The McCone Files:

The McCone Files Marcia Muller, 2011-10-01 Marcia Muller is as Sue Grafton pointed out the creator of the modern female private eye story and Sharon McCone is one of the finest and most sensitive of all current sleuths Sharon came upon the scene in 1977 with *Edwin of the Iron Shoes* the first of fifteen novels and fifteen short stories filled with cluing and caring The McCone Files gathers all of Sharon's short cases into a single volume covering her entire career as staff investigator at All Souls Legal Cooperative in San Francisco From the death of a clown in Diablo Valley to the disappearance of a young socialite on the Golden Gate Bridge from the murder of a teenage gang leader in San Francisco to the drowning of an aged Japanese herb gatherer and from streets filled with juvenile runaways to the quietness of a mausoleum Sharon investigates not only who committed the crimes but also what they say about the world toward the end of the twentieth century [Final Report of the Kennedy Assassination Records Review Board](#) John R. Tunheim, 1999-03 The final report on the assassination of President John F Kennedy The Review Board has worked hard to obtain all records relating to the assassination of President Kennedy and to release the records to the fullest extent possible to the American people They have done so in the hope that release of these records will shed new evidentiary light on the assassination enrich the historical understanding of that tragic moment in American history and help restore public confidence in the government's handling of the assassination and its aftermath **Final Report of the Assassination Records Review Board** United States. Assassination Records Review Board, 1998 [The Hidden History of the JFK Assassination](#) Lamar Waldron, 2013-10-21 **INSIDE THE CRIME OF THE CENTURY** This fascinating history draws on never before published information to reveal the Mafia conspiracy that led to the assassination of John F Kennedy Answering the questions that have haunted Americans for decades Why and how was JFK murdered The Hidden History of JFK's Assassination draws on exclusive interviews with more than two dozen associates of John and Robert Kennedy in addition to former FBI Secret Service military intelligence and Congressional personnel who provided critical first hand information The book also uses government files including the detailed FBI confession of notorious Mafia godfather Carlos Marcello to simply and clearly reveal who killed JFK Using information never published before the book uses Marcello's own words to his closest associates to describe the plot His confession is also backed up by a wealth of independent documentation This book builds on the work of the last Congressional committee to investigate JFK's murder which concluded that JFK was probably assassinated as a result of a conspiracy and that godfathers Santo Trafficante and Carlos Marcello had the motive means and opportunity to assassinate President Kennedy However it also draws on exclusive files and information not available to Congress that have only emerged in recent years to fully explain for the first time how Marcello and Trafficante committed and got away with the crime of the 20th century **Foreign Relations of the United States** United States. Department of State, 2004 State Department Publication 11041 Editor Kent Sieg General Editor Edward C Keefer Part of a subseries of volumes which document the most important issues in the foreign policy of the

administration of President Lyndon B Johnson Includes memoranda and records of discussions that set forth policy issues and options and show decisions or actions taken **CIA Documents on the Cuban Missile Crisis** DIANE Publishing

Company,1995-03 **Edwin of the Iron Shoes** Marcia Muller,2012-04-15 It s Sharon McCone s first case as staff investigator for All Souls Legal Cooperative She knows nothing about antiques yet she has an affection for Salem Street with its charming mix of antique and curio shops Now elderly dealer Joan Albritton has been found dead stabbed with an antique dagger Her neighbors are shocked Recurring vandalism has them frightened Ferreting out the facts will take Sharon from the chaotic jumble of the junk dealer s establishment to a museum where San Francisco s most elegant socialites gather

Sherwin,2022-02-22 From the Pulitzer Prize winning author of American Prometheus comes the first effort to set the Cuban Missile Crisis with its potential for nuclear holocaust in a wider historical narrative of the Cold War how such a crisis arose and why at the very last possible moment it never happened Fresh and thrilling A fascinating work of history that is very relevant to today s politics Walter Isaacson bestselling author of The Code Breaker Pulitzer Prize winning author Martin J Sherwin introduces a dramatic new view of how luck and leadership avoided a nuclear holocaust during the October 1962 Cuban missile crisis Set within the sweep of the Cold War and its nuclear history every chapter of this gripping narrative of the origins and resolution of history s most dangerous thirteen days offers lessons and a warning for our time Gambling with Armageddon presents a riveting page turning account of the crisis as well as an original exploration of the evolving place of nuclear weapons in the Post World War II world **Foreign Relations of the United States 1964-1968** United States.

