

# The Heimwehr And Austrian Politics 1918 1936

**Peter G. J. Pulzer**

## **The Heimwehr And Austrian Politics 1918 1936:**

**The Heimwehr and Austrian Politics, 1918-1936** Clifton Earl Edmondson, 1978-01     The Heimwehr and Austrian Politics, 1918-1936 Clifton Earl Edmondson, 1978     *Nazism and the Radical Right in Austria, 1918-1934* John T.

Lauridsen, 2007 Part of the Danish Humanist Texts and Studies series this work presents a comparative analysis of the two most important radical right wing movements in Austria during the inter war period Heimwehr and NSDAP It examines the movements from their emergence until they respectively came in to the power apparatus Heimwehr and forbidden NSDAP

European Dictatorships 1918-1945 Stephen J. Lee, 2016-02-12 European Dictatorships 1918 1945 surveys the extraordinary circumstances leading to and arising from the transformation of over half of Europe's states to dictatorships between the first and the second world wars From the notorious dictatorships of Mussolini Hitler and Stalin to less well known states and leaders Stephen J Lee scrutinizes the experiences of Russia Germany Italy Spain Portugal and Central and Eastern European states This fourth edition has been fully revised and updated throughout New material for this edition includes the most recent research on individual dictatorships a new chapter on the experiences of Europe's democracies at the hands of Germany Italy and Russia an expanded chapter on Spain a new section on dictatorships beyond Europe exploring the European and indigenous roots of dictatorships in Latin America Asia and Africa Extensively illustrated with images maps tables and a comparative timeline and supported by a companion website providing further resources for study [www.routledge.com/cw/lee/European-Dictatorships-1918-1945](http://www.routledge.com/cw/lee/European-Dictatorships-1918-1945) is a clear detailed and highly accessible analysis of the tumultuous events of early twentieth century Europe     **The Rise of Political Anti-semitism in Germany & Austria**

Peter G. J. Pulzer, 1988 To understand the 20th century we must know the 19th It was then that an ancient prejudice was forged into a modern political weapon How and why this happened is shown in this classic study by Peter Pulzer first published in 1964 and now reprinted with a new Introduction by the author     **The Devil's Wall** Mark Cornwall, 2012-04-09

Legend has it that twenty miles of volcanic rock rising through the landscape of northern Bohemia was the work of the devil who separated the warring Czechs and Germans by building a wall The nineteenth century invention of the Devil's Wall was evidence of rising ethnic tensions In interwar Czechoslovakia Sudeten German nationalists conceived a radical mission to try to restore German influence across the region Mark Cornwall tells the story of Heinz Rutha an internationally recognized figure in his day who was the pioneer of a youth movement that emphasized male bonding in its quest to reassert German dominance over Czech space Through a narrative that unravels the threads of Rutha's own repressed sexuality Cornwall shows how Czech authorities misinterpreted Rutha's mission as sexual deviance and in 1937 charged him with corrupting adolescents The resulting scandal led to Rutha's imprisonment suicide and excommunication from the nationalist cause he had devoted his life to furthering Cornwall is the first historian to tackle the long taboo subject of how youth homosexuality and nationalism intersected in a fascist environment The Devil's Wall also challenges the notion that all Sudeten German

nationalists were Nazis and supplies a fresh explanation for Britain's appeasement of Hitler showing why the British might justifiably have supported the 1930s Sudeten German cause In this readable biography of an ardent German Bohemian who participated as perpetrator witness and victim Cornwall radically reassesses the Czech German struggle of early twentieth century Europe **Bitter Prerequisites** William Laird Kleine-Ahlbrandt, 2001 A dozen Purdue University Jewish faculty members 10 men and 2 women who were forced to flee their homes in Germany Austria Czechoslovakia Poland and Hungary during the Holocaust tell their stories in a series of interviews conducted by Kleine Ahlbrandt a history professor at Purdue and the author of *The Burden of Victory* France Britain and the Enforcement of the Versailles Peace 1919 1925 1995 Some of the refugees were unable to escape and survived through hiding and subterfuge or endured the camps The interviewees some speaking out for the first time after more than half a century often found it difficult to recall painful experiences They discussed the problems of growing up Jewish especially after the enactment of anti Jewish legislation the importance of religion God and traditions in their lives and adjusting to life in the U S where finding employment was just one of many obstacles The author complements the interviews with commentary for readers unfamiliar with the history of World War 1

