The Media And Foreign Policy:

News Media and Foreign Relations Abbas Malek,1997 The first section of the book addresses theoretical issues and lays a foundation for analysis of the role of the media in foreign relations The second part provides empirical studies demonstrating some of these relationships Annotation copyrighted by Book News Inc Portland OR

The Media and Foreign Policy Simon Serfaty,2014-01-14 In this volume journalists and officials as well as academic experts analyze the respective roles of the press and the government in the formulation and implementation of American foreign policy It examines the influence of the media on issues such as the US involvement in Vietnam *Foreign Policy and the Media* Jarno S. Lang,2016-09-27 This book analyzes the response of the Indonesian press to American foreign policy during the administrations of Presidents Bush and Obama Situated in Southeast Asia Indonesia is the world s fourth most populous country and the largest Muslim nation and as such is a potentially vital economic and strategic partner to the US in the 21st century Ever since Indonesian independence post World War II relations to the US have been marked by ups and downs The author argues that the way the Indonesian public perceives the world has an impact on the national self image that again heavily influences national foreign affairs For both the US and Indonesia this is a crucial moment in bilateral relations This study explores Indonesian media responses to American foreign policy by analyzing more than 400 press articles In the context of President Obama s declared pivot to Asia both countries need to find a way to foster better relations *The Internet and Foreign Policy* James F. Larson,2004 This headline series explores the competing views and complexities of a changing relationship bet the media and foreign policy

The News Media and Foreign Policy Brian Buckley,Dalhousie University. Centre for Foreign Policy Studies,1998

Media Pressure on Foreign Policy Derek Miller,2007-07-09 This study offers an explicit theory of media pressure what it is how it works how it can be measured based in part on the positioning theory in discursive psychology This offers the first independent and comparative history and analysis of media pressure vs coverage through the lens of the insurrection against Saddam Hussein in 1991 Terrorism and the Media Brigitte Lebens Nacos,1994 Exploring the recent increase in anti American terrorism this updated study argues that terrorist groups are now exploiting the link between the media and public opinion polls particularly regarding the popularity of American presidents in order to publ

Chinese Authoritarianism in the Information Age Suisheng Zhao,2019-06-24 This book examines information and public opinion control by the authoritarian state in response to popular access to information and upgraded political communication channels among the citizens in contemporary China Empowered by mass media particularly social media and other information technology Chinese citizen s access to information has been expanded Publicly focusing events and opinions have served as catalysts to shape the agenda for policy making and law making narrow down the set of policy options and change the pace of policy implementation Yet the authoritarian state remains in tight

control of media including social media to deny the free flow of information and shape public opinion through a centralized institutional framework for propaganda and information technologies The evolving process of media control and public opinion manipulation has constrained citizen s political participation and strengthened Chinese authoritarianism in the information age The chapters originally published as articles in the Journal of Contemporary China How American Media Presents Crisis of Sino-US Relations Liu Wen,2020-10-25 Sino US relation that has great influence on international relations is considered as the most important bilateral relation in the world today by politicians and scholars from both of the two countries The development of Sino US relation has undergone twists and turns since the two countries established diplomatic relation Although China and America has developed cooperative relationship in various areas critical events resulted from conflicts happen from time to time Media that plays various roles including message transmitter public opinion shaper and problem solver during the two countries crisis is not only an important information channel for both the government and the people to learn about the crisis quickly but also undertakes certain diplomatic duties like indicating attitude explaining policy and setting agenda This book is an analysis of the features and laws of media coverage on critical events between China and America discussing their influence on public opinion of American people as well as the decision making progress of American government by study the related reports of New York Times since 1990 This book takes some China US crisis as study cases and the related reports in New York Times as researching sample analyzing the quantity length type information source inclination towards China and news frame of the reports discussing the features and laws of media coverage on crises between China and America The ultimate purpose is to figure out the role and function of media during the decision making process of America s China policy and to conclude the inspiration for both countries diplomacy and international communication **Rhetoric, Media, and the Narratives of US Foreign Policy** Adam Lusk,2021-12-30 Rhetoric Media and the Narratives of US Foreign Policy Making Enemies studies the process of communicating threats to the US public and explores when and why the American public believes another country or regime is a threat Through a comparative and historical study the author focuses on how the media environment enables and constrains rhetorical strategies deployed to construct reproduce and change narratives about a threat Recent literature on threat inflation securitization and critical security studies returned to the concept of threat Building on this renewed conceptual attention this book examines why and how policy makers and other public figures in particular the President convince the public about a threat and will be of interest to students and academics in the disciplines of political science international relations foreign policy security studies and contemporary history News Media and EU-China Relations L. Zhang,2011-04-11 An exploration of the role of the news media in the development of EU China relations after the end of the Cold War this book provides empirical evidence to support what Nye and Anholt have argued that branding a country s image is soft power The author examines the nature of European Union and China coverage in Chinese and European news media respectively and explores how the economics

