Adult Catalog: Subjects Los Angeles County Public Library,1970 **Sleep, Memory and Synaptic Plasticity** Sushil K. Jha,Vibha M. Jha,2019-02-25 Over the years there has been growing interest among the scientific community in investigating sleep and how it affects the memory and other brain functions It is now well established that sleep helps in memory consolidation and induction of neural plasticity and that short term deprivation of either total sleep or rapid eye movement sleep alone can induce memory deficits very quickly Quantitative and qualitative changes in sleep architecture after different training tasks further suggest that discrete memory types may require specific sleep stage s for optimal

memory consolidation and studies indicate that sleep deprivation alters synaptic plasticity and membrane excitability in the hippocampal neurons and synaptic up scaling in the cortical neurons Further sleep alteration during pregnancy may increase the risk of depression and adversely affect maternal child relationships parenting practices family functioning and children s development and general wellbeing This book coherently discusses all these aspects with a particular focus on the possible role of sleep in memory consolidation and synaptic plasticity It also highlights the detrimental effects of sleep loss on mental health the immune system and cognition This book is a valuable reference resource for students and researchers working in the area of sleep memory or neuronal plasticity **Yes You Can** Jennifer McKnight-Trontz,2000-04 Be thinner smarter and sexier now with this irresistible collection of ready to use tips and tricks from the optimistic golden age of self improvement when a better you was never more than three steps fifteen minutes or a lie down on the Magic Couch away Yes You Can is a jaw dropping life changing gallery of material from books records advertising and gadget packaging from the 1920s 1970s before the modern complex and endless recovery when you could still Solve Your Sex Problems with Self Hypnosis or Raise Children in Your Spare Time Author Jennifer McKnight Trontz assembles over 200 color and black and white illustrations and real charts tips and advice Mind expanding and waist reducing Yes You Can is here to help *Psychology* Daniel L.