*Karl Popper - The Formative Years, 1902-1945* Malachi Haim Hacohen, 2002-03-04 This 2001 biography reassesses philosopher Karl Popper's life and works within the context of interwar Vienna [The Shaken Lands](#) Tomas Balkelis, Andrea Griffante, 2023-04-25 The volume focuses on violence during the breakdown of East Central European states brought by one of the most violent periods in modern European history from the start of the Great War in 1914 until 1923 when Europe finally achieved peace after a series of civil conflicts and interstate wars The contributors offer several case studies that cover the vast region stretching from the Baltic states to Hungary They explore different types of violence against its civilian populations with a particular focus on communal violence committed by civilians onto their neighbors They suggest that disintegration of state power brought by the Great War was a key condition that produced violence Yet the process of post WWI state building was equally or more violent as nascent East Central European states institutionalized the use of violence to achieve their political agendas *European Fascist Movements* Roland Clark, Tim Grady, 2023-05-31 This volume offers a fresh and original collection of primary sources on interwar European fascist movements These sources reflect new approaches to fascism that emphasise the practical transnational experience of fascism as a social movement contextualising ideological statements within the historical moments they were produced Divided into 18 geographically based chapters contributors draw together the history of various fascist and right wing movements selecting sources that reflect themes such as transnational ties aesthetics violence female activism and the instrumentalisation of race gender and religion Each chapter provides a chronological narrative account of movements interspersed with complete primary sources from political speeches internal movement circulars and articles police reports oral history songs and music photographs artworks poetry and anti fascist sources The volume as a whole seeks to introduce readers to the diversity of fascist groups across the

continent to show how fascist groups were constituted through social bonds rather than around fixed ideologies and to capture the inexperience and ad hoc character of early fascist groups With an Introduction that explains the volume's theoretical approach and elaborates on the chronology of European fascism this is the perfect sourcebook for any student of Modern European history and politics The book is accompanied by a free app available for download for iOS and Android from <https://www.liverpool.ac.uk/itapp/directory/fascistmovements/> You can use the app to identify places where fascist groups were active during the 1920s and 1930s and to get a glimpse of what life was like during the age of fascism The app includes interactive maps descriptions of 76 points of interest and images for each point of interest

**The Discreet Charm of the Police State: The Landpolizei and the Transformation of Bavaria, 1945-1965** Jose Raymond Canoy, 2007-04-30 This book examines the relationship between authoritarian policing and the modernization of postwar Germany's largest state in a passage from postwar crisis to consumer prosperity Early in this transition pre-Nazi but also pre-liberal democratic authoritarian police traditions reemerged to meet the challenges of public order in the US occupation Authoritarian policing then helped define the evolving relationship between society and state during the economic miracle of the 1950s However this regime's success in midwifing a new post-agricultural society led to its obsolescence and disappearance by the mid-1960s This story highlights the role of state authoritarianism in the emergence of prosperous post-ideological societies during the later twentieth century

**Vienna's 'respectable' antisemites** Michael Carter-Sinclair, 2021-02-02 Vienna's respectable antisemites offers a radical challenge to conventional accounts of one of the darkest periods in the city's history the rise of organised politically directed antisemitism between the late nineteenth and mid twentieth centuries Drawing on original research into the Christian Social movement the book analyses how issues such as nationalism mass poverty and social unrest enabled the gestation in respectable society of antisemitism an ideology that seemed to be dying in the 1860s but which was given new strength from the 1880s It delivers a riposte to portrayals of the lower clergy as a marginalised group that was driven to defend itself from liberal attacks by turning to anti-liberal antisemitic action as well as exposing the nurturing role played by senior clergy As the book reveals the Church in Vienna as a whole was determined to counter liberalism to the point of welcoming any authoritarian regime that would do so

