Reaching a Generation for Christ Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed The Truth has not The 1950 s are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today s kids are living in a vacuum unaffected by the changing morals of today s society How can we reach these kids with the truth of the gospel More than fifty of America s youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in these uncertain times You can reach this generation for Christ

Revolutionary Churches in Revolutionary Seasons: Dagmawi M. Wube, 2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on

all aspects of Ethiopian culture including her institutions and government Telling the Truth D. A. Carson, 2009-09-01 A pre modern baseball umpire would have said something like this There s balls and there s strikes and I call em as they are The modernist would have said There s balls and there s strikes and I call em as I see em And the postmodernist umpire would say They ain t nothing until I call em With that humorous quote Ravi Zacharias illustrates the challenge postmodernism poses to Christians passionate about evangelism How do you communicate truth to a world that isn t sure what truth is or even if truth is How do you commend spiritual absolutes to people who insist there are none If you ve puzzled even struggled over such questions the book you hold in your hands is required reading Telling the Truth provides informed insights on the heart of the Gospel the soul of postmodern culture and their complex interface This book is a compilation of thoughts and strategies from twenty nine prominent practitioners of contemporary evangelism Originating at a three day conference held at Trinity Evangelical Divinity School Telling the Truth draws on knowledge gained in the trenches by Ravi Zacharias Kelly Monroe D A Carson Ajith Fernando and other notables It will open your eyes to how the contest for souls is fought guerilla style at a multitude of fronts relationships the university ethnicity reason and emotion the pulpit communications in short the broad spectrum of human experience and values You ll be challenged to discern between the unchanging Gospel and the flexible means by which we communicate it Telling the Truth can help you lay the groundwork necessary to point biblically uninformed postmodern men and women toward an encounter with non negotiable truth an absolute revealed in the Bible that points to the reality of sin and the need for a Savior How To Conduct Discipleship Training Rufus McDowell, D. Min., 2022-03-09 Leadership Training In Discipleship For Christians With Prior Drug and Alcohol Dependence This book is resultant of my Doctor of Ministry Research Project providing a means for leaders and teachers to learn dynamics to disciple Christians that had prior drug or alcohol dependence Before implementation of this dissertation I discovered that there was not a definitive manual to train individuals to facilitate or conduct discipleship programming exclusive and conducive to this group This book is not only meant to be academic the intent is to offer concise information and instruction to aid ministers pastors church laity and others delivering drug and alcohol rehabilitative pastoral care Further usage will aid participants in traditional church institution chaplaincy prison workplace and other faith based settings Fundamentally this book insinuates spiritual social and emotional suggestions for anyone desiring development in both personal and spiritual formation In addition this book will equip you with biblical principles and modalities to teach holistically These standpoints entail examination of a biblical philosophy of discipleship centered on the Great Commission and Great Commandment in developing a comprehensive strategy involving a theological and practical study and teaching approach Throughout this study a small group format is emphasized for training and evaluation giving particular attention to Christ s model of discipleship with regards to facilitating and coaching This book will aid in revealing that the culture of the church consists of a unique group of Christians some whom have abused drugs or alcohol served time
