Tragedy and Comedy Mark William Roche,1998-01-01 The first evaluation and critique of Hegel s theory of tragedy and comedy this book also develops an original theory of both genres Beyond the Wager Douglas Groothuis,2024-04-02 There was more to Blaise Pascal than his wager an argument about the existence of God In this accessible study philosopher Douglas Groothuis introduces readers to Pascal s life as well as the breadth of his intellectual pursuits overviewing the key points of his Pens es and exploring his views on culture politics and more The Art of Life Mutlu Konuk Blasing,1977-01-01 Autobiographical literature especially reveals the processes by which writers convert their own historical experience into fictional form and suggests how literary forms function in life This volume defines an original theory of autobiographical writing and provides intriguing analyses of major American works of literature The Art of Life examines the transformation of history into literature in Walden Song of Myself Henry James s Prefaces The Education of Henry Adams Paterson and the poetry of Frank O Hara These works are approached as events in themselves and are analyzed as conversions of form and history fiction and fact and even aesthetics and politics Thus the work of literature is set in the total experience of living and the writer is seen not only as an artist but also as a person in a historical political and cultural environment As well as a creator of literature the writer is viewed as a social psychological and biological being Chapters on the narcissistic economy of Walden the mythicizing of history and personality in Song of Myself the self conscious relation that makes the Prefaces of Henry James the autobiography of an artist the comic perspective of The Education of Henry Adams and the radical innovation of Paterson and O Hara s poetry provide new readings of major American works Each chapter contains some distinct critical insight which not only contributes to but can be relished apart from the book s overarching theoretical argument The Art of Life is a sophisticated theoretical discussion of autobiography with rich psychological philosophical and cultural ramifications *A Mingled Yarn* Russell Fraser,2017-07-12 R P Blackmur was an American critic and poet as well as a professor of English literature and creative writing at Princeton University At the time of his death he had completed five books and numerous plays poems and short stories He devoted most of his life to studies on Henry Adams someone he saw in himself In his lifetime he received a share of adulation but he was not successful in the way that success is commonly measured In this work Russell Fraser follows the course of Blackmur s self declared failed genius He tells the story of his precocious youth in Cambridge his eclectic education his years of poverty and renown as a poet novelist freelance music critic and essayist his obsessive marriage to artist Helen Dickson his entangled friendships with T S Eliot Delmore Schwartz Allen Tate and John Berryman and his passion for the wilds of Maine He discusses Blackmur s crucial role in the literary magazines of the twenties and thirties his unique influence as instructor of creative writing the emotional and professional price he paid for a doubtful security at Princeton University and the torment of wavering between intellectual inertia and

prolific inspiration With empathy and insight Fraser shows how the trajectory of Blackmur s career parallels the movements in the American literary scene the experiments in poetry and fiction the development of the New Criticism the writer s conflict between order and anarchy taxonomy and the full response and the emergence of the critic as artist A biography intellectual history and literary criticism A Mingled Yarn unravels Blackmur s complex character and celebrates his great achievement