**The Shadows of Total War** Roger Chickering, Stig Forster, 2003-01-16 The period between the two world wars of the twentieth century was one of the most challenging in the history of war In anticipation of another conflict military planners and civilian thinkers struggled after 1918 with the painful implications of World War I Given its scope the wholesale mobilisation of civilian populations and the targets of civilians via blockades and strategic bombing many observers regarded this titanic conflict as a total war They also concluded that any future conflict would bear the same hallmarks and they planned accordingly The essays in this collection the fourth in a series on the problem of total war examine the inter-war period They explore the consequences of World War I the intellectual efforts to analyse this conflict's military significance the attempts to plan for another general war and several

episodes in the 1930s that portended the war that erupted in 1939      **Viktor Frankl's Search for Meaning** Timothy Pytell, 2015-10-01 This is a scholarly commendable biography and intellectual history Lay readers will be challenged psychologists and historians will be grateful Library Journal starred review First published in 1946 Viktor Frankl's memoir *Man's Search for Meaning* remains one of the most influential books of the last century selling over ten million copies worldwide and having been embraced by successive generations of readers captivated by its author's philosophical journey in the wake of the Holocaust This long overdue reappraisal examines Frankl's life and intellectual evolution anew from his early immersion in Freudian and Adlerian theory to his development of the third Viennese school amid the National Socialist domination of professional psychotherapy It teases out the fascinating contradictions and ambiguities surrounding his years in Nazi Europe including the experimental medical procedures he oversaw in occupied Austria and a stopover at the Auschwitz concentration camp far briefer than has commonly been assumed Throughout author Timothy Pytell gives a penetrating but fair minded account of a man whose paradoxical embodiment of asceticism celebrity tradition and self reinvention drew together the complex strands of twentieth century intellectual life From the introduction At the same time Frankl's testimony second only to the Diary of Anne Frankin popularity has raised the ire of experts on the Holocaust For example in the 1990s the United States Holocaust Memorial Museum in Washington purportedly refused to sell *Man's Search for Meaning* in the gift shop During the late 1960s and early 1970s Frankl became very popular in America Frankl's survival of the Holocaust his reassurance that life is meaningful and his personal conviction that God exists served to make him a forerunner of the self help genre      *The Triumph of the Dark* Zara Steiner, 2011-03-31 In this magisterial narrative Zara Steiner traces the twisted road to war that began with Hitler's assumption of power in Germany Covering a wide geographical canvas from America to the Far East Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years Steiner underlines the far reaching consequences of the Great Depression which shifted the initiative in international affairs from those who upheld the status quo to those who were intent on destroying it In Europe the 1930s were Hitler's years He moved the major chess pieces on the board forcing the others to respond From the start Steiner argues he intended war and he repeatedly gambled on Germany's future to acquire the necessary resources to fulfil his continental ambitions Only war could have stopped him an unwelcome message for most of Europe Misperception miscomprehension and misjudgment on the part of the other Great Powers leaders opened the way for Hitler's repeated diplomatic successes It is ideology that distinguished the Hitler era from previous struggles for the mastery of Europe Ideological presumptions created false images and raised barriers to understanding that even good intelligence could not penetrate Only when the leaders of Britain and France realized the scale of Hitler's ambition and the challenge Germany posed to their Great Power status did they finally declare war      **Hitler's Austria** Evan Burr Bukey, 2018-08-25 Although Austrians comprised only 8 percent of the population of Hitler's Reich they made up 14 percent of SS members and 40

percent of those involved in the Nazis killing operations This was no coincidence Popular anti-Semitism was so powerful in Austria that once deportations of Jews began in 1941 the streets of Vienna were frequently lined with crowds of bystanders shouting their approval Such scenes did not occur in Berlin Exploring the convictions behind these phenomena Evan Bukey offers a detailed examination of popular opinion in Hitler's native country after the Anschluss annexation of 1938 He uses evidence gathered in Europe and the United States including highly confidential reports of the Nazi Security Service to dissect the reactions views and conduct of disparate political and social groups most notably the Austrian Nazi Party the industrial working class the Catholic Church and the farming community Sketching a nuanced and complex portrait of Austrian attitudes and behavior in the Nazi era Bukey demonstrates that despite widespread dissent discontent and noncompliance a majority of the Austrian populace supported the Anschluss regime until the bitter end particularly in its economic and social policies and its actions against Jews

