And God Knows the Martyrs Nathan S. French, 2020-03-24 Narratives of Jihadi Salafi operations are often filled with praise for what are considered exemplary acts of self renunciation in the vein of early Islamic tradition While many studies sift through the biographies of these so called martyrs for evidence of social psychological political or economic strain in an effort to rationalize what are often labeled suicide bombings Nathan French argues that through their legal arguments Jihadi Salafis craft a theodicy that is meant to address the suffering and oppression of the global Muslim community by the Right Hand Bernard K.
