

An Unbreakable Bond... We are Sisters

I simply can't imagine my world without you in it.
Together we laugh till we cry and cry till we laugh.
We feel each other's joy and share each other's pain
with a connection that only sisters have.

We can talk openly any time,
knowing our most intimate
conversations will be kept safe,
with a confidence that cannot be breached.
The bond of our sisterhood anchors us with a
solidarity that allows us to ride out any storm.

But the greatest blessing of all
is that through all the ups and downs,
all the trials and heartaches we have endured,
we can always find solace and peace
when we are together...

a level of comfort like no other.
I am forever grateful that our relationship
is a sisterhood of unconditional love and friendship
that truly makes my heart tingle.

I thank God that you are my sister.
And I thank you for being my friend.

Growing up, we typically spend more time with our brothers and sisters than we do with our parents. In an age of divorce, mobility, and alienation, the sibling bond is often the only one that really lasts. Given that brothers and sisters are such a fundamental aspect of human existence, it is remarkable that they have received so little in-depth attention in the field of psychology. Henry Abramovitch's **Brothers and Sisters** explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother-sister stories in the Bible. Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other, concluding with a very personal account of his own relationship with his brother and sister.
