## **The Henley Stevenson Quarrel:**

**The Henley-Stevenson Quarrel** Edward H. Cohen, 1974      **Robert Louis Stevenson and the Art of Collaboration** Murfin Audrey Murfin, 2019-08-05 Explores Robert Louis Stevenson's collaborative process. Contains new readings of thirteen works by Robert Louis Stevenson including several rarely discussed. Sheds light on connections between authorship, celebrity, the literary marketplace and the creative process. Supported by extensive manuscript research. This book investigates Stevenson's literary collaborations with family and friends as he travelled Scotland, America and the Pacific. With critical readings of both major and minor Stevenson texts supported and contextualised by unpublished manuscripts and letters by both Stevenson and those he wrote with, this book argues that Stevenson's writings are both a product of and a meditation on collaborative writing. Stevenson's self-reflective body of work reimagines late Victorian authorship by examining the ways that authors choose material, negotiate the marketplace and ultimately maintain power over their own words or let that power go.

**The Selected Letters of W.E. Henley** Damian Atkinson, 2016-12-05 The text of the book consists of some 150 letters out of a corpus of 2,500 written by the late nineteenth-century poet, critic, editor and journalist W. E. Henley to various figures of the period, e.g. R. L. Stevenson, H. G. Wells, J. M. Barrie, William Archer, Rodin, Wilde, Kipling, Arthur Morrison, Alice Meynell and Edmund Gosse. Letters are also included to other figures within Henley's immediate circle: his wife Anna, his financial backer Fitzroy Bell, Charles Baxter, the arbitrator in the quarrel between Henley and Stevenson, and his Edinburgh art collector friend Hamilton Bruce. Each letter is fully annotated. An introduction places Henley within the period and provides a biographical account of his life and literary work which is reflected in his letters. Of particular importance is the role of Henley as editor of *London*, *The Magazine of Art*, *The Scots Observer* and later *The National Observer* and *The New Review*.

**A Wilder Shore** Camille Peri, 2024-08-13 ONE OF THE ATLANTIC'S 10 BEST BOOKS OF THE YEAR. A NEW YORK TIMES BOOK REVIEW EDITORS CHOICE PICK AND 2024 NOTABLE BOOK. AN NPR FAVORITE READ OF 2024. Peri's joint biography is a thrilling, haunting yarn of the sort that the Scottish writer Robert Louis Stevenson himself became famous for and couldn't have written without his wife. *The Atlantic*: The extraordinary story of the creative and romantic partnership between Robert Louis Stevenson and his wife and muse Fanny Van de Grift. He was an ambitious but drifting writer from a prominent Scottish family. She was a tough Nevada silver miner's wife with children when they met. Who could have predicted that Fanny Van de Grift and Robert Louis Stevenson would go on to create one of history's great literary marriages. From their first encounter in France in 1876, Fanny and Louis's partnership transcended societal expectations to become a literary union that was progressive, eccentric and tempestuous but always animated by a profound mutual respect. Seeking creative freedom, inspiration and better health for Louis, who battled chronic illness, they embarked on a whirlwind journey around the world from the bohemian enclaves of Europe to the shores of Samoa, where they lived and joined the native islanders' fight for independence from imperialist powers. Amid the currents of their stormy yet deeply loving relationship,

Fanny wrote colorful accounts of her life contributed to Louis's work and kept him alive to pen classic novels such as *Treasure Island*, *Kidnapped* and *The Strange Case of Dr Jekyll and Mr Hyde* that would go on to resonate with generations of readers. A portrait of two extraordinary people and a testament to the power of love to foster the human spirit. *A Wilder Shore* unfolds with all the richness and complexity of a timeless epic capturing the resilience, courage and devotion that sparked some of our most celebrated and enduring literary masterpieces. **The Bookman**, 1929 **Storyteller** Leo

