The Memoirs Of Napoleon 1821:

Memoirs of Napoleon Bonaparte Louis Antoine Fauvelet de Bourrienne, John Smythe Memes, 1892 **The Memoirs of Toussaint and Isaac Louverture** Arthur F. Saint-Aubin, 2015-07-15 This book examines the memoir of Toussaint Louverture a former slave general in the French army and leader of the Haitian Revolution and the memoir of his son Isaac The Revolution and its leaders have been studied and written about extensively Until recently 2004 however the memoir of Toussaint has received little attention and only as a historical document This is the first study that explores the 1802 work foremost as a literary text a creative production that deploys the techniques of fiction and drama to make truth claims about the past moreover this is the first book length study of Isaac Louverture s memoir The two texts are read as examples of how black men thought of themselves as men citizens and therefore how they expressed their masculinity at that historical moment as experiences of mourning and loss This study builds upon three areas of scholarship the tradition of memoir writing historicist readings of Toussaint s memoir and descriptions and theories of men and masculinity within the black Atlantic The study distinguishes itself in ways that will make it of interest to more than just historians in addition to using the intersection of race and masculinity as an analytical tool it speaks to the nature of literary creativity and it draws from studies examining the relationship between history memory and fiction As a result scholars and students in literary and cultural criticism as well as those in gender and diasporic studies will also find this study of interest and value The Rise of Louis Napoleon Frederick Arthur Simpson, 1925 **Napoleon in British Culture** James Gregory, 2024-12-12 This book studies British cultural engagement with Napoleon Bonaparte from his 1815 surrender and time in British custody until the return of his remains to France in 1840 Adopting a chronological approach James Gregory studies the British use of Bonaparte in various spheres covering political dramatic literary and visual culture and popular entertainment over a 25 year period Gregory acknowledges not only canonical literary treatments but also appearances of the figure in novels anecdotes travelling shows and private collections in order to analyse contemporary fascination with Napoleon Centring on key themes such as responses to Napoleon s presence on British territory and later reactions to his death Gregory also takes into account the influence of factors such as geography and gender in order to craft a comprehensive picture of cultural engagement with Napoleon in the period 1815 40 Covering factors including the role of commemoration the impact of Peterloo and Queen Caroline s death and the rise of Romanticism this book demonstrates how truly pervasive the myth of Napoleon became in 19th century Britain **Catalogue of Rare, Choice & Interesting Books & Prints, Comprising Rare First Editions, Scarce Americana, Association Books of Washington, Thackeray [etc.] Fine Bindings...Autograph Mss...second & Fourth Shakespere Folios...Original Drawings of Remington, [etc.] Contemporary Oil Portraits of Abraham Lincoln [etc.]** , 1915 *Book-prices Current* , 1920 **A Student's Note-book of European History, 1789-1848** J. S. Lindsey, 1904 **Great Military Leaders** William T. Worthington, 2002 Great Military Leaders A Bibliography with