*Nationalism in Modern Europe* Derek Hastings, 2018-02-08 Nationalism has been without question one of the most potent political and cultural forces within Europe since the late 18th century Placing particular emphasis on transnational and comparative links *Nationalism in Modern Europe* provides a clear and accessible history of the development of nationalism in Europe from the French Revolution to the present The book situates nationalist ideas and movements in Europe firmly within the context of other signifiers of identity and belonging such as religion race and gender while also providing comprehensive geographic coverage across Europe It incorporates recent historiographical trends and debates as part of the discussion and includes 13 images 9 maps and a range of primary source excerpts for classroom use It is an essential volume for all students of the history of nationalism in modern Europe and a useful text for anyone seeking to know more about modern European history in general

**The Cross and the Ballot** Ellen Lovell Evans, 1999-06-01 *The Cross and the Ballot* describes the origins development and present status of Catholic political parties in Germany Austria Switzerland Belgium and The Netherlands Its comparative perspective contributes significantly to the current debate over Germany's Sonderweg that is whether or not German history has taken a special path or unique direction from others The emergence of a separate political representation for German Catholics was not a deviation from the usual European spectrum but on the contrary was strikingly similar to events in the other four countries Both the similarities and some notable differences serve to illuminate important aspects of German history

**Fascism and the Right in Europe 1919-1945** Martin Blinkhorn, 2014-07-22 This new text places interwar European fascism squarely in its historical context and analyses its relationship with other right wing authoritarian movements and regimes Beginning with the ideological roots of fascism in pre 1914 Europe Martin Blinkhorn turns to the problem torn Europe of 1919 to 1939 in order to explain why fascism emerged and why in some settings it flourished while in others it did not In doing so he considers not just the major fascist movements and regimes of Italy and Germany but the entire range of fascist and authoritarian ideas movements and regimes present in the Europe of 1919 1945

**Culture and Political Crisis in Vienna**

John W. Boyer, 1995 In this sequel to *Political Radicalism in Late Imperial Vienna* John Boyer picks up the history of the Christian Social movement after founder Karl Lueger's rise to power in Vienna in 1897 and traces its evolution from a group of disparate ward politicians through its maturation into the largest single party in the Austrian parliament by 1907 to its major role in Imperial politics during the First World War Boyer argues that understanding the unprecedented success that this dissident bourgeois political group had in transforming the basic tenets of political life is crucial to understanding the history of the Central European state and the ways in which it was slowly undermined by popular electoral politics The movement's efforts to save the Austrian Empire by trying to create an economically integrated but ethnically pluralistic state are particularly enlightening today in the shadow of ethnic violence in Sarajevo where began the end of the Austrian Empire in 1914 The most comprehensive account of any mass political movement in late nineteenth century Central Europe this two volume work is crucial reading for anyone interested in Hapsburg history German history or the history of social democracy

This is likewise one of the factors by obtaining the soft documents of this **The Heimwehr And Austrian Politics 1918 1936** by online. You might not require more times to spend to go to the book establishment as capably as search for them. ### **The Heimwehr And Austrian Politics 1918 1936 Introduction**

In today's digital age, the availability of The Heimwehr And Austrian Politics 1918 1936 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Heimwehr And Austrian Politics 1918 1936 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Heimwehr And Austrian Politics 1918 1936 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Heimwehr And Austrian Politics 1918 1936 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, The Heimwehr And Austrian Politics 1918 1936 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Heimwehr And Austrian Politics 1918 1936 books and manuals, several platforms offer an extensive collection of resources.

One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Heimwehr And Austrian Politics 1918 1936 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Heimwehr And Austrian Politics 1918 1936 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Heimwehr And Austrian Politics 1918 1936 books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Heimwehr And Austrian Politics 1918 1936 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Heimwehr And Austrian Politics