Damrosch, 2025-09-02 From a critically acclaimed biographer, an engrossing narrative of Robert Louis Stevenson's life, a story as romantic and adventurous as his fiction. This magnificent biography of Robert Louis Stevenson reveals much about a writer that we think we knew. Dazzling Kirkus Reviews starred review. Robert Louis Stevenson (1850-1894) is famed for *Treasure Island*, *Kidnapped* and *Strange Case of Dr Jekyll and Mr Hyde*, but he published many other novels and stories before his death at forty-four. Despite lifelong ill health, he had immense vitality. Mark Twain said his eyes burned with smoldering rich fire. Born in Edinburgh to a family of lighthouse engineers, Stevenson set many stories in Scotland but sought travel and adventure in a life as romantic as his novels. I loved a ship, he wrote, as a man loves burgundy or daybreak. The adventures were shared with his free-spirited American wife Fanny, with whom he moved to the South Pacific. Samoan friends named Stevenson Storyteller. Reading, he said, should be absorbing and voluptuous; we should gloat over a book, be rapt, clean out of ourselves. His own books have been translated into dozens of languages. Jorge Luis Borges called his stories one of the forms of happiness, and other modernist masters as various as Proust, Nabokov, and Calvino have paid tribute to his greatness as a literary artist. In *Storyteller*, Leo Damrosch brings to life an unforgettable personality, illuminated by many who knew Stevenson well and drawing from thousands of the writer's letters in his many voices and moods, playful, imaginative at times tragic. **University of Florida Monographs**, 1986 Psychoanalysis Arnold M. Cooper, Otto Kernberg, Ethel

Person, 1990-09-10 Now facing its second century, the field of psychoanalysis is in a period of rapid development. In this book, some of the most important figures in psychoanalysis today discuss how changes, especially in such areas as infant research, ethology, cognitive psychology, narrative studies, and neurobiology, have affected or might affect the directions in which their discipline will go in the next hundred years. **Subjugated Knowledges** Laurel Brake, 1994 *Subjugated Knowledges* is an absorbing account of the cultural formations of Victorian journalism. It will be of interest to all students of Victorian literature and history and of media, cultural and gender studies. Mrs Jekyll and Cousin Hyde Jeremy Hodges, 2020-04-24 When Robert Louis Stevenson wrote *Strange Case of Dr Jekyll and Mr Hyde*, he did not dedicate it to his wife Fanny, despite her crucial role in persuading him to burn the first draft and write a new version that became an instant best-seller. Instead, he wrote a dedication to his cousin Mrs Katharine de Mattos. Why did Stevenson link Katharine with this dark tale of duality, and what role did she play in its creation? In *Mrs Jekyll and Cousin Hyde*, Jeremy Hodges tells the story of the cousins' close relationship from childhood romance to bitter estrangement in later life. *University of Florida Humanities Monograph*

,1986     *The Greatest Works of G. K. Chesterton* G. K. Chesterton,2023-11-08 In *The Greatest Works of G K Chesterton* readers are treated to a rich tapestry of essays novels and poetry that exemplify Chesterton s sharp wit philosophical depth and profound appreciation for paradox This anthology showcases his ability to critique modernity while celebrating the simplicity of the everyday merging literary genres with eloquent prose and a playful approach to the complexities of existence Among the various themes explored are religion society and human nature all of which echo the author s fervent belief in the power of imagination and the importance of wonder in the pursuit of truth G K Chesterton 1874 1936 was an influential English writer poet and theologian whose insights have resonated through generations His upbringing in a conventional middle class family coupled with a later embrace of Catholicism deeply informed his worldview and literary output As articulated in his works Chesterton s commitment to social justice and the questioning of prevailing norms reflect his experience as a journalist and public thinker His unique ability to blend humor with serious philosophical inquiry permeates this collection ensuring that his voice remains relevant in contemporary discourse This anthology is not merely a compilation it is a compelling invitation to explore the multifaceted genius of Chesterton Readers will find intellectual stimulation alongside a refreshing perspective on life and its inherent mysteries Whether a longtime admirer or new to his work this collection serves as an essential guide to the enduring legacy of one of literature s most brilliant minds     [The Complete Works of G.
