## **The Martyred:**

*The Martyred* Richard E. Kim, 2011-05-31 Written in a mood of total austerity and yet the passion of the book is perpetually beating up against its seemingly barren surface I am deeply moved Philip Roth During the early weeks of the Korean War Captain Lee a young South Korean officer is ordered to investigate the kidnapping and mass murder of North Korean ministers by Communist forces For propaganda purposes the priests are declared martyrs but as he delves into the crime Lee finds himself asking What if they were not martyrs What if they renounced their faith in the face of death failing both God and country Should the people be fed this lie Part thriller part mystery part existential treatise *The Martyred* is a stunning meditation on truth religion and faith in times of crisis For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *The Martyred President* Charles Seymour Robinson, 1865 **The Martyred Inquisitor: The Life and Cult of Peter of Verona (†1252)** Donald Prudlo, 2017-05-15 Peter Martyr was one of the central Dominican saints of the thirteenth century in some cases eclipsing Dominic himself Born in Verona around 1206 to those with Cathar sympathies he became a convert to Catholicism As one of the first generations of Dominicans he represents aspects of their primitive history both as a spellbinding preacher and as one of the earliest and most famous papal inquisitors In 1252 shortly after his official appointment to the post of inquisitor for Lombardy Peter was assassinated at the hands of a cabal of Milanese heretics That there is no modern monograph on Peter represents a considerable lacuna in the study of medieval saints This work therefore fills a very important gap in both thirteenth century hagiographical studies and studies of the interrelationship of heresy and imperial politics in the mid thirteenth century The first half of the book is a systematic study of the stages in the life miracles and posthumous cult of Peter of Verona Part One deals with many controversial issues of Peter's life such as his role in the growth of the Dominican order and related confraternities in Lombardy and Tuscany his status as papal inquisitor and his preaching Part Two explores the cult of Peter Martyr The brief time which elapsed between death and canonization makes Peter Martyr an especially interesting case in the field of cult study as for him life led immediately to cult a cult dominated by those who knew him personally The second half of the book is a translation into English of the major primary sources concerning Peter These will be of interest to students of papal canonization the Dominican order the Inquisition hagiography and local history *Our Martyred President as a Man ...* George Washington Townsend, 1901 **The Martyr's Oath** Johnnie Moore, 2017 Be Inspired by Amazing Eyewitness Stories of Hope and Courage from the Persecuted Church We are witnessing an astonishing escalation in Christian persecution like we have rarely seen since the first century Some estimate that every five minutes a Christian is martyred for his or her faith

Countries like Egypt have experienced more Christian persecution in the last five years than in the previous six hundred years combined And who could have missed the atrocities of ISIS in Syria Boko Haram in Nigeria and the continued persecution of Christians in North Korea Johnnie Moore like many American Christians didn't fully appreciate the extent of what was going on until he witnessed the graduation of theology students in India Unlike graduation ceremonies in America where feel good speeches made by visiting celebrities are common this one featured a remarkable oath It wasn't an oath to excel or succeed It was an oath to be willing to die if necessary for the cause of Christ This was no empty promise This was a choice choosing the eternal over the temporal Johnnie knew he was witnessing a raw first century Christianity that his comfortable American version had shielded him from For the first time I really understand my faith says Johnnie Moore Now he's on a mission to give this same experience to others He and his team have crisscrossed the world recording in hand gathering eyewitness accounts from dozens of people who survived persecution and the stories of some who didn't Join Johnnie Moore on this compelling journey to the heart of the Christian faith *The Martyr Lamb, Or, Christ* Friedrich Wilhelm Krummacher, 1845 Paul the Martyr David L. Eastman, 2011 Ancient iconography of Paul is dominated by one image Paul as martyr Whether he is carrying a sword the traditional instrument of his execution or receiving a martyr's crown from Christ the apostle was remembered and honored for his faithfulness to the point of death As a result Christians created a cult of Paul centered on particular holy sites and characterized by practices such as the telling of stories pilgrimage and the veneration of relics This study integrates literary archaeological artistic and liturgical evidence to describe the development of the Pauline cult within the cultural context of the late antique West *The Cult of King Charles the Martyr* Andrew Lacey, 2003 The first study to deal exclusively with the cult of King Charles the Martyr Charles I as suffering innocent king walking in the footsteps of his Saviour to his own Calvary at Whitehall and the political theology underpinning it taking the story up to 1859 **The Martyr President** John George Butler, 1865 Martyred Richard E Kim, 2015-08-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Memoir of the Church of S.
