Dear Son: An Imaginary Letter from a Loving Dad Gift Gugu Mona, There is a point in time when the words of a father or father figure become very significant in a man's life In an African setting a father would gather his sons in the evening by the fireside and share life's essential lessons In other settings such a gesture would often happen over a dinner table or fishing expedition All the same the intent is to impart knowledge from the older man to the younger one A father who is a role model would long for his son to preserve the legacy of the family or community Thus words from a loving father to his beloved son can never be underestimated In this book Dr Gift Gugu Mona wears unusual boots to reflect on what fathers would often say to their sons This book comprises three hundred and sixty five words of encouragement to a son from a loving father in quotes The content is relevant for young and older men alike who yearn for fatherly advice This timeless piece synchronizes ancient wisdom and inspiration for the modern day man While the content can apply to any gender the book was well crafted to ensure that sons do not miss an opportunity to partake in their fathers teachings
