The Evasive Peace A Study Of The Zionist Arab Problem:

The Evasive Peace John Herbert Davis,1970 *The Evasive Peace* John Herbert Davis,1970 “*The” Evasive Peace* John H. Davis,1969 The A to Z of the Arab-Israeli Conflict P R Kumaraswamy,2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves **The Palestinian Refugees in Jordan 1948-1957** Avi Plascov,2017-05-18 There is perhaps no aspect of the Arab Israeli conflict that is more complex and more emotionally charged than the problem of the Palestinian refugees The atmosphere surrounding the discussion has led to confusion so that the facts have become unclear and the problems more difficult to treat This book first published in 1981 examines the complex interlocking issues that surround the topic of the Palestinian refugees in the country that adopted most of them Jordan Oil, The Arab-Israeli Dispute, And The Industrial World J. C. Hurewitz,2019-03-04 This book is the product of a multinational project sponsored by the Middle East Institute of Columbia University in cooperation with the World Peace Foundation Boston the Atlantic Institute for International Affairs Paris and the Asia Pacific Association of Japan Tokyo It focuses on the principal unresolved issues of the energy crisis Whose Promised Land? Colin Chapman,2024-10-07 The go to text for Christians and others wanting to understand what is really happening in the Middle East Jeremy Moodey former Chief Executive Embrace the Middle East The conflict between Israel and the Palestinians has profoundly affected the Middle East for almost eighty years and shows no sign of ending With two peoples claiming the same piece of land for different reasons it remains a huge political and humanitarian problem Can it ever be resolved If so how These are the basic questions addressed in this revised and expanded sixth edition of Colin Chapman s highly acclaimed book Having lived and worked in the Middle East at various times since 1968 Chapman explains the roots of the problem and outlines the arguments of the main parties involved He also explores the theme of land in the Old and New Testaments discussing legitimate and illegitimate ways of using the Bible in relation to the conflict This new and fully updated edition covers developments over the past ten years including the war that broke out between Israel and Hamas in October 2023 **The Hidden History of the Balfour Declaration** Sahar Huneidi,2019-06-27 Contained on a single page the Balfour Declaration was sent by Arthur Balfour the British Foreign Secretary to Lord Rothschild a leader of the British Jewish community in November 1917 It read in part His Majesty s

Government view with favour the establishment in Palestine of a national home for the Jewish people This brief missive was to be critical in determining the history of the Middle East from the creation of the state of Israel in 1948 to the present day And yet despite its importance the true origins of the Declaration remain obscure The Declaration Sahar Huneidi observes was a work of carefully crafted ambiguity It was this deliberate openness that allowed the British government years later to reshape its meaning and even the history of its drafting to support specific foreign policy ends This process Huneidi argues was facilitated by a subsequent document a little known handwritten memo by the Under Secretary of the Colonial Office William Ormsby Gore recounting from memory discussions surrounding the Declaration s drafting Employing careful detective work and a rich knowledge of the subject matter Huneidi reveals how faced with a paucity of official records Ormsby Gore s account became the basis for a decision on Palestine that had devastating consequences for the stability of the region This concise eloquent book provides a vivid case study of the rewriting and repurposing of history and compellingly recontextualizes the ongoing struggles of Israel Palestine Sahar Huneidi has a BA in Political Science from the American University of Beirut and a Ph D from the University of Manchester where her thesis formed the basis of her subsequent published work on Herbert Samuel She has contributed numerous articles to academic journals and has edited studies on Israel Palestine She has also received diploma certificates in art history from Christie s Education She is the director of East West Publishing and lives mainly in London

The Unmaking of the Middle East Jeremy Salt, 2008-07-09

Devastating in its portrayal of the depths to which the West France Britain and the US especially sank in conquering the Middle East Starting off with Huntington s quote about Islam s bloody borders Salt argues that it was the West that made these borders bloody though in the process it had no trouble finding native accomplices who helped wittingly or not Mehran Kamrava author of *The Modern Middle East* This will be of much use to general readers who are ill served by the preponderance of books in the marketplace that explain political events by recourse to stereotypical representations of Arabs and Islam while neglecting important historical events that define current political and social reality in the region None of the general history books on the Middle East offer comparable comprehensive details Joseph A Massad author of *Desiring Arabs* This excellent book is comprehensive in scope scholarly and yet highly readable Focusing on the damaging role of western policy in the Middle East well exemplified in the current debacle in Iraq It will be essential reading for students and historians of the region Ghada Karmi author of *Married to Another Man* Israel s Dilemma in Palestine Salt makes it abundantly clear that when it comes to the Middle East the West talks idealistically and acts brutally This excellent book should be required reading for future American policymakers thinking about invading another Arab or Islamic country John J Mearsheimer R Wendell Harrison Distinguished Service Professor of Political Science at the University of Chicago

Conflict in the Middle East P.J. Vatikiotis, 2016-07-22 The Middle East is a continuing crisis area in world politics This crisp and penetrating book first published in 1971 analyses the historical development of the major issues in Arab politics

explains the conflicting interests now at stake in the Middle East and how the politics of the area were likely to develop It examines among other topics the Palestine Liberation Movement the prospects for Arab unity and Great Power interference and was written by one of the world s leading scholars writing on the Middle East
