Sir Dana A Knight As Told By His Trusty Armor:

Sir Dana ,1988 A class of students visiting the medieval room of a museum ask questions of a suit of armor on display there about knights and the civilization in which they lived Inventing a Classroom Kathryn F. Whitmore,Caryl G. Crowell,1994 What are the patterns of teaching and learning that make a classroom holistic How do children invent oral and written language How do they create the culture and curriculum of a classroom How does the spirit of community and collaboration develop among children and teachers What are the relationships between literacy schooling and socialization as they form among the children These are a few of the broad questions that Kathy Whitmore and Caryl Crowell answer in this absorbing portrait of Caryl s third grade classroom the Sunshine Room Over the span of a school year we watch the students in this bicultural classroom within a bilingual working class neighborhood work and develop together as a community of learners It is the story of how the Sunshine Room like many whole language classrooms invents itself and how in this process the children themselves are continually inventing oral and written language culture and curriculum In two separate collaborative voices the authors carry readers through several critical events in the life of the classroom the process through which the children and the teachers negotiate the curriculum the creation of a theme study about the Middle Ages and a vicarious experience of the Middle East war through children s literature and discussions On an individual level the deep friendship between Seaira an English speaking child from the volunteer community and Lolita a bilingual Latina from the barrio is symbolic of the bicultural experience fostered in the Sunshine Room *The Persona Book* Katherine Grimes Lallier,Nancy Robinson Marino,1997-05-15 Immerse your students in history by having them participate in events as a literary or historical figure After describing the concept behind persona based enrichment the authors describe how to use it with the curriculum and include five complete literature based enrichment units with performance recommendations a list of personas and a variety of library classroom activities and projects Grades 4 7 Our World's Story ,1997 **The Middle Ages in Literature for Youth** Rebecca Barnhouse,2004 Writers of both fiction and non fiction have long been fascinated by the Middle Ages and this guide summarizes and evaluates more than 500 picture books novels nonfiction and reference books that have been written for readers in grades K 12 It also offers professional resources for educators and suggestions for classroom activities **Good News** Barb Hilliard,Sandy Trimble,2001 Designed for K 5 classrooms these creative bulletin board ideas link Bible themes to classwork The authors have created 110 different concepts with complete instructions and illustrations Following the school year the bulletin boards can be used as springboards to promote discussion and as reminders of the central message in a particular lesson The authors have also outlined ideas for classroom activities suggestions for appropriate books field trip ideas party plans cooperative learning activities and Web sites Faith lessons are generously sprinkled throughout A section called Bible Heroes from A to Z provides brief retellings of heroic deeds that bring Bible heroes to life Even students who know their Bible well will enjoy these 5 minute short stories The
