Wikarski,N. S. Wikarski,2003-01-15 In 1893 the world has come to Chicago to marvel at the Columbian Exposition World s Fair When a penniless seamstress is found stabbed to death in Chicago s grandest hotel wealthy and eccentric Evangeline LeClair sets out to discover the truth Soon she s not hunting for clues to solve a mystery she s racing to unmask a killer before he kills her The Silence of the White City Eva García Sáenz,2020-07-28 You ll want to race through The Silence of the White City but it s best to slow down and savor the full effect of the volatile intoxicating universe Sáenz has created This is the first novel of the White City trilogy to be translated into English the second can t come fast enough AirMail HOW DO YOU STOP A KILLER WHO S ALWAYS TWO STEPS AHEAD A madman is holding Vitoria hostage killing its citizens in brutal ways and staging the bodies The city s only hope is a brilliant detective struggling to battle his own demons Inspector Unai López de Ayala known as Kraken is charged with investigating a series of ritualistic murders The killings are eerily similar to ones that terrorized the citizens of Vitoria twenty years earlier But back then police were sure they had discovered the killer a prestigious archaeologist who is currently in jail Now Kraken must race to determine whether the killer had an accomplice or if the wrong man has been incarcerated for two decades This fast paced unrelenting thriller weaves in and out of the mythology and legends of the Basque country as it hurtles to its shocking conclusion **From the Steel City to the White City** Zachary L. Brodt,2023-11-21 In From the Steel City to the White City Zachary Brodt explores Western Pennsylvania s representation at Chicago s Columbian Exposition the first major step in demonstrating that Pittsburgh was more than simply America s crucible it was also a region of developing culture and innovation The 1893 Columbian Exposition presented a chance for the United States to prove to the world that it was an industrial giant ready to become a global superpower At the same time Pittsburgh a commercial center that formerly served as a starting point for western expansion found itself serving as a major transportation and increasingly industrial hub during this period of extensive growth Natural resources like petroleum and coal allowed Western Pennsylvania to become one of the largest iron and steel producing regions in the world The Chicago fairgrounds provided a lucrative opportunity for area companies not only to provide construction materials but to display the region s many products

While Pittsburgh's most famous contributions to the 1893 World's Fair alternating current electricity and the Ferris wheel had a lasting impact on the United States and the world other exhibits provided a snapshot of the area's industries natural resources and inventions The success of these exhibits Brodt reveals launched local companies into the twentieth century ensuring a steady flow of work money and prestige
