Soul Providers Writings By Single Parents:

Soul Providers Gil McNeil,1994 **The Virago Story** Catherine Riley,2018-04-23 The 1970s witnessed a renaissance in women's print culture as feminist presses and bookshops sprang up in the wake of the second wave women's movement. At four decades remove from that heady era however the landscape looks dramatically different with only one press from the period still active in contemporary publishing Virago. This engaging history explains how from modest beginnings Virago managed to weather epochal transformations in gender politics literary culture and the book publishing business. Drawing on original interviews with many of the press's principal figures it gives a compelling account of Virago's place in recent women's history while also reflecting on the fraught relationship between activism and commerce.

Out of Time Lynne Segal,2013-11-05 A leading feminist thinker reflects on her own life and the lives of other artists to explore the ups and downs of growing old. This thoughtful reflective book on aging encourages people to keep dreaming keep fighting and perhaps most of all keep living. **Pop Matters** How old am I? Don't ask don't tell. As the baby boomers approach their sixth or seventh decade they are faced with new challenges and questions of politics and identity. In the footsteps of Simone de Beauvoir leading feminist thinker Lynne Segal looks at many of the issues facing the aged: the war of the generations and baby boomer bashing the politics of desire the diminished situation of the older woman the space on the left for the presence and resistance of the old the problems of dealing with loss and mortality and how to find victory in survival. Brilliant moving and challenging. **Out of Time** is an urgent and necessary corrective to the assumptions and taboos that constrain the lives of the aged.

The Soul of a Single Parent April Boyd-Noronha,2014-03-27 The **The Soul of a Single Parent** is a candid up close and personal perspective of my journey as a single parent. It is written from a single mom's perspective. This is not to discount disregard or discredit the many single fathers who also single handedly choose to do the right thing every day. Each chapter is but a glimpse of the journey into the soul of a single parent. Unless you are truly a single parent don't judge me until you have walked at least a mile in my shoes or spent a whole day no scratch that a whole week in the life of a single parent. If you are a single parent I hope you enjoy this literary journey with me. Feel free to laugh with me not at me as you read through the pages. Go ahead sit down and shed a tear of joy or pain with me as I share my world with you. More importantly I pray that you gain further insight and purpose as to your divine role as a single parent. Each chapter starts with my perspective or a short snippet of coming from

where I'm from then digs deeper to further share my truth or turning point of my single parent journey Are you ready to snapback from single parent paralysis Is it time to get your SWAG on If so then let's begin **Soul Provider** Edward L.
