church In Synodikon with anathemas most famous heretics which must be read in the church on the feast of the Triumph of Orthodoxy in the first week of Lent states that they have already laid the anathema Thus public anathema only brings to the public a fait accompli of their falling away upon heresy from the Church Although the heretics who have been subjected to anathema fell away from the Church the Body of Christ the question of their posthumous fate remains an open question since God judges them Commandment stop ecclesial communion with heretics is already in the letter of the Apostle Paul the heretic man denies vedy for theirs is such is subverted and sins and there is self condemned Titus 3 10 11 The act of public anathema not only serves as a warning against falling away into heresy and call to repentance for those who have already dropped out but also becomes a kind of church law canon whose knowledge is necessary for bishops priests and of all those who teach the people Orthodox faith If the lack of warning anathema signal could be a mitigating factor for fallen away the presence of an aggravating circumstance is anathema to those who knew about it she decided to neglect as well as for those who do not bother to learn about it

A History of the Athonite Commonwealth Graham Speake, 2018-06-07 Explores the role played by Athos in the spread of Orthodoxy and Orthodox monasticism throughout Eastern Europe and beyond
