 3 and 4 discuss the Scottish and Irish public spheres in the later eighteenth century together with the struggle for control over national pasts and the development of the cults of Romance the Picturesque and Sentiment Macpherson Thomson Owenson and Moore are among the writers discussed Chapter 5 explores the work of Robert Fergusson and his contemporaries in both Scotland and Ireland examining questions of literary hybridity across not only national but also linguistic borders while Chapter 6 provides a brief literary history of Burns descent into critical neglect combined with a revaluation of his poetry in the light of the general argument of the book Chapter 7 analyzes the complexities of the linguistic and cultural politics of the national tale in Ireland through the work of Maria Edgeworth while the following chapter considers of Scott in relation to the national tale Enlightenment historiography and the European nationalities question Chapter 9 looks at the importance of the Gothic in Scottish and Irish Romanticism particularly in the work of James Hogg and Charles Maturin while Chapter 10 Fratriotism explores a new concept in the manner in which Scottish and Irish literary political and military figures of the period related to Empire

Lucia C. Stanton, 2012 Our perception of life at Monticello has changed dramatically over the past quarter century The image of an estate presided over by a benevolent Thomas Jefferson has given way to a more complex view of Monticello as a working plantation the success of which was made possible by the work of slaves At the center of this transition has been the work of Lucia C. Stanton recognized as the leading interpreter of Jefferson's life as a planter and master and of the lives of his slaves and their descendants This volume represents the first attempt to pull together Stanton's most important writings on slavery at Monticello and beyond Stanton's pioneering work deepened our understanding of Jefferson without demonizing him But perhaps even more important is the light her writings have shed on the lives of the slaves at Monticello Her detailed reconstruction for modern readers of slaves' lives vividly reveals their active roles in the creation of Monticello and a dynamic community previously unimagined The essays collected here address a rich variety of topics from family histories including the Hemingses to the temporary slave community at Jefferson's White House to stories of former slaves' lives after Monticello Each piece is characterized by Stanton's deep knowledge of her subject and by her determination to do justice to both Jefferson and his slaves Published in association with the Thomas Jefferson Foundation **From Song to**

Print T. Hoagwood, 2010-03-01 From Song to Print is a study of the major cultural transition from oral forms of art and discourse to the commercial culture of print that happened during the Industrial Revolution Through a discussion of ancient musical forms classical biblical and early modern poetry of song this book explores the typographical simulation of music and oral poetry during the nineteenth century Original and innovative this work shows how the musical writings of Romantic poets such as Wordsworth Coleridge Byron and Keats evoke antique cultures and ancient settings while offering a critique of their own imitative forms and the modern commercial context in which they appear A New History of Ireland, Volume VI
