# THE ESCAPE OF JOHN WILKES BOOTH

The assassination of President Abraham Lincoln on April 14, 1865, resulted in one of the biggest manhunts in American history. For 12 days, the assassin, John Wilkes Booth evaded capture by escaping into Southern Maryland and Virginia. This map shows the route taken by the fugitive during those chaotic days. For more about the Lincoln assassination and John Wilkes Booth, visit [BoothieBarn.com](http://BoothieBarn.com)

**Edward Steers, Jr.**

## **The Escape And Capture Of John Wilkes Booth:**

**The Escape and Capture of John Wilkes Booth** Edward Steers, 1983 *The Escape and Capture of John Wilkes Booth* Edward Steers, Jr., 2018-03-08 Detailed description of the flight of John Wilkes Booth from Washington until his capture and death at the Garrett farm in Virginia Nicely illustrated with images of the people and places involved **The Escape and Suicide of John Wilkes Booth** Finis Langdon Bates, 1907 The author claims that John Wilkes Booth was not killed at the Garrett house in Virginia in 1865 but that he was living under name of John St Helen at Glenrose Mills Tex 1872 1877 and committed suicide at Enid Okla in 1903 as David E George *John Wilkes Booth By a Man Who Helped Him Escape (Annotated)* Thomas Jones, At the time of the Lincoln assassination Thomas A Jones was 45 years old and had spent the years of the American Civil War working with zeal in the Confederate cause in Southern Maryland He primarily acted as an aid to Confederate spies moving through Charles County and helping the substantial intelligence network by moving mail By the time that Jones wrote this account of having helped John Wilkes Booth in his escape his assessment of Abraham Lincoln had gone through a transformation As he tells us the light of reason had been blinded and he now saw Lincoln as a good and great man This is but one small piece of the drama that changed history But Jones was there and was part of it It s an important account that fills in the days between Booth s deed and his capture and death For less than you d spend on gas going to the library this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample *The Escape and Suicide of John Wilkes Booth* Finis Langdon Bates, 2009-12 The author claims that John Wilkes Booth was not killed at the Garrett house in Virginia in 1865 but that he was living under name of John St Helen at Glenrose Mills Tex 1872 1877 and committed suicide at Enid Okla in 1903 as David E George [The Life, Crime and Capture of John Wilkes Booth](#) George Alfred Townsend, 1865-01-01 **Escape and Suicide of John Wilkes Booth, Assassin of President Lincoln** Finis Langdon Bates, 1907 **Escape and Suicide of John Wilkes Booth Assassination of President Lincoln** **The Escape and Suicide of John Wilkes Booth, Or, The First True Account of Lincoln's Assassination Containing a Complete Confession by Booth Many Years After the Crime ...** Finis Langdon Bates, 1919 ["They Have Killed Papa Dead!"](#) Anthony Pitch, 2008-12-30 The assassination of Abraham Lincoln is a central drama of the American experience Its impact is felt to this day and the basic story is known to all Anthony Pitch s thrilling account of the Lincoln conspiracy and its aftermath transcends the mere facts of that awful night during which dashing actor John Wilkes Booth shot Lincoln in the head and would be assassin Lewis Payne butchered Secretary of State William Seward in the bed of his own home They Have Killed Papa Dead transports the reader to one of the most breathtaking moments in history and reveals much that is new about the stories passions and times of those who shaped this great tragedy Virtually every word of Anthony Pitch s account is based on primary source material new quotes from previously unpublished diaries letters and journals authentic contemporary voices

writing with freshness and clarity as eyewitnesses or intimate participants new images a new vision and understanding of one of America s defining moments With an unwavering fidelity to historical accuracy Pitch provides new confirmation of threats against the president elect s life as he traveled to Washington by train for his first inauguration and a vivid personal account of John Wilkes Booth being physically restrained from approaching Lincoln at his second inauguration Perhaps most chillingly new details come to light about conditions in the special prison where the civilian conspirators accused of participating in the Lincoln assassination endured tortuous conditions in extreme isolation and deprivation hooded and shackled before and even during their military trial Pitch masterfully synthesizes the findings of his prodigious research into a tight gripping narrative that adds important new insights to our national story     *The Escape and Suicide of John Wilkes Booth* Finis L. Bates,2017-12-03 Excerpt from *The Escape and Suicide of John Wilkes Booth Or the First True Account of Lincoln s Assassination Containing a Complete Confession by Booth Many Years After the Crime* In the preparation of this book I have neither spared time or money since I became satisfied that John Wilkes Booth was not killed as has been supposed at the Garrett home in Virginia on the 26th day of April 1865 and present this volume of col lated facts which I submit for the correction of his tory respecting the assassination of President Abra ham Lincoln and the death or escape of John Wilkes Booth Personally I know nothing of President Lincoln and knew nothing of John Wilkes Booth until my meeting with John St Helen at my home in Texas in the year 1872 The picture which John St Helen left with me for the future identification of himself in his true name and personality was first identified by Gen D D Dana of Lubec Maine as John Wilkes Booth January 17 1898 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
