Wellum,2024-02-15 Stephen Wellum s Systematic Theology Volume One is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures Building on decades of research Wellum formulates doctrine exegetically covenantally and canonically for a new generation of students pastors church leaders and seasoned theologians as well **The Existence and Attributes of God Vol. 1** Stephen Charnock,2023-12-01 The Existence and Attributes of God is a significant theological book written in the 17th century by Stephen Charnock a Puritan preacher and theologian This edition of The Existence and Attributes of God Vol 1 is both current and legible with an eye catching new cover and professionally typeset manuscript Some stories are gruesome and bizarre while others softly creep up on you and pull you in This massive dissertation is divided into two parts with each volume delving into essential aspects of God s nature and qualities In the first volume Charnock conducts a thorough analysis of God s existence To establish the existence of an all powerful everlasting and

transcendent Creator he digs into philosophical arguments historical viewpoints and scripture allusions The thorough examination of Charnock addresses problems about the origin of the universe and the requirement of a divine person Throughout the book Charnock s language is distinguished by a great reverence for God and a commitment to logical religion investigation He provides theological arguments in a systematic and logical manner that is understandable to both intellectuals and laypeople

The Existence and Attributes of God Stephen Charnock,2021-02-08 The Existence and Attributes of God comprises the second volume of the work of Stephen Charnock 1628 1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God s attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God s existence and attributes Charnock displays God s attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more

God With Us and Without Us, Volume One Imad N. Shehadeh,2018-09-30 The revelation of the Trinity establishes that the relationship of the one true God with us springs from the relationship within himself without us The Trinity is not a problem to be solved but a beauty to be discovered Dr Imad N Shehadeh uses careful exegetical and theological analysis to explore the presentation of the triune God in Scripture and expertly navigate the reader through the errors and pitfalls regarding the Trinity This book explains the essential role that the perfect truth of a three in one God plays in being able to know God and be sure of his character Dr Shehadeh doesn t fear to tread on controversial ground but instead addresses key issues in theology the study of God such as the logic of the Trinity and whether the God of the Bible is the same as the god of other religions This first of two volumes is a valuable contribution to the theological academy but also is an accessible guide for anyone to encounter the

perfect holy triune God