Department of State,1992 *Intelligence and the Cuban Missile Crisis* James G. Blight,David A. Welch,2013-11-05 This is the first study to examine thoroughly the role of US Soviet and Cuban Intelligence in the nuclear crisis of 1962 the closest the world has come to Armageddon Live by the Sword Gus Russo,1998-11-25 Humiliated at the Bay of Pigs John and Robert

Kennedy sought desperately to eliminate Castro Their strategies for overthrowing the Cuban leader were so elaborate and bizarre they could only engender paranoia Castro openly threatened to retaliate Pro Castro agitator Lee Harvey Oswald learned that Robert Kennedy was personally supervising groups plotting against the Cuban leader Filled with rage and a sense of destiny Oswald went to the Cuban embassy in Mexico announcing he would kill America s president in exchange for sanctuary in Havana Live By the Sword forces the conclusion that members of the Cuban regime accepted the troubled

American s offer Russo shows that Oswald was indeed JFK s lone assailant but that after the president s murder a devastated Robert Kennedy and key officials launched a comprehensive coverup to hide its true causes Gus Russo based in Baltimore Maryland has reported for acclaimed ABC and PBS documentaries on JFK and done research for authors Gerald Posner Seymour Hersh and Anthony Summers Exhaustively researched Live by the Sword ends 35 years of public mistrust and confusion over the Kennedy assassination **Flak-Catchers** Lindsey Lupo,2010-12-02 Flak Catchers explores the ways in which riot commissions the institutional bodies appointed by an executive in the aftermath of a race riot to determine a riot timeline investigate causes and offer prescriptions for change have dealt with racial violence in the United States over the last century In studying five riots and their commissions Chicago 1919 Harlem 1935 Los Angeles 1965 USA 1967 and Los Angeles 1992 this book shows that riot commissions only serve to give the appearance of strong and responsive government action during uncertain times They primarily benefit the instituting body by focusing on a restoration of law and order while undermining any larger civil rights message However this book also challenges the prevalent idea that riot commissions are all the same by revealing how riot commissions have changed over the last century shifting in their prominence content and focus After the 1968 Kerner Commission which studied the 1967 summer riots it has become increasingly common for the riot commission to fail to answer fundamental questions posed by the crisis *Foreign Relations of the United States* David S. Patterson,Government Publications Office,2002 State Department Publication 10921 General Editor David S Patterson Documents United States national security policy during the Johnson administration Marcia Muller and the Female Private Eye Alexander N. Howe,Christine A. Jackson,2014-11-01 In 1977 Marcia Muller invaded the all male domain of detective literature and within a decade was established as the mother of the female hardboiled private eye She is now the author of four detective series including the critically acclaimed Sharon McCone series of more than two dozen novels This collection critically assesses Marcia Muller s writing and reevaluates current critical views on women s detective fiction in general In the first two of the book s three sections essays explore Muller s engagement with modern and postmodern feminism ethnicity and the socially underprivileged The third section focuses on one of Muller s major themes the trauma of history Drawing from the feminist historicist mythic psychoanalytic and cultural approaches found in all three sections the conclusion offers a panoramic perspective on Muller s accomplishments The Cuban Connection Eduardo Sáenz Rovner,2009-06-01 A comprehensive history of crime and corruption in Cuba The Cuban Connection challenges the common view that widespread poverty and geographic proximity to the United States were the prime reasons for soaring rates of drug trafficking smuggling gambling and prostitution in the tumultuous decades preceding the Cuban revolution Eduardo Saenz Rovner argues that Cuba s historically well established integration into international migration commerce and transportation networks combined with political instability and rampant official corruption to help lay the foundation for the development of organized crime structures powerful enough to affect Cuba s domestic and foreign politics and its very identity as a nation

Saenz traces the routes taken around the world by traffickers and smugglers After Cuba the most important player in this story is the United States The involvement of gangsters and corrupt U S officials and businessmen enabled prohibited substances to reach a strong market in the United States from rum running during Prohibition to increased demand for narcotics during the Cold War Originally published in Colombia in 2005 this first English language edition has been revised and updated by the author **Cold War in the High Himalayas** S Mahmud Ali,S. Mahmud Ali,2019-05-23 This text examines elite insecurity perceptions in India Pakistan and the USA in the 1950s The book highlights the consequent linkages in alliance building efforts and the subsequent triangular covert collaboration against Communist China especially along Tibet s Himalayan frontiers This secret alliance had an unexpected fall out on the Kashmir dispute between India and Pakistan Lastly the book examines the divergence of Indo Pakistani security policies along fundamental cleavages since the 1960s **Make Mine a Mystery** Gary Warren Niebuhr,2003-04-30 Presents a comprehensive guide for mystery and detective fiction compiling over 2 500 titles from more than 200 authors and including plot overviews a history of the genre and a discussion on collection development CIA and the Vietnam Policymakers Harold P.
