Stovell, 2016-02-02 Motherhood provides a crucial place for exploring human life and its meaning Within motherhood lies a deep tension between the pain crisis and association with death in motherhood and the joy transformation and life in motherhood Few metaphors in Scripture or in life stand so firmly between life and death love and loss and joy and deep pain After all motherhood's meaning in part comes again and again at these crucial crossroads Thus motherhood has powerful implications for our biblical and theological understanding Bringing together Jewish and ecumenical Christian scholars from North America Oceania and South America this edited volume provides biblical and

theological perspectives on understanding motherhood The authors reflect upon a selection of biblical texts systematic theologians and Christian spiritual traditions to dialogue with the experience of maternity in its diverse manifestations The purpose of the book is to provide essays that through these biblical and theological lenses engage the question of motherhood today from the experience of pregnancy and birth to raising children to losing children and coping with grief In this way this volume helps to make sense of the complexity of motherhood **On Our Way** Dorothy Bass,Susan

Conversation—The Sacred Art Diane M. Millis, PhD, 2013-02-01 Cultivate the potential for deeper connection in every conversation. To think of conversation as a sacred art challenges us to imagine all the conversations in which we participate from the acquaintance we run into at Target to the dialogue for which we've spent weeks in preparation as a potentially sacred conversation from the Introduction. We often find ourselves distracted and overwhelmed by a constant stream of information and demand for connectivity. Now more than ever we need to develop our capacity for greater presence in our daily lives and relationships. One of the best ways to do this is by improving the quality of our conversations. Dr. Diane Millis offers us inspirational stories, insights, and spiritual practices from many faith traditions to increase our awareness of the deep natural holiness waiting to be unlocked in our everyday encounters. This resource is a catalyst for anyone who would like to enrich seemingly ordinary conversations as well as for leaders in educational ministry and corporate settings who want to increase their capacity to listen deeply. Become more self-aware and attentive to others. Learn how to move beyond conventional topics to exploring purpose, meaning, and values in conversation.
