The Meaning Of Freemasonry:

The Meaning of Freemasonry Albert Pike, 2014-03-29 This Is A New Release Of The Original 1874 Edition **The Meaning of Masonry** Walter L. Wilmshurst, 2016-07-28 THE papers here collected are written solely for members of the Masonic Order constituted under the United Grand Lodge of England They have been written with a view to promoting the deeper understanding of the meaning of Masonry *The Meaning Of Masonry (Annotated Edition)* W. L. Wilmshurst, 2013-10-17 This most interesting and illuminative work is worthy a place on every Mason s bookshelf It seems taken for granted says the author that reception into the Order will automatically be accompanied by an ability to appreciate forthwith and at its full value all that one there finds The contrary is the case for Masonry is a veiled and cryptic expression of the difficult science of spiritual life and the understanding of it calls for special and informed guidance on the one hand and on the other a genuine and earnest desire for knowledge and no small capacity for spiritual perception on the part of those seeking to be instructed In Freemasonry as in all phases of life many are called but few are chosen Masonry is not a mere formalism but a life to be lived If you do not live the life you cannot know the doctrine Masonry is an effort to perpetuate the essential doctrines of the Ancient Mysteries but alas it does so in a very perfunctory manner So veiled are its allegories and symbols that it is almost impossible to penetrate into the Holy of Holies *The Meaning of Masonry* W. L. Wilmshurst, 2016-12-07 Who are the Masons and what does their society believe in Although there are over six million members of this fraternity worldwide with some extremely famous past members including George Washington Wolfgang Amadeus Mozart and Simon Bolivar little is actually known about what they do W L Wilmshurst s *The Meaning of Masonry* sheds light upon this notoriously secretive organization As a mason himself in the early twentieth century Wilmshurst had first hand knowledge of Masonic rituals and practices and here explains the symbolism behind it its rites and beliefs and ultimately why people become Masons From the various degrees that the hold to their clothing that they wear and the lodges which they attend Wilmshurst s *The Meaning of Masonry* analyses multiple aspects of the organization He provides a fascinating insight into the Masonic Order uncovering the origins of their beliefs and placing them in the context of when they began W L Wilmshurst was an English author and Freemason He published four books on Freemasonry He first joined the Huddersfield Lodge No 290 in 1889 *The Meaning of Masonry* was his first book published in 1922 Wilmshurst died in 1939 *The Meaning of Masonry* Albert Pike, 2007-09 A biting lecture read at the request of the Grand Lodge of Louisiana by Albert Pike in 1858 The lecture was subtitled *The Evil Consequences of Schisms and Disputes for Power in Masonry and of Jealousies and Dissensions Between Masonic Rites* and is a fascinating look at Pike s interpretation of the Masonic wars of the mid 1800 s in Louisiana *The Meaning of Masonry* Lynn F. Perkins, 2011-05 *The Meaning of Masonry* Albert Pike, 1924 **Meditations on Masonic Symbolism** John R. Heisner, 2013-07 *Meditations on Masonic Symbolism* is Master Mason John R Heisner s reflective scholarly exploration of the symbolism in the ritual of Freemasonry for Freemasons and

non Masons alike While there is much to discover about the meaning of the hallmark Masonic symbols there is nothing secret about Freemasonry's defining love for humanity What Masonic symbols do reveal about the guiding purpose of a Masonic lodge is brought to light in Meditations on Masonic Symbolism Master Mason John R Heisman's reflective exploration of the symbolism in the ritual of Freemasonry that reveals how they illuminate ancient knowledge about mankind's relationship to God A compilation of articles written for the author's Masonic Lodge Blackmer Lodge No 442 in his year as Master Meditations on Masonic Symbolism sheds fascinating new light on Freemasonry for Freemasons and non Masons alike about the workings of this worldwide and ancient fraternity Often described as a secret society owing to its use of certain symbols the essays in Heisman's book help demystify Freemasonry for those who are interested in a deeper understanding of its mission For instance a variety of charities that are supported by Freemasonry and its millions of men and women are well known and easily recognizable Children's hospitals are operated by Shriners throughout the world Speech therapy centers educational grants eye care foundations and homes for the aged are funded and operated by Scottish Rite Masons Knights Templar and Grand Lodges everywhere they are situated Heisman's book explains Freemasonry as a fraternal organization with many groups several of which are designed for boys and girls All Masonic organizations have a charity and are devoted to the ideals of brotherly love relief and truth Scholarly and philosophical Meditations on Masonic Symbolism provides insight on recognizable Masonic symbols such as the square and compass From the significance of beauty in its architecture to the pillar of wisdom each essay in this thoughtful collection reveals in detail the significance of the symbols and how they come together in this intricate and long contemplated belief system In clear accessible language the book explains all manner of Freemasonry principles including harmony knowledge brotherhood unity and more While the rituals of the organization may only be attended by Freemasons its lessons may be studied by anyone interested in subjects such as philosophy comparative religion liberal arts and geometry Meditations on Masonic Symbolism is a thought provoking elegant addition to any well rounded library

