Slobodan Milosevic And The Destruction Of Yugoslavia:

Slobodan Milosevic and the Destruction of Yugoslavia Louis Sell, 2002-02-22 A political biography of Slobodan Milosevic by a diplomatic insider

Serbian Paramilitaries and the Breakup of Yugoslavia Iva Vukušić, 2022-09-30 This is the first book to offer a comprehensive analysis of the emergence nature and function of Serbian paramilitary units during the violent breakup of Yugoslavia The book investigates the nature and functions of paramilitary units throughout the 1990s and their ties to the state and President Slobodan Milo evi The work relies on the archives of the International Criminal Tribunal for the former Yugoslavia in The Hague which conducted dozens of trials relating to paramilitary violence and records from judicial proceedings in the region It discusses how and why certain important paramilitary units emerged how they functioned and transformed through the decade what their relationships and entanglements were with the state the Milo evi regime and organized crime The study thus investigates the interrelated ideological political and social factors and processes fueling paramilitary engagement and assesses the impact of this engagement on victims of paramilitary violence and on the state and society for which the units purportedly fought It argues that coordinated action by a number of state institutions gave rise to paramilitaries tasked with altering borders while maintaining plausible deniability for the sponsoring regime The outsourcing of violence by the state to paramilitaries led to a significant weakening of the very state these units and their sponsors swore to protect The book also analyzes differences between the units and how they attacked civilians arguing that the different forms of violence stemmed not only from the function they fulfilled for the state but also the ways in which they were set up and operated The final chapter brings the different strands of the argument together into a coherent whole suggesting avenues for further research in the former Yugoslavia and beyond This book will be of much interest to students of ethnic conflict and civil war war crimes Balkan politics and International Relations in general

A Legal Geography of Yugoslavia's Disintegration Ana S. Trbovich, 2008-02-05 A Legal Geography of Yugoslavia s Disintegration explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles sovereignty and the self determination of peoples The author recounts Yugoslavia s history with a focus on the country s internal administrative divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community s political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trobovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo s future status international recognition of secession implications of Yugoslavia s disintegration for other conflicts invoking right to self determination and international intervention in ethnic conflicts

the end of the Cold War and in a world without countervailing power **The Yugoslav Wars of the 1990s** Catherine Baker, 2015-07-30 Catherine Baker offers an up to date balanced and concise introductory account of the Yugoslav wars of the 1990s and their aftermath The volume incorporates the latest research showing how the state of the field has evolved and guides students through the existing literature topics and debates **The A to Z of Bosnia and Herzegovina** Ante Cuvalo, 2010-04-08 Diversity has always been at the heart of Bosnia and Herzegovina s character even its dual name and physical geography display a particular heterogeneity The medieval Bosnian state never enjoyed lasting political and ideological unity as its feudal regional and religious rifts pulled at the country s seams Furthermore because of its location and by a quirk of history three major world religious and cultural traditions Catholicism Islam and Orthodoxy became cohabitants in this small Balkan country Recently the rebirth of its statehood has been exceptionally bloody and its diversity has been shaken Even 11 years after the guns were silenced the country is still under the benevolent protection of the international community whose officials are keeping the state building process in perpetual suspense with no final result in sight The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina s political economic religious and social system along with short biographies on important figures **Global Governmentality** Wendy Larner, William Walters, 2004-08-02 Global Governmentality extends Foucault s political thought towards international studies exploring the governance of the global the international the regional and many other extra domestic spaces **Modern Genocide** Paul R. Bartrop, 2018-10-18 An indispensable resource for those interested in the scourge of mass murder and genocide in the 20th and 21st centuries this book analyzes modern and contemporary controversies and issues to help readers to understand genocide in all its complexity This vital reference work looks at current areas of debate in genocide studies to provide insights into what a genocide is why genocides occur and what the consequences are once a genocide is recognized as such It also illuminates how and why rational people can view the same set of circumstances as genocide or not and how it might be possible in the future to alleviate or even prevent genocide Dozens of accomplished scholars provide perceptive insights into the controversies and issues that dominate genocide discussions The book is organized into five parts The first considers how genocide is defined while the second covers the pre 1945 period as it includes such controversial topics as the American Indian Wars Australian Aborigines Irish Potato Famine Armenian Genocide Ukrainian Starvation and Holocaust A Cold War section examines genocidal violence in Cambodia East Timor and Guatemala and against the Kurds a post Cold War period section covers Bosnia Rwanda Darfur and the Rohingya in Myanmar The final part concerns such issues as genocide prevention humanitarian intervention and the role of military personnel as perpetrators of genocide