politics and journalistic practice interplay in shaping the coverage Based on this analysis the author delves into the relationship between the news media and their foreign policy toward each other in terms of both the general direction of policy making and the policy in a specific issue area Including not only content analysis of media coverage but also has first hand interview materials with the officials involved in the decision making process and the journalists involved in reporting the EU and China the book sheds light on the way in which the media construct the post Cold War world and therefore play a role in transforming international relations *The Media and Political Process* Dr Eric Louw, 2005-04-18 Has the mediaization of politics played any role in encouraging a growing cynicism and disillusionment with political processes in Western democracies This book examines the increasingly topical subject of the political process and assesses The nature of the relationship between mass media and the political process The impact of media ization on existing political frameworks The implications of media ized politics Eric Louw uses a number of case studies including political celebrity war and terrorism to provide a media studies perspective on how media workers journalists public affairs officers spin doctors impact upon the political process The book also considers the media s role in promoting a range of twentieth century ideologies and emerging dominant discourses It will be important reading for students of Media Politics Cultural Studies Journalism and Public Relations

The Oxford Handbook of American Public Opinion and the Media Robert Y. Shapiro, Lawrence R. Jacobs, 2013-05-23 With engaging new contributions from the major figures in the fields of the media and public opinion The Oxford Handbook of American Public Opinion and the Media is a key point of reference for anyone working in American politics today *The Media and Political Process* Eric Louw, 2010-02-17 How have professional communicators transformed the business of politics How do political bodies use the media to sell domestic and foreign policies to the public This fully revised new edition of *The Media and Political Process* assesses the impact of spin doctoring and media activity in liberal democracies that are just as concerned with impression management and public relations as with policy Political processes never stand still and this revised second edition explores the mediatization of the political process in light of recent developments from Vladimir Putin s growth into a political celebrity to the activities of spin doctors in the 2008 US Presidential Elections Providing a comprehensive overview of the evolution operation and terminology of political communication this text is an accessible lively resource for students of political communication and media and politics and will be important further reading for students of journalism public relations and cultural studies *Politics and the Press* Pippa Norris, 1997 Contains 12 contributions including some original research by scholars journalists and media executives at Harvard s Joan Shorenstein Center Contributions focus on the influence of the press on the policy apparatus of government and the impact of economics and changes in communications technology on news reporting The volume also includes perspectives on minorities and women as members of the news industry Annotation copyrighted by Book News Inc Portland OR

Foreign Policy Steve Smith, Amelia Hadfield, Timothy Dunne, 2012-06-21 Foreign Policy is unique in that it combines

theories actors and cases in one volume This approach encourages the reader to appreciate a balanced view of the theory and how foreign policy is carried out in the real world *Media, Wars and Politics* Ekaterina Balabanova,2017-11-30 The interaction between media and foreign policy is a critical dimension of the so called age of new military humanitarianism The media is now more effective in gathering and distributing information all over the world and media coverage of humanitarian wars allows for information and images to reach a wide audience with great immediacy and realism For policy making the 24 7 news cycle means high levels of exposure to fast breaking international stories receiving global attention and producing a powerful do something effect This topical book widens the debate beyond US media and policy making by considering the case of Western and Eastern European media and policy processes It tests the wider application of existing theoretical approaches and provides useful comparisons allowing the reader to draw conclusions on the media policy relationship It is an excellent resource for all those interested in political communication European politics and media studies **The Making of China's Foreign Policy in the 21st century** Suisheng Zhao,2018-02-02 This book is a study of the making of foreign policy of China a rising power in the 21st century It examines three sets of driving forces behind China s foreign policy making One is historical sources including the selective memories and reconstruction of the glorious empire with an ethnocentric world outlook and the century of humiliation at the hands of foreign imperialist powers The second set is domestic institutions and players particularly the proliferation of new party and government institutions and players such as the national security commission foreign policy think tanks media and local governments The third set is Chinese perception of power relations particularly their position in the international system and their position relations with major powers This book consists of articles from the Journal of Contemporary China **Routledge Handbook of American Foreign Policy** Steven W. Hook,Christopher M. Jones,2012-04-23 The Routledge Handbook of American Foreign Policy brings together leading experts in the field to examine current trends in the way scholars study the history and theories of American conduct in the world analysis of state and non state actors and their tools in conducting policy and the dynamics of a variety of pressing transnational challenges facing the United States
