Smugglers Paradise:

Smugglers of the West Rosemary Neering, 2011-12-15 Do you think the smuggling of drugs and people is a new phenomenon in Canada's west? Think again. Between the mid 19th and mid 20th centuries many daring smugglers carried contraband goods and people into western Canada across the US-Canada border or into BC from Asia. **Smugglers of the West** tells the dramatic tales of the bold criminals who smuggled Chinese immigrants, opium, liquor, and a host of commodities ranging from wool to live animals to tobacco. Among them are Boss Harris, the shadowy kingpin whose opium smuggling empire stretched from Victoria across North America, and King of the Smugglers Larry Kelly, who reputedly tied illegal Chinese immigrants to pig iron so they could be tossed overboard if American patrollers got too close. Rosemary Neering takes readers into a shadowy world where no item was too small and no risk too large for the men and women who carried goods and people clandestinely across the border.

Pirates & Smugglers of the Treasure Coast Patrick S. Mesmer, Patricia A. Mesmer, 2021-04-13 Discover the outlaws who have made and lost fortunes along the Florida coast over the centuries. For hundreds of years, colorful characters and criminals used the myriad coves and inlets along the Treasure Coast for illicit commerce. From the early days of privateer Henry Jennings to the notorious Prohibition exploits of the Ashley Gang, these sandy shores have been a refuge for those looking to trade on the dark side of the law. Legendary tales of Don Pedro Gibert, Spanish Marie, and Al Capone all contribute to the lore of a region that is home to buried treasure and family crime empires. Join historians Patrick and Patricia Mesmer on a journey through the Sunshine State's shadowy past, including photos and illustrations.

threatening to the Obama administration than Operation Fast and Furious While other scandals involve money Fast and Furious involves lives including that of Border Patrol Agent Brian Terry gunned down with a weapon that the federal government put in the hands of Mexico's narco terrorists **The Fence and the Bridge** Heather N.

Nicol, 2015-06-27 The Fence and the Bridge is about the development of the Canada US border security relationship as an outgrowth of the much lengthier Canada US relationship It suggests that this relationship has been both highly reflexive and hegemonic over time and that such realities are embodied in the metaphorical images and texts that describe the Canada US border over its history Nicol argues that prominent security motifs such as themes of free trade illegal immigration cross border crime terrorism and territorial sovereignty are not new nor are they limited to the post 9 11 era They have developed and evolved at different times and become part of a larger quilt whose patches are stitched together to create a new fabric and design Each of the security motifs that now characterize Canada US border perceptions and relations has a precedent in border management strategies and border relations in earlier periods In some cases these have deep historical roots that date back not just years or decades but centuries They are part of an evolving North American geopolitical logic that inscribes how borders are perceived how they function and what they mean Destination Mecca Idries Shah, 2016-05-12

First published in 1957 Destination Mecca was both an ambitious travel book and a work of ethnographic and cultural research Shah documents a wide range of fascinating journeys from his quest for the gold mines of King Solomon on Sudan's Red Sea Coast to encounters in desert caravanserais and sojourns with Mediterranean contraband smugglers to his time as a personal guest of the elderly King Ibn Saud As readable now as it was when first published Destination Mecca acts as a beacon for hands-on adventurers and those of a more sedate kind THE SMUGGLERS LAMENT Doug Chesler, 2021-02-09 Ever since he was a young man he would write long letters to his family and friends Many people liked them and even saved them Some said that he would be a great writer someday Growing up in the wild days of the late 60s gave him plenty to write about Living through the hippie daze of sex and drugs and rock and roll put him on the search for that cosmic consciousness if there was really such a thing Getting drafted really changed all that What started as a bunch of guys chipping in to cop some grass in the Village ended up on speed boats and planes Then the United States Air Force became the biggest smugglers in the world Nothing was what it seemed to be deception ruled Join Doug on a wild ride through the California coast and America SE Asia Europe Africa and behind the Iron Curtain After all of that it was time to switch the tables and go after sex trafficking and the human smugglers But the biggest journey was finding love and then finding God

Experiences of War in Europe and the Americas, 1792-1815 Mark Lawrence, 2021-07-20 This work seeks to offer a new way of viewing the French Wars of 1792 1815 Most studies of this period offer international political and military analyses using the French Revolution and Napoleon as the prime mover But this book focuses on military and civilian responses to French Revolutionary and Napoleonic wars throughout the rest of Europe and the Americas It shows how the