[The Secrets of Freemasonry](#) Robert Lomas,2011-09-01 Many people are curious about the existence of secret societies which claim to hold arcane religious or esoteric knowledge and pass it down through the generations via selected adepts Classic Masonic writers including William Preston Robert Gould JSM Ward AE Waite and WL Wilmshurst have written about secret traditions connected to the Temple of Sion Each has different ideas about how mystical knowledge came into Freemasonry Some say that the Charter of Larmenius reveals an underground line of Knight Templar Grand Masters who survived down to the nineteenth century All agree there is a Secret Lodge or House of Adepts who continue to teach true knowledge of the ancient mysteries and that The Craft transmits beliefs linked to the Earls of Rosslyn the Knights Templar and Lodge Mother Kilwinning Masonic expert Robert Lomas has collected together this thread of belief from old Masonic writers and rewritten it in modern English to make the ideas accessible to modern readers

Wilmshurst's the Meaning of Masonry W. L. Wilmshurst,2013-01-15 What is the point of Freemasonry Why do we

have degrees and what is this path Masons are supposed to be on W L Wilmshurst gives us a clear understanding of these and other aspects of the Masonic spiritual path of initiation This classic work has been recommended for new and experienced Masons since its 1922 original publication Retypeset 2013 Cornerstone edition **An Encyclopaedia of Freemasonry** Albert Mackley, 2023-05-15 Reprint of the original first published in 1874 **An Encyclopedia of Freemasonry and Its Kindred Sciences ...** Albert Gallatin Mackey, Charles Thompson McClenachan, 1905 An Encyclopaedia of Freemasonry and Its Kindred Sciences Albert Gallatin Mackey, 1874 *The Meaning of Masonry, Revised Edition* W. L. Wilmshurst, 2007-11 W L Wilmshurst s powerful vision of the rites and rituals of Freemasonry as a spiritual philosophy begins with this book Here Masonry is presented as a sacramental system represented not only by the ceremonies as experienced in the initiations but also by an internal and mystical side hidden behind the visible symbolism available only to the Mason who has learned to use his spiritual imagination and who can appreciate the reality that lies behind the veil This new revised edition features a more readable modern typeface and is enriched with extensive notes to make many of its points more accessible for both British and American students of Freemasonry Prominent Masonic author Robert G Davis calls this book An easy to read and gratifying work which affirms Wilmshurst s interpretation that the progressive lessons of Craft Masonry are nothing less than the spiritual journey of the psyche toward full realization **The History of Freemasonry** Robert Freke Gould, 1886 **An Encyclopædia of Freemasonry and Its Kindred Sciences** Albert Gallatin Mackey, 1912 The Meaning of Masonry W. L. Wilmshurst, 2011-12-04 THE papers here collected are written solely for members of the Masonic Order constituted under the United Grand Lodge of England To all such they are offered in the best spirit of fraternity and goodwill and with the wish to render to the Order some small return for the profit the author has received from his association with it extending over thirty two years They have been written with a view to promoting the deeper understanding of the meaning of Masonry to providing the explanation of it that one constantly hears called for and that becomes all the more necessary in view of the unprecedented increase of interest in and membership of the Order at the present day The meaning of Masonry however is a subject usually left entirely unexpounded and that accordingly remains largely unrealized by its members save such few as make it their private study the authorities of what in all other respects is an elaborately organized and admirably controlled community have hitherto made no provision for explaining and teaching the noble science which Masonry proclaims itself to be and was certainly designed to impart *Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 4: S-Z* Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the

history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey s Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume four out of four and covering the letters S to Z **The History of Freemasonry** Albert Gallatin Mackey,1898 **General History, Cyclopedia and Dictionary of Freemasonry** Robert Macoy,1870
