- Americanism is a set of the United States patriotic values aimed at creating a collective American identity, and can be defined as "an articulation of the nation's rightful place in the world, a set of traditions, a political language, and a cultural style imbued with political meaning".
- According to the American Legion, *Americanism* is an ideology, or belief in devotion, loyalty, or allegiance to the United States of America, or to its flag, traditions, customs, culture, symbols, institutions, or form of government.

In the words of Theodore Roosevelt, "Americanism is a question of spirit, conviction, and purpose, not of creed or birthplace."
