Most Wesleyan Holiness churches started in the US developing out of the Methodist roots of the nineteenth century Holiness Movement The American origins of the Holiness movement have been charted in some depth but there is currently little detail on how it developed outside of the US This book seeks to redress this imbalance by giving a history of North American Wesleyan Holiness churches in Australia from their establishment in the years following the Second World War as well as of The Salvation Army which has nineteenth century British origins It traces the way some of these churches moved from marginalised sects to established denominations while others remained small and isolated Looking at The Church of God Anderson The Church of God Cleveland The Church of the Nazarene The Salvation Army and The Wesleyan Methodist Church in Australia the book argues two main points Firstly it shows that rather than being American imperialism at work these religious expressions were a creative partnership between like minded evangelical Christians from two modern nations sharing a general cultural similarity and set of religious convictions Secondly it demonstrates that it was those churches that showed the most willingness to be theologically flexible even dialling down some of their Wesleyan distinctiveness that had the most success This is the first book to chart the fascinating development of Holiness churches in Australia As such it will be of keen interest to scholars of Wesleyans and Methodists as well as religious history and the sociology of religion more generally      South Pacific Handbook David Stanley, 1993 An all new edition of the original comprehensive South Pacific guide completely revised and updated with over 85% new material Stanley provides an accurate portrait of all 15 insular territories of Polynesia and Melanesia offering an insider's knowledge spirited commentary and adventurous coverage Contains nearly 200 concise reliable maps glossary and index Moon Publications      **Village Medical Manual: A Layman's Guide to Health Care in Developing Countries** Mary Vanderkooi, 2000      The Publishers' Circular and Booksellers' Record , 1926      The Year-book of Australia , 1894      Contemporary Authors , 1974      Athenaeum and Literary Chronicle James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1879      **The Saturday Review of Politics, Literature, Science and Art** , 1903      "The" Athenaeum , 1879      **British Books** , 1903
