The Hermits Second Edition

Judd E. Hollander

The Hermits Second Edition:

The Broadview Anthology of British Literature, Second Edition , **Benedictine Monachism, Second Edition** Cuthbert Butler, 2005-10-07 St Benedict's Rule has been one of the great facts in the history of western Europe and its influence and effects are with us to this day This being so it is surely strange that as I believe the Rule has never yet been made the object of an historical study setting forth on an extended scale its principles and its working Commentaries there are explaining it chapter by chapter but so far as I know there is no systematic exposition of what may be called the philosophy the theory of the Benedictine rule and life no explanation of the Benedictine spirit and tradition in regard either to its inner life or its outward manifestations The present volume is an effort to supply this want It consists of a connected series of essays covering the most important aspects of Benedictine life and activities It is addressed of course primarily to Benedictines but it should appeal to wider circles to students of the history of religion and civilisation in western Europe as an account of one of the most potent factors in the formation of our modern Europe during a long and important phase of its growth and also in a special way to those scholars and students who hold the Benedictine name in veneration from the Preface

The Hermit in the Garden Gordon Campbell, 2013-03-28 Tracing its distant origins to the villa of the Roman emperor Hadrian in the second century AD the eccentric phenomenon of the ornamental hermit enjoyed its heyday in the England of the eighteenth century It was at this time that it became highly fashionable for owners of country estates to commission architectural follies for their landscape gardens These follies often included hermitages many of which still survive often in a ruined state Landowners peopled their hermitages either with imaginary hermits or with real hermits in some cases the landowner even became his own hermit Those who took employment as garden hermits were typically required to refrain from cutting their hair or washing and some were dressed as druids Unlike the hermits of the Middle Ages these were wholly secular hermits products of the eighteenth century fondness for pleasing melancholy Although the fashion for them had fizzled out by the end of the eighteenth century they had left their indelible mark on both the literature as well as the gardens of the period And as Gordon Campbell shows they live on in the art literature and drama of our own day as well as in the figure of the modern day garden gnome This engaging and generously illustrated book takes the reader on a journey that is at once illuminating and whimsical both through the history of the ornamental hermit and also around the sites of many of the surviving hermitages themselves which remain scattered throughout England Scotland and Ireland And for the real enthusiast there is even a comprehensive checklist enabling avid hermitage hunters to locate their prey

The Broadview Anthology of British Literature: Concise Volume A - Second Edition Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Roy Liuzza, Jerome J. McGann, Anne Lake Prescott, Barry V. Qualls, Claire Waters, 2011-09-08 In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light Fully grounded in sound literary and historical scholarship the anthology takes a fresh approach to many canonical authors and

includes a wide selection of work by lesser known writers The anthology also provides wide ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race gender class and sexual orientation It includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background It features accessible and engaging headnotes for all authors extensive explanatory annotations and an unparalleled number of illustrations and contextual materials Innovative authoritative and comprehensive The Broadview Anthology of British Literature has established itself as a leader in the field The full anthology comprises six bound volumes together with an extensive website component the latter has been edited annotated and designed according to the same high standards as the bound book component of the anthology and is accessible by using the passcode obtained with the purchase of one or more of the bound volumes The two volume Broadview Anthology of British Literature Concise Edition provides an attractive alternative to the full six volume anthology Though much more compact the concise edition nevertheless provides instructors with substantial choice offering both a strong selection of canonical authors and a sampling of lesser known works With an unparalleled number of illustrations and contextual materials accessible and engaging introductions and full explanatory annotations the concise edition of this acclaimed Broadview anthology provides focused yet wide ranging coverage for British literature survey courses The second edition of this volume includes Chaucer's *To Rosamond* an expanded selection from Sidney's *Astrophil and Stella* and additional material from Elizabeth I The new edition also offers an expanded selection from *Paradise Lost* as well as Pope's *Essay on Criticism* and a new Contexts section on transatlantic literary currents

The Anglosaxon Version of the Life of St. Guthlac Hermit of Crowland. Originally Written in Latin. Now First Printed from a Mss. in the Cottonian Library. With a Transl. and Notes by Charles Wycliffe Goodwin monachus Girwensis Felix, 1848

Christina of Markyate Samuel Fanous, Henrietta Leyser, 2005 Beautifully illustrated and drawing on research from a wide range of disciplines this interdisciplinary study provides students with a fascinating and comprehensive collection that surveys the life of an extraordinary medieval woman
