Commerce Commission. Bureau of Transport Economics and Statistics,1913      *Wise as Serpents Harmless as Doves* Richard Van Houten,1988-06-01 Christians in China Tell Their Story *Wise as Serpents Harmless as Doves* recalls the incredible journey of the Chinese Church in the face of unimaginable adversity from 1949 through 1984 Following the communist victory in the civil war in 1949 the church in China found itself in a precarious position pressured to sever ties with fellow Christians abroad and limit its activities within its own land As obstacles mounted the survival of a remnant seemed like the only hope for the Chinese Church Through interviews and testimonies gathered by the Chinese Church Research Center a remarkable phrase emerged wise as serpents and harmless as doves The Chinese Christians adapted to the changing times adjusting their approach to remain faithful to their beliefs When persecution was rampant they gathered secretly and in small numbers When society relaxed they boldly proclaimed their faith This book captures the stories of these courageous believers a testament to God's blessings in the midst of oppression and rapid change From the formation of the Three Self Patriotic Movement TSPM to the rise of the house church phenomenon the narrative sheds light on the struggles triumphs and unwavering spirit of Chinese Christians *Wise as Serpents Harmless as Doves* is an enlightening and inspiring chronicle that honors the millions who played a part in one of the greatest movements for Christ in this century Through their fragmented voices the book resounds with a resolute call to glorify His name      *Jurisdiction* Shaunnagh Dorsett,Shaun McVeigh,2012-08-21 This book takes its cue from the observation that jurisdiction as the speech of law articulates or proclaims law Without jurisdiction the law would be speechless without authority and authorisation So too would be critics who approach the law or want to live lawfully As a field of legal knowledge and legal practice jurisdiction is concerned with the modes of authority and the manner of the authorisation of law It encompasses the broadest questions of the authority and the founding of legal order as well as the minutest detail of the ordering of the business of the administration and adjudication of justice It gives us both the point of articulation of law and the technological means of the expression of law It gives us too the understanding of the limits of the authority of law as well as the resources for engaging with the plurality of laws and the means of engaging in lawful behaviour A critical approach to law through the forms of authority and action in law provides a means of engaging with the quality of relations created and maintained through law and a means of taking responsibility for the practices of jurisdiction and what is done in the name of the law This book provides a critical and historically grounded elaboration of the key themes of jurisdiction It does so by offering students and scholars of law a form of critical engagement with the technologies devices and forms of jurisdictional ordering It shows how the common has authorised legal relations and bound persons places and events to the body of law It offers a number of resources and engagements of jurisdiction on the basis that a jurisprudence of jurisdiction if it is anything engages forms of human relation

**Class of '88** Wayne Anthony,2018-03-22 Organised crime puts on a smiley face When the Summer of Love hit Britain in 88 Wayne embraced the bright new world of dance music MDMA and all night celebrations But alongside the ecstasy his

natural East End entrepreneurial instincts kicked in and he began to organise the infamous Genesis dance parties for thousands of kids Wayne soon became a key figure in the high octane technicolour rave scene But beneath the shiny smiley surfaces he quickly found himself in a vicious world of violence police harassment and organised crime for which he was totally unsuited and unprepared He was beaten by ex paratroopers menaced by gangsters kidnapped confronted with sawn off shotguns and threatened with murder all so Britain could party like never before When Class of 88 was first published it was so popular that Foyles dedicated an entire window to the book for a month Now re issued for the 30th anniversary this is Wayne s very lively highly individual account of the two years he spent as an illegal party promoter leading the rave revolution which was sweeping the UK changing lives music and popular culture forever     **The Railroad Trainman** ,1905
