**Hiding The Hebrews: Did America Kidnap The Lost Tribes of Israel?** Dante Fortson, Are the tribes of Israel really lost or were they hidden as prophesied in Psalms 83 The Bible seems to indicate a multi national conspiracy to hide Israel and wipe out the memory of who they really are If this is true then history as we know it has been hijacked and it is only through searching that we will find the truth In this book you ll find the answers to the following questions just to name a few Why does a 1747 English map place the tribe of Judah on the slave coast of Africa Why do slave ledgers show slaves being registered with Hebrew names fresh off of the ships Why did slaves sing songs in Hebrew and call out to Yah for help Why did Christ mention the slavery of Israel as a sign of the end of the age Are the times of the Gentiles coming to an end If you are 100% honest with yourself as you find the answers to these questions your eyes will be opened If you re ready to start this eye opening adventure through scripture then keep reading ISRAEL IS STILL A NATION TO GOD AND ALWAYS WILL BE Thus saith the LORD which giveth the sun for a light by day and the ordinances of the moon and of the stars for a light by night which divideth the sea when the waves thereof roar The LORD of hosts is his name If those ordinances depart from before me saith the LORD then the seed of Israel also shall cease from being a nation before me for ever Thus saith the LORD If heaven above can be measured and the foundations of the earth searched out beneath I will also cast off all the seed of Israel for all that they have done saith the LORD Jeremiah 31 35 37

influencing contemporaries in changing political circumstances In the larger history of medieval heresy and dissent Gottschalk s case reveals how the Carolingian Empire preserved order within the church through coercive reform The hierarchy compelled Christians to accept correction of perceived sins and errors while punishing as sources of spiritual corruption those rare dissenters who resisted its authority
